Richfield Elementary School Bricks

The old Richfield School may be gone but it won’t be forgotten. Individuals have the opportunity to obtain a small keepsake of the building. The Richfield Historical Society is offering bricks taken from the school as it was demolished. Single bricks will be available for a suggested donation of $5 each and a “slab” of bricks (between three and five connected bricks) for a donation of $10. If you are interested in purchasing one or more bricks, contact the Historical Society at 330-659-0336 for details on how to do so. Supplies are limited.

MESSAGE FROM THE REVERE SUPERINTENDENT

Hello Revere Alumni! It’s hard to believe we are already into November for the 2017-18 school year. As I look at the calendar for the next two months, I see it is packed with activities – the annual Veterans Day program, the Revere Players Fall Play, holiday concerts, holiday parties and much more. We are very fortunate to have so much student and parent involvement in our school district that contributes to the success of these initiatives.

Of course, many of these parents are Revere graduates themselves who want to support the schools and maintain the reputation of the community. I encourage you to take an active role in the Revere Alumni Association and offer input as the organization grows. Our alumni are an important link to our past and play an vital role in the future of our school district. If you have any questions or suggestions, please don’t hesitate to reach out to me.

Sincerely,
Matthew L. Montgomery
Superintendent
