Mathematics:
Revere Strategic Plan & S.T.E.M.

Mission Statement:
Revere maximizes the collective resources of our community to inspire and prepare all students academically, emotionally, physically and socially to achieve their individual potential.

Vision Statement:
Revere takes pride in launching intellectual and social difference makers who excel in an evolving global community.

Teaching and Learning:
To meet the education needs of every student with a comprehensive curriculum using research based strategies and assessments,

Study and implement creative learning options and settings so every student graduates and is career or college ready
