

FLORIDA 2022

h

May 21, 2021

Dear Revere Music Parents and Ensemble Members,

The Band, Symphonic Choir, Chorale, and Color Guard have been approved by the Revere Board of Education to take an educational trip to Orlando, Florida on the extended weekend of February 10-15 2022. We are thrilled to provide this amazing opportunity for the Revere music students. The motor coaches will leave the school on Thursday the 10th and arrive Friday morning in Florida to begin our adventure. During our stay the ensembles will be performing in Magic Music Days, while also spending time at four Disney World parks and Universal Studios. We will return the evening of Tuesday, February 15th.

In order to determine interest, we will take a deposit in early June from each student and/or chaperone who intends to go. If there is low interest or inadequate instrumentation/voicing within the groups at that time, we will not continue planning. Balanced instrumentation in the band and balanced sections in the choirs will be a prerequisite for us to continue to pursue this trip.

We hope that families will take the summer as a way to prepare for a financial investment of this size, as we would like everyone to be able to participate. The experience we had with the 2013 Phoenix and the 2017 and 2019 Disney trips were truly memorable for the students and we want to offer another trip of this caliber for the current students. We do not want money to be the issue, so we want to be as proactive and forthcoming as possible by informing you now. RMPA will be hosting fundraising events throughout the fall that the individual proceeds can be directed toward the cost of the trip.

The cost of the trip this year will be approximately \$1,250 for both the students and chaperones. Once we have the deposits, we will finalize the itinerary and have the tour company secure all reservations. We may post additional information throughout the summer, so please look for more information on www.reveremusic.org.

Potential Payment Schedule after deposit
