Dear Revere High School Students,

Welcome to the 2019-2020 school year! We would like to welcome the newest class of 2023 and the rest of the upperclassmen to a year with great expectations. We hope you are ready with a renewed spirit and preparedness to excel this school year. Our staff is here to assist you in many different ways, so take charge and get ready to have a great school year!

Please take time to read this agenda book and review the contents. There is a wealth of information that is helpful for you to know. The items are not only important, but could have legal ramifications. The conduct code and the dress code are always important to understand and review. Use this agenda book every day and record your assignments, appointments and important dates because being organized will benefit you greatly!

Don’t forget. We adhere to the three “Rules for Living”: 1. Do what is RIGHT, 2. Do your VERY BEST, and 3. Help others. You will see this posted around the hallways to remind you each day. Don’t just read and think about these rules, but LIVE these rules. We hope you have a fantastic school year

Sincerely,

Phillip King
Principal
ABSENCES AND PARTICIPATION
Students must be in attendance the entire school day in order to be eligible for extracurricular, co-curricular, and curricular participation. This includes but is not limited to athletics, band, choir, drama, and field trips. Exceptions to this policy will be reviewed by the administration.

ACADEMIC EXTRACURRICULAR ELIGIBILITY
Students are required to meet all eligibility requirements set forth by the Ohio High School Athletic Association and the Revere Local School District Board of Education to participate in extracurricular activities. Requirements are passing a minimum of 1.66 credits in the previous grading term, being enrolled in at least 1.66 credits in the current grading term, and having earned a minimum GPA of 2.0 in the previous grading term. Students meeting the credit requirements but having a GPA of 1.00 to 1.99 will be placed on Academic Probation.

ACADEMIC INTEGRITY
Students are expected to present only their work for any assignment, project, or assessment. Presenting another’s work as one’s own is considered cheating and/or plagiarism. Students who violate this policy may receive zero credit. This includes the unauthorized use of data to gain an academic advantage. Students may also be referred to administration for further disciplinary action.

ACCIDENTS
Student safety is the responsibility of both students and staff. All injuries and accidents on school grounds must be reported to a staff member. State law requires that all students complete an Emergency Medical Authorization form, signed by a parent and or/guardian, and filed in the school’s main office.

ATHLETICS
The Revere Local School District believes that participation in school athletics is a privilege, not a right. Revere Local Schools offer numerous opportunities for our young men and women to explore and develop their personal skills as part of a team. We believe that participation on a team brings with it certain responsibilities that are above and beyond those that are expected of individuals who are not participants. This belief is based upon the fact that participation in athletics is a privilege and not a right.

There is a need for students to learn respect for authority in the classroom, on the court or playing field, as well as in society. There is a
need for students to learn that there are rules and regulations that one must follow to be a member of society. Athletes are expected to follow the rules and regulations in the Code of Student Behavior as well as the rules and regulations established by their coaches and other authorities or governing bodies. These authorities or governing bodies include but are not limited to the athletic director, principals, superintendent, board of education, or OHSAA.

All athletes and at least one of their parents and or/guardian must attend a Pre-Season Code of Conduct Meeting to be eligible to compete. Players need to have a complete set of athletic forms on file. Forms are available from coaches, the Athletic Director’s Webpage, or in the Athletic Office. The forms must be completed before an athlete is allowed to participate on an athletic team.

**ATHLETICS AND OHSAA**

Student Athletes and Parents should familiarize themselves with the following OHSAA Bylaws:

- All beginning ninth graders must have passed 75 percent of subjects in which they were enrolled the immediately preceding grading period.
- Eligibility for each grading period is determined by grades received the preceding grading period. **Yearly grades have no effect on OHSAA eligibility.**
- **Grades 9-12:** To be eligible, a student-athlete must be currently enrolled in a member school and have received passing grades in a minimum of **five one-credit courses, or the equivalent,** in the immediately preceding grading period (Note: Students taking post-secondary options must comply with these standards).
- For eligibility, summer school grades may not be used to substitute for failing grades received in the final grading period of the regular school year or for lack of enough courses taken the preceding grading period.

ATTENDANCE
Each parent, guardian, or custodian having charge of a child of compulsory school age must send the child to school for the entire time the school attended is in session (ORC 3321.04). Students are more likely to succeed in school, academics, and building skill sets when they consistently attend school. Excessive absences interfere with students’ progress in mastering knowledge and skills necessary to be prepared for higher education and the workforce upon high school graduation. Because of this, in December 2016, Ohio legislature passed House Bill 410 to proactively address excessive absences and truancy. By law, once a student accumulates 38 hours of absence per month or 65 hours per year, they will be considered excessively absent and referred to the district’s at-risk student coordinator. The student and family may be required to participate in an intervention program or be referred to the Summit County Juvenile Court as necessary.

AUTHORIZED EXCUSED ABSENCES
Absences for the following reasons shall be considered as excused:

A. Personal illness.
B. Serious illness or death of a family member.
C. Funeral.
D. Medical and dental appointments that cannot be arranged during non-school hours.
E. Unusual or emergency situations at home.
F. Religious holidays and activities.
G. Authorized school-sponsored activities.
H. Approved college visits.
J. Quarantine.
K. Out-of-state travel, not to exceed 24 hours per school year that the student’s school is open for instruction, for participation in an enrichment activity approved by the Board of Education or an extracurricular activity, defined as a student activity program operated by the District but not included in a graded course of study.
L. At the Superintendent’s discretion, a visit with a parent or legal guardian who is an active duty member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Commissioned Corps of the National
Oceanic and Atmospheric Administration and Public Health Service and who has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

An absence for any reason other than those listed above shall be classified as unexcused.
All excuses from parents, as well as other documents pertaining to a student’s enrollment, attendance, and withdrawal from the District, shall become a part of the official attendance record and shall be maintained regardless of format or condition.

A student shall have the opportunity to make up school work missed due to an excused absence; however, it shall be the responsibility of the student to initiate a make-up procedure and schedule with his or her teacher(s). All make-up work shall be completed within the number of days missed following the excused absence. A student shall receive full credit for school work made up pursuant to an excused absence.

The principal or his or her designee may request written verification of a student’s illness from a physician licensed to practice medicine in the state in the event of frequent or extended absences attributed to personal illness.

A student must be in attendance at school for half of the school day in order to participate in any school-sponsored activity that is conducted on that day; in cases of emergency the principal or his/her designee may grant an exception to this limitation.

LEGAL REFS: O.R.C. §§3301.60; 3321.041; 3321.13
Ohio Department of Education EMIS Manual, Section 2.1.1: Student Enrollment Overview, Version 4.0 (2017)
Adopted: December 19, 2017

**REPORTING ABSENCES FROM SCHOOL**
It is the responsibility of the parent and/or guardian to report all absences from school to the attendance office on the day of the absence. The attendance phone line is available 24 hours a day at (330) 523-3206. Parents/guardians must call by 8:00 AM the day of the absence. Failure to report a student’s absence may result in truancy. The attendance secretary will verify absences daily.

**REPORTING TO SCHOOL UPON ARRIVAL**
Students who arrive to class after 7:34 AM will be considered tardy to school, and must report to the attendance office for a pass. Failure to do so will be considered truancy. Students who are repeatedly tardy to class(es) will receive a progressive discipline.
**MAKE-UP WORK**

It is the responsibility of absent students to obtain their make-up work. Students are permitted one day of make-up for every missed day. A day's absence does not excuse a student from the responsibility for all previously announced assignments or tests on the day of their return. Students who have been suspended may make up any available missed assignments or tests.

**OUT-OF-SCHOOL SUSPENSION**

Out-of-school suspension means the student may not come to school, attend classes, or any school events. Students coming onto school property while they are under suspension may be charged by police for trespassing. The suspension begins on the date designated by the administrator and ends the morning of the student’s return. Students remain suspended throughout any appeals process. The student may make up any available missed assignments or tests. It is strictly the student’s responsibility to determine what work is missed by checking Progress Book or contacting a fellow classmate for information. Teachers are not responsible for providing make-up information or assignments. It may not be possible to make up class participation activities. All missed assignments are due the day the student returns to school from the out-of-school suspension. The student must make arrangements through their classroom teachers to complete any tests or quizzes. Suspension may extend beyond the current school year, if at the time a suspension is imposed; fewer days remain in the school year than the term of the suspension. The Superintendent may apply any or all of the period of suspension to the following year.

Cell phones and electronic communication devices are to be turned off and kept out of sight while school is in session, unless granted permission by a staff member. Student use of cell phones or non-district issued electronic communication devices is prohibited while school is in session. Text messaging is not permitted. Any device that is deemed turned on, makes a noise or vibrates, or otherwise calls attention to itself will be
considered a disruption and subject to confiscation by RHS staff. Each offense of this policy requires retrieval of the device by the parent from administration. The student may also face additional disciplinary action by administration.

CLASSROOM EXPECTATIONS
All students are expected to comply with the Code of Student Behavior during classroom instruction. Violations of the Code of Student Behavior will not be tolerated and may require further disciplinary action by administration.

CODE OF STUDENT BEHAVIOR
The Revere Board of Education has adopted the following Code of Student Behavior. The code includes types of misconduct that will subject a student to disciplinary action. Grounds for removal from class, suspension, or expulsion may include any of the following: violations committed at school or school sponsored activities, on school premises, or against school property, personnel, or students.

❖ DISCIPLINE
In order to foster a trust and respect between staff and students, guidelines must be developed for the purpose of providing fair and just treatment for students who violate the offenses listed in this handbook. When breaches of school rules and regulations occur, it is the responsibility of the involved teachers and administrators to work with the student, his parents and other personnel to help the student correct his behavior. All disciplinary actions should help to protect the welfare of the school community as well as help the student to develop self-discipline.

The following guidelines have been developed for the purpose of providing fair and just treatment for students who violate the rules listed in this handbook.

A. To protect the rights of students, staff and public, all offenses shall be thoroughly investigated and properly recorded. This may include a conference with the students involved in an incident and a search of the student, student's belongings, student's assigned school locker(s), car or other school property based upon "reasonable suspicion" that a dangerous situation exists.

B. In seeking a solution of the offenses, there shall be appropriate alternatives such as one, or a combination of the following actions, but not necessarily in the order appearing below:
   1. Conference with the student to clarify the problem and to insure full understanding of consequences of future misbehavior.
2. Assignment of additional task(s), which may or may not interfere with the academic or after-school programs.
3. Assignment of detentions.
4. Conference with parents to secure cooperation of the home in regaining student behavior.
5. Referral to counselor, school psychologist or Intervention Assistance Team for guidance, testing or therapy.
6. Referral to Juvenile Court.
7. Emergency removal in accordance with State law, including curricular and extracurricular activities.
8. Suspension: To refer to "out-of-school" in accordance with State law covering both curricular and extra-curricular activities. Suspension is the removal from all academic, extra-curricular and social events affiliated with the school.
9. Expulsion from school in accordance with State law.

C. Students enrolled in alternative program options are subject to all rules and regulations covered under the Code of Student Behavior and adopted by the Revere Board of Education.

❖ SUSPENSION PROCEDURE

A. Definitions:
Suspension (out-of-school) is defined as the denial of attending school for the period of at least one (1) but not more than ten (10) school days. Students suspended may not take part in or attend any school activities, or be on school property. Suspension may extend beyond the current school year, if at the time a suspension is imposed, fewer days remain in the school year than the term of the suspension. The Superintendent may apply any or all of the period of suspension to the following year.

B. In case of a student's intended removal from school for purposes of suspension, the following procedures shall be enacted:
1. Only the principal, assistant principal, superintendent or any other authorized administrator may suspend.
2. The student shall be informed in writing of the intended suspension and reasons for the proposed action.
3. The pupil and/or his parent(s) shall be provided an opportunity for an informal hearing to discuss the reason for the intended suspension and/or otherwise explain his/her actions.
4. An attempt shall be made to notify his/her parent(s), guardian or custodian by telephone of the suspension and the reason for it.
5. Within one (1) school day of the suspension the Superintendent, principal, or other administrator will notify the parents, guardians, or custodians of the student by certified mail and the Treasurer of the
Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.

6. Should a student enrolled at the Cuyahoga Valley Career Center be suspended from the career center for a conduct code violation, which would also be grounds for suspension in the home school district, the suspension of such student also will be in effect at the home school district. The student shall be notified of that suspension by the home school district in accordance with the normal suspension procedure.

7. Simultaneous written notice of the suspension shall be sent to (a) student's discipline file; (b) Superintendent; (c) Treasurer of the Board of Education.

**EMERGENCY REMOVAL PROCEDURES**

Definition: The term "emergency removal" shall be understood to mean the removal of a student from curricular or extra-curricular activities or from the school premises because the student's presence poses a continuing danger to persons or property, or is an ongoing threat or disruption to the academic process. In all cases of emergency removal where a student is removed from a curricular or extra-curricular activity for less than twenty-four (24) hours, the staff person initiating the removal shall submit to the principal, the reasons in writing for the removal.

If it is intended that the student is removed from a curricular or extra-curricular activity for more than twenty-four (24) hours, a due process hearing will be held within three (3) school days after a removal is ordered.

1. An attempt should be made to notify his/her parents, guardian or custodian immediately by telephone of the pending action and the reasons for it.

2. Written notice of the hearing and reasons for the removal and any intended disciplinary action must be given to the pupil as soon as possible prior to the hearing.

3. The person who ordered or requested the hearing must be present at the hearing.
4. If suspension or expulsion is intended, the due process requirement of the law must be carried out in accordance with the applicable procedural requirements in Board Policy and State Law.

**EXPULSION PROCEDURES**

Definition: The term "expulsion" shall be understood to mean exclusion of a student from all school attendance and related activities for the remainder of the current semester, or for a period of up to 80 school days, unless otherwise addressed in this Code. The Superintendent of Schools may expel a pupil in accordance with procedure outlined by Ohio Statute. Exclusion from school attendance by expulsion is the most severe remedy available to the school for disciplinary infractions.

The Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy.

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

Prior to expulsion, the Superintendent shall follow the following procedures:

1. Give the Pupil and his/her parent, guardian or custodian written notice of the intention to expel. The notice must advise the student and his/her parent, guardian or custodian or other representatives of their right to appear in person before the Superintendent or his designee to challenge the reasons for the expulsion. The notification must carry the place and time of the hearing, which must take place no earlier than three (3) school days and not later than five (5) school days after the notice is sent. The Superintendent may grant an extension of time upon request provided all parties involved are notified. If the student is 16 years old or older and the intent to expel is based on an offense for which a permanent exclusion may be
requested, the written notice must include a statement that the Superintendent may seek permanent exclusion.

2. Arrange for a hearing to be conducted by the Superintendent or his designee under the guideline established by the individual conducting the hearing. Within one school day after the time of the expulsion, the Superintendent shall send written notice to the student and his/her parent, guardian or custodian, and the Treasurer of the Board of Education. The notice shall specify the duration of the expulsion and the reasons therefore. The expulsion may extend beyond the current school year, if at the time an expulsion is imposed, fewer days remain in the school year than the term of the expulsion. The Superintendent may apply any or all of the period of expulsion to the following year. It also shall include notification of the rights of the student, his/her parent, guardian or custodian, to appeal the expulsion to the Board of Education or to its designee within the fourteen (14) calendar days of the date of the notification in order to be heard against such expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the expulsion, and to request that such a hearing be held in executive session.

3. If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student’s behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

Appeal - Within fourteen (14) calendar days of the date of the notification of the student expulsion, the student (if eighteen years old or older), the parent, guardian or custodian may appeal the expulsion. The request for appeal should be submitted in writing to the Treasurer for the Board of Education or the Superintendent. A hearing shall be scheduled and the requesting parties notified of the time for the hearing which may be extended by mutual agreement. The student or his parent, guardian or custodian may be represented in the appeal proceedings. The Board may affirm the order of expulsion or reverse, vacate or modify the order of expulsion. The Board shall determine the procedures to be followed during the hearing. A verbatim record shall be made.

Should a student enrolled at the Cuyahoga Valley Career Center be expelled from the Career Center for a conduct code violation, which would be grounds for expulsion in the Home School District, the student will be expelled from the Home School District in accordance with the normal expulsion procedure.
LIMITATIONS ON THE DISCIPLINING OF HANDICAPPED STUDENTS

A handicapped student is one whose education is governed by an Individualized Education Plan (IEP). Unless their IEP provides otherwise, handicapped students may be suspended for a period not to exceed ten (10) days per year without convening a placement or IEP conference. Discipline may result in removal from school for more than ten (10) school days if it is determined that the behavior is not a manifestation of the student’s handicapping condition. In such a removal beyond ten (10) school days, the special education and/or related services of the IEP will continue as determined by the IEP Team. All handicapped students are subject to removal on an emergency basis described in the Code. Repeated violation of the Code may indicate that a change in the student's placement or IEP is necessary.

PERMANENT EXCLUSION

Any student who has been found guilty of committing, when sixteen (16) years of age or older, any of the specific offenses identified by state statute and Board Policy may be permanently excluded by the State Superintendent of Public Instruction at the request of the Revere Local School District Board of Education in the manner prescribed by law.

The Board's statement of policy on permanent exclusion is posted in each school and is available to students and their parents, upon request, at each school office.

SCHOOL TRANSPORTATION PRIVILEGES

If the Superintendent and/or designee determines that a student's behavior on a school vehicle violates school rules, he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Prior to such suspension, the Superintendent shall notify the student of the intended bus suspension and afford the student the opportunity to respond to the intended suspension or otherwise defend himself.

**DETENTIONS**

Detentions are held each Tuesday and Thursday in rooms 205 and 212. Students may serve a detention either from 7:00 AM to 7:25 AM or after school from 2:45 PM to 3:10 PM. One day prior notification is given to students. Students must be prompt, must work on school assignments, and must adhere to all rules of the Code of Student Behavior during the detention. Failure to serve assigned detentions will result in additional disciplinary action by the administration.

**DISCLAIMER**

The handbook may not include every item or incident that may occur in the building or on school grounds. Final resolution of each of these situations will be made by the school administration. Additional information about student conduct is found in the Code of Student Behavior. The handbook is not intended to be a manual of all the policies of the Revere Board of Education.

**DRESS CODE**

We are committed to a safe and orderly learning environment for students that is free from distraction. Attire should not detract from the educational process and reasonable standards in dress and grooming apply. Compliance with the dress code is expected and non-compliance may be considered insubordination. Any form of dress or hair style that is considered contrary to good hygiene or that is deemed distractive, disruptive, or detrimental to the routine operation of school is prohibited.

- Regardless of what a garment is called or the material the clothing is comprised, the spirit of the dress code is to exclude students from wearing clothing that is deemed to be inappropriately tight or form fitting in the discretion of the administration.
• Dresses, skirts, or shorts must be fingertip length
• Legging, tights, spandex, elasticized pants, yoga pants, flare yoga pants or anything arguably skin tight and without pockets may not be worn as the primary lower garment. They are required to have something covering them that are finger-tip length at its shortest point.

Clothing prohibited includes the following items and conditions; Clothing that is ripped, cut-off, torn, having holes and/or frayed; pants worn below the waist/hip and are low hanging; sheer or mesh garments; tube tops; shirts that have less than a 3-inch strap; shirts that do not cover the midriff when standing and seated; hats, sun glasses, slippers, outer coats, pajamas, bandannas/ head coverings, headbands/sweatbands; chains, any item advertising alcoholic beverages, drugs, tobacco, or weapons; or any item with obscene or questionable printing in violation of the Code of Student Behavior. This list is not all inclusive as these are only examples of inappropriate dress.

Shorts and skirts must be finger-tip length or longer from their shortest points and must meet other conventional standards of dress. Tight shorts and shirts with messages across the front or back are not permitted. Exposure of cleavage or undergarments is prohibited. Shoes must be worn throughout the day. Athletic attire worn to participate in physical education classes are not to be worn as street clothes for academic classes. Final determination of appropriate school attire rests with the school administration.

DRIVING TO SCHOOL
Driving to school is a privilege limited only to Seniors and Juniors. A permit is required. Applications for permits are available in the main office. Requirements include, but are not limited to, the following items: Completed application filed by the determined due date, a valid Ohio’s driver's license or evidence one is obtainable by the end of the 1st month of school, payment of the required parking fee in addition to all school fees and fines, and compliance with academic eligibility. Students who meet all requirements and the deadlines receive first priority. Excessive tardiness and absences may prevent the issuance or cause suspension of driving privileges at RHS. Suspension and/ or non-issuance of driving privileges may occur as a result of a violation listed in this handbook or the Code of Student Behavior. The Revere Local School District assumes no responsibility for damage or theft of any student vehicle. Student drivers are expected to comply with the following procedures or may face disciplinary action by the administration. Vehicles may be subject to towing at the owner's expense for any violation.
PARKING RULES AND PROCEDURES
Each student must register his or her vehicle annually. Parking permits must be on display on the rear-view mirror. The permit is valid only for the assigned parking spot of the vehicle. All rules of the Code of Student Behavior may apply to student cars. Traffic laws are to be obeyed on any school property and/or school events. Driving inappropriately or in an unsafe manner within the school zone may result in forfeiture of parking and/or other school disciplinary action.

Permits may not be shared or borrowed.

Students are not permitted in their vehicles or in the parking lot during school hours except during arrival and departure time. Excessive tardiness or absences may cause restriction or revocation of driving privileges. Search of a student and his/her possessions, including vehicles, may be conducted at any time the student is under the jurisdiction of the Revere Board of Education if there is reasonable suspicion that the student is in violation of the Code of Student Behavior. Failure to comply with a reasonable search will be considered insubordination.

FIELD TRIPS
Field trips enhance the educational experience of students. A completed student field trip permission form with teacher and parent/guardian signatures is required for student participation. Teachers may decline approval for student field trip participation if the student’s attendance or academic performance is of concern.

FIRE, SAFE SCHOOLS, AND TORNADO DRILLS
All drills are conducted periodically in accordance with state law. Safety routes are posted in each classroom and in various locations in the building. It is expected students will follow the direction of staff during drills and assist in the orderly completion of any drill. Anyone involved in causing a false fire alarm is subject to the penalties defined in Ohio Revised Code section 2917.32.

FINES AND FEES
All financial obligations incurred by students must be paid in full. All students are assessed a $100.00 student fee for the current school year.

FOOD, BEVERAGES, AND LUNCH
All food and beverages must be consumed in the cafeteria. Delivery orders and foods from any restaurants are not permitted in the cafeteria,
and parents are asked not to bring in purchased food or eat with their student. Food and beverages are not permitted in other areas of the building. Clear, non-carbonated, bottled water will be permitted in the classrooms at the teacher's discretion. Our lunchroom is closed to all visitors.

**FOREIGN EXCHANGE STUDENTS**

Revere High School welcomes a maximum of three foreign exchange students a year. It is our privilege to support the students in their year long experience in the United States. Foreign exchange students need to have the proper documentation through their sponsoring organization. The sponsoring organization must be sanctioned with the OHSAA in order for a foreign exchange student to be eligible to participate in athletics. Foreign exchange students will be registered as junior status and will receive a certificate of attendance from Revere High School.

**GRADING**

The grade earned at the end of the course is the grade that determines credit and appears on the student's transcript. Advanced Placement courses are weighted by one point.

Failure to complete course requirements may result in a failing grade for the course. Students removed from a class for disciplinary or attendance violations will receive a Withdrawal Failure. The WF will appear on the student's permanent transcript. The student will remain in the course on a non-credit basis.

*Weighted grades will only be given to students completing an entire AP course and taking AP Exam. Weighted grades will not be given for grades below a C.

8th Grade students will receive high school credit for any high school course taken at the middle school when earning a C or better. The grade will not be calculated into a student’s GPA. All Flex Credit Courses or courses taken in the summer between 8th and 9th grade will be calculated into a student’s GPA.

Juniors and Seniors may choose up to 1 Elective course per year as a No Grade/No Credit Option. The purpose of this option is to afford to students an opportunity to experience a course that they may enjoy without adversely affecting the GPA. If a student earns less than a “C” in the course, the actual grade will be calculated into the GPA, and appear on the report card and transcript. For a grade of “C” or higher, a “P” Pass grade will appear.

GUIDANCE POLICIES
The assignment of a student’s guidance counselors is determined by the child’s last name. Students retain the same counselor throughout the student’s high school career. Students are encouraged to establish rapport with their counselors as they attend RHS.

❖ COMPLETION OF GRADUATION REQUIREMENTS
Early completion of graduation requirements is not advised. There are many advantages and opportunities for students to expand their academic and social development by completing four full years of high school. However, there may be circumstances in which early graduation is desired and will be considered for approval. The guidelines listed below must be followed:

1. The student must declare their intention to graduate by May 1st of the year prior to graduation.
2. A student/parent/principal conference may be required prior to June 1st of the year before graduation. An educational plan detailing the request for early graduation and its relationship to the student’s overall education must be completed and submitted prior to this conference. Assistance in preparing the educational plan may be obtained from the Guidance Department.
3. Completion of the "Early Graduation Approval Form" must be submitted by the student and parents prior to final approval by the principal.

❖ CREDIT FLEXIBILITY
Senate Bill 311 (the Ohio Core legislation) raised the graduation requirements for high school students, with the goal of increasing the
number of students who are ready to meet the demands of our global and technological age. Ohio's plan for Credit Flexibility is designed to broaden the scope of curricular options available to students, increase the depth of study possible for a particular subject, and allow tailoring of learning time and/or conditions. The overall effect is to increase student engagement and sense of ownership of learning. Please check the guidance website for additional details and requirements.

❖ CVCC ADMISSIONS
A student who wishes to qualify for CVCC admission should discuss this option with their counselor. The following factors affect CVCC admission status:
1. Good academic standing (on track to graduate)
2. Good attendance
3. Attendance at the CVCC Parent and Student Information Night in January
4. Attendance at the CVCC field trip in January
5. Complete applications will be given priority status based on the date received and the above considerations.

❖ EARLY DISMISSAL
Early dismissal opportunities are available to students enrolled in work study, post-secondary or volunteer options only. Students must have a signed approval form in the school office to participate. All students scheduled for early dismissal must leave the building at the time of sign-out.

❖ FLEXIBLE SCHEDULING
If a student wishes to take a course that is part of the RHS curriculum, but cannot take that course during a regularly scheduled class period according to the Master Schedule, he or she may do so according to the following guidelines:
1. They must have the approval of the teacher, department chairperson, counselor, and principal.
2. They must enroll for the course during another class period or meet with the teacher during his/her preparation time.
3. The presence of the student in the classroom cannot cause a disruption or increase class size beyond recommended limits.
4. Please see your guidance counselor regarding Credit Flexibility Policies in addition to the above guidelines.

❖ COLLEGE CREDIT PLUS
Ohio’s College Credit Plus is a program that will allow you to earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to
promote rigorous academic pursuits and to provide a wide variety of options to college-ready students in grades 7-12. Contact colleges for information, application forms, and criteria for acceptance into College Credit Plus. Some materials are available from your counselor and at the college’s website. For additional information, refer to the Information Sheets/Presentations on the Revere High School website and schedule a meeting with your guidance counselor.

- **INDEPENDENT COURSES**
  Independent study is defined as coursework that a student may wish to take that is not part of the RHS or Board adopted curriculum. Any independent study coursework must be approved by the counselor and principal, and must meet all Revere Local School District Board policies and guidelines. Students who take coursework that is approved for independent study will be granted credit toward graduation on a pass/fail basis. Additional information may be found in the Credit Flexibility Policies and Guidelines.

- **MINIMUM COURSE LOAD**
  All students must be enrolled in at least four classes per trimester. Freshmen and sophomores must take five classes unless permission has been obtained from the administration.

- **OUTSIDE CREDITS**
  Outside credits may include summer school, correspondence courses, night school, online courses, volunteer credits, work study credits, and other alternative or remedial educational credits.

- **SCHEDULE CHANGES**
  All requests for schedule adjustments must be made prior to the first day of school. Changes after that time will only occur if the student has been academically misplaced or a technical error in the student's schedule is discovered. These extenuating circumstances will be reviewed by the administration for approval. Students who choose to drop a class may receive a drop failure with no credit. Students who wish to add a class must do so within the first seven school days of each trimester unless administration approval has been granted.

**HALL PASSES**
Permission for hall privileges is required from each teacher. Students must complete necessary tasks during hall pass in a reasonable amount of time.
Introduction

Harassment, intimidation, and bullying of students in the school environment can substantially interfere with their ability to learn, perform, and feel safe. Therefore, any conduct, communication, activity, or practice that occurs at any time on school property, on a school bus, or during any school sponsored event, and at the times and/or places set forth in the Code of Student Conduct, that constitutes harassment, intimidation, or bullying involving students shall be strictly prohibited. Students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. Further, any such conduct, communication, activity, or practice should be immediately reported to the building principal or other responsible school employee. All reports of harassment not covered by this policy shall be investigated in accordance with the policies applicable to the particular harassment.

To implement this policy and to address the existence of harassment, intimidation, or bullying in the schools, the following procedures shall be followed:

A. Students must report acts of harassment, intimidation, or bullying to teachers, District employees, and/or school administrators;

B. The parents or guardians of students should file written reports of suspected harassment, intimidation, or bullying with the building principal or other appropriate administrator;

C. Teachers and other school staff who witness acts of harassment, intimidation, or bullying or receive student reports of harassment, intimidation, or bullying shall notify school administrators;

D. School administrators shall investigate and document any written or oral reports;

E. School administrators shall notify the custodial parent or guardian of a student who commits acts of harassment, intimidation, or bullying and the custodial parent or
guardian of students against whom such acts were committed, and shall allow access to any written reports pertaining to the incident, to the extent permitted by O.R.C. §3319.321 and the Family Educational Rights and Privacy Act.

1. Definition of Harassment, Intimidation, or Bullying

In accordance with this policy, “harassment, intimidation, or bullying” means either of following:

A. Any intentional written, verbal, electronic, or physical act that a student has exhibited toward another particular student more than once and the behavior both:

1. Causes mental or physical harm to the other student; and

2. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student; or

B. Violence within a dating relationship.

“Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

The behavior prohibited by this policy is marked by the intent to ridicule, humiliate, or intimidate the victim. In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred, of the perpetrator.

2. Conduct Constituting Harassment, Intimidation, or Bullying

Such conduct can take many forms and can include many different behaviors having overt intent to ridicule, humiliate or intimidate another student. Examples of such conduct include, but are not limited to:

A. Physical violence and/or attacks.
B. Taunts, name-calling, and put-downs.

C. Threats and intimidation (through words and/or gestures).

D. Extortion or stealing of money and/or possessions.

E. Exclusion from the peer group or spreading rumors.

F. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as “cyber bullying”), such as the following:

1. Posting slurs on Web sites where students congregate on Web logs (personal online journals or diaries);

2. Sending abusive or threatening instant messages;

3. Using camera phones to take embarrassing photographs of students and posting them online;

4. Using Web sites to circulate gossip and rumors to other students;

5. Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers; and

G. Violence within a dating relationship.

3. Complaint Process

A. Formal Complaints

Students and/or their parents or guardians may file reports of conduct that they consider to be harassment, intimidation, or bullying. Such written reports shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or
bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review and action.

Teachers and other school staff who witness acts of harassment, intimidation, or bullying, as defined above, shall promptly notify the building principal and/or his/her designee of the event observed, and shall promptly file a written incident report concerning the events witnessed.

B. Informal Complaints

Students may make informal complaints of conduct that they consider to be harassment, intimidation, or bullying by verbal report to a teacher or administrator. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witness. A school staff member or administrator who receives an informal complaint shall promptly reduce the complaint to writing, including the information provided. Such written report by the school staff member and/or administrator shall be promptly forwarded to the building principal for review and action.

In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of harassment, intimidation, or bullying in other interaction with students. School personnel may find opportunities to educate students about harassment, intimidation, or bullying and help eliminate harassment, intimidation, or bullying behavior through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student, even if such conduct does not meet the formal definition of “harassment, intimidation, or bullying.”

4. Deliberately Making False Reports

Students are prohibited from deliberately making any false report of harassment, intimidation, or bullying. Students found to have violated this
prohibition are subject to the full range of disciplinary consequences, up to and including suspension and expulsion.

5. Confidentiality

The right to confidentiality, both of the complainant and of the accused, will be respected consistent with the District’s legal obligation to the complainant, alleged harasser, and witnesses, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

6. Investigation

A. The investigator should remember that the investigation requires a balancing of the accused’s rights, the complainant’s right to an environment free of harassment, intimidation, or bullying, and the Board of Education’s interest in a prompt and fair investigation.

B. The investigator shall meet with the complainant within a reasonable period of time from the time of making the complaint. However, the investigator is urged to meet with the complainant as soon as possible.

C. Following the meeting with the complainant, the investigator shall conduct an investigation to determine if harassment, intimidation, or bullying has occurred. The investigation shall include a conference with the accused and the complainant, as well as any and all other methods which are considered necessary to determine whether harassment, intimidation, or bullying has occurred.

7. Post-Investigation Procedures

A. Upon conclusion of the investigation, the investigator shall issue a written report. The report shall include a determination of whether the accused was found to have engaged in harassment, intimidation, or bullying, was found not to have engaged in harassment, intimidation, or bullying, or whether the investigation was inconclusive. The report shall be issued to the complainant’s parents. A
copy of the report shall also be sent to the Superintendent or his/her designee.

B. A finding of no harassment, intimidation, or bullying or inconclusive evidence shall end the investigation.

C. If harassment, intimidation, or bullying is found to have occurred, the investigator shall recommend what steps are necessary to ensure that the harassment, intimidation, or bullying is eliminated for the victim and other individuals affected by the harassment, intimidation, or bullying and to correct its effects on the complainant and others, if appropriate.

8. Retaliation is Prohibited

Retaliation against those who file a complaint or participate in the investigation of the complaint is prohibited. Therefore, filing of a complaint or otherwise reporting harassment, intimidation, or bullying will not reflect upon the student’s status, nor will it affect future employment, grades, or work assignments. Further, the administrator is directed to implement strategies for protecting a victim from retaliation following a report.

9. Remedial Actions

Verified acts of harassment, intimidation, or bullying shall result in intervention by the building principal or his/her designee that is intended to assure that the prohibition against harassment, intimidation, or bullying behavior is enforced, with the goal that any such harassment, intimidation, or bullying behavior will end as a result.

Harassment, intimidation, or bullying behavior can take many forms and can vary in how serious it is, and what impact it has on the targeted individual and other students. Accordingly, there is no one prescribed response to verified acts of harassment, intimidation, or bullying. While conduct that rises to the level of “harassment, intimidation, or bullying” as defined above will generally warrant disciplinary action against the perpetrator of such harassment, intimidation, or bullying, whether and to what extent to impose disciplinary action (detention, in and out-of-school suspension, or expulsion) is a matter for the professional discretion of the building principal.

10. Non-Disciplinary Interventions
When verified acts of harassment, intimidation, or bullying are identified early and/or when such verified acts of harassment, intimidation, or bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of harassment, intimidation, or bullying, its prohibition, and their duty to avoid any conduct that could be considered harassment, intimidation, or bullying. If a complaint arises out of conflict between students or groups of students, peer mediation may be considered.

11. Disciplinary Interventions

When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Suspension is a possible consequence for a student found responsible for harassment, intimidation, or bullying by an electronic act.

12. Strategies for Protecting Victims or Other Persons From New or Additional Acts

A. Supervise and discipline offending students fairly and consistently;

B. Maintain contact with parents and guardians of all involved parties;

C. Provide counseling for the victim if assessed that it is needed;

D. Inform school personnel of the incident and instruct them to monitor the victim and the victim’s friends or family members and the offending party for indications of harassing, intimidating, and bullying behavior. Personnel are to intervene when prohibited behaviors are witnessed;

E. Check with the victim and the victim’s friends or family members to ensure that there has been no new or additional incidents of harassment/intimidation/bullying or retaliation of the victim or other persons from the offender or other parties.
F. If necessary to protect a person from new or additional acts of harassment, intimidation, or bullying, and from retaliation following a report, a person may make an anonymous report of an incident considered to be harassment, intimidation, bullying, or retaliation by providing written information to any staff member or administrator. The report should include as much information as possible and shall be forwarded promptly to the building principal for review and action.

In addition to the prompt investigation of complaints of harassment, intimidation, or bullying and direct intervention when acts of harassment, intimidation, or bullying are verified, other District actions may ameliorate any potential problem with harassment, intimidation, or bullying in school or at school-sponsored activities. While no specific action is required and school needs for such interventions may vary from time to time, the following list of potential intervention strategies shall serve as a resource for administrators and school personnel:

A. Respectful responses to harassment, intimidation, or bullying concerns raised by students, parents or school personnel;

B. Planned professional development programs addressing bully/targeted individuals’ problems;

C. Data collection to document bully/victim problems to determine the nature and scope of the problem;

D. Use of peers to help ameliorate the plight of victims and include them in group activities;

E. Avoidance of sex-role stereotyping (e.g. males need to be strong and tough);

F. Awareness and involvement on the part of all school personnel and parents with regards to bully-victim problems;

G. An attitude that promotes communication, friendship, assertiveness skills, and character education;
H. Modeling by staff of positive, respectful, and supportive behavior toward students;

I. Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior by students in support of others;

J. Employing classroom strategies that instruct students how to work together in a collaborative and supportive atmosphere; and/or

K. Forming harassment, intimidation, and bullying task forces, programs, and other initiatives involving volunteers, parents, law enforcement, and community members.

This policy shall appear in student handbooks, and in the publications that set forth the comprehensive rules, procedures, and standards of conduct for schools and students in the District. The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students and their custodial parents or guardians. Information regarding the policy shall be incorporated into employee training materials.

Orientation sessions for students shall introduce the elements of this policy and procedure. Students will be provided annually with age-appropriate instruction on the recognition and prevention of harassment, intimidation, or bullying, including discussion of the consequences of violating this policy, and their rights and responsibilities under this and other District policies, procedures, and rules at student orientation sessions and on other appropriate occasions.

A District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy adopted pursuant to this section if that person reports an incident of harassment, intimidation, or bullying promptly in good faith and in compliance with the procedures as specified in the policy.

The Administration shall annually send to each student’s custodial parent or guardian a written statement describing this policy and the consequences for violating it. The Administration shall semi-annually provide the president of the Board a written summary of all reported
incidents and post the summary on the District’s website to the extent permitted by state and federal student privacy laws.

LEGAL REFS: O.R.C. §§3313.666; 3313.667
Adopted: October 17, 2017

LIBRARY
Bookmarks with subscription database passwords are available in the library. Students are expected to follow library rules or they may forfeit access to the library. Fines are charged on overdue or damaged items.

LOCKERS AND LOCKS
Each student is assigned a lock and locker at the beginning of the school year. Lockers and locks are the sole property of the school. Lockers may be searched at any time by administration. Appropriate care of school property is required. Locks are expected to be on the locker at all times, and only school issued locks are permitted. Lock combinations are confidential and should not be shared with others. The school is not responsible for lost property or valuables. Book bags and backpacks remain in lockers while school is in session. Students are not permitted to display inappropriate pictures, decals, or displays on the lockers. Any damage to the lock or locker by a student may result in disciplinary action by the administration. A $6.00 fee is assessed for a replacement lock. **While using the locker room during or after school, students must lock their belongings in a locker.**

LOST AND FOUND
Miscellaneous articles may be placed on the Lost and Found table located inside the cafeteria. Valuable items should be taken directly to the main office and reported to school personnel.

MEDICATION
The administration of any medication to a student by school personnel requires the completion of necessary forms by the parent /guardian. Forms are distributed at the beginning of the year and are available in the Main Office. Both a parent /guardian and a physician must complete and sign the form. Medicine to be dispensed at school must be in its original prescription bottle. The school or its employees cannot provide aspirin or any other over-the-counter medication.

NATIONAL HONOR SOCIETY
The National Honor Society, created by the National Association of Secondary School Principals, honors students who excel in four ways: scholarship, leadership, service, and character. The society is governed by national rules. Membership in NHS is one of the highest honors that can be given to a high school student and is a privilege, not a right. The selection process at RHS begins with juniors and seniors who have met the scholastic requirement of a GPA of 3.6 or above and are active in service and/or school related activities. A selection process established by both the national and local organizations determines membership in National Honor Society. The final step in the selection process involves a committee of faculty members who review the applications and make recommendations for membership. The decision of the committee is final.

PROGRESS BOOK AND REPORT CARDS
Academic progress is reported throughout each trimester through various methods such as Progress Book, Interim Reports, and Report Cards. Conferences are encouraged at any time and parents may contact teachers for appointments. Designated Parent-Teacher Conference night appointments may be made through the main office at (330) 523-3220. For questions about access to Progress Book, the online grade report program, please call (330) 523-3407.

PUBLIC RECORDS
A request for public records must go through the Treasurer’s Office, as the Treasurer is the designated Records Officer for the Revere School District.

SATURDAY DETENTION
A three hour Saturday detention session (9-Noon) is held bi-monthly at Revere Middle School and is supervised by school personnel. Sessions are assigned by the administration as a result of violations of the Code of Student Behavior. Students are expected to bring school books and materials to Saturday Detention, as well as school assignments to work on during the 3 hour detention. Various procedures are followed and further explanation is provided to students when such an assignment is made.

SCHOOL CLOSINGS
In the event of inclement weather or a calamity, school may be closed or starting time delayed. The same conditions may also necessitate early dismissal. School closings, delays in starting time, or early dismissals will
be announced via the Alert Now notification system. If no report is heard, it can be assumed that school will be in session.

### STUDENT ASSESSMENT

Once a student has taken an assessment in a particular class, parents are encouraged to set up a conference with the instructor to discuss the results. This means of communication will help foster a positive relationship between school, student and home as well as being used as a learning tool to promote the student’s academic success.
STUDENT IDENTIFICATION CARDS
Students will be issued one identification card (badge) at the beginning of the school year. Students will be required to use this card throughout the school year, and will be responsible if it is lost. Replacement cost to the student will be $5.00 per badge.

SUMMER SCHOOL/CORRESPONDENCE/NIGHT SCHOOL COURSES
All summer school, correspondence, and night school courses must be approved by the administration/guidance department. Pass/fail grades will be assigned for all courses except for those that are retakes due to failure.

TARDIES
Students who arrive to school after 7:34 AM are considered tardy. Upon arrival, students must immediately report to the Attendance Office. Oversleeping or transportation difficulties are not excuses for tardiness. Students who are excused and miss classes due to arriving late to school must consult with their teachers prior to leaving school that day to rearrange for tests or quizzes and to obtain homework assignments. Failure to do so may result in zeroes issued at the discretion of the teacher. Chronic tardiness will not be tolerated and will result in disciplinary action and/or result in loss of student driving privileges or ability to obtain a student parking permit. All tardiness will be counted as such and is cumulative over the trimester.

TELEPHONES
Office telephones may be used in the cases of emergency with the permission of school personnel. Using the phone is not an excuse to be absent from or tardy to class.

TEXTBOOKS
All textbooks are the property of the school district and are on loan to the student. Proper care of school property is expected and book covers recommended. Students should write their names and grades on the book labels for identification purposes. Students are responsible for lost or damaged books.

TRANSCRIPTS
Students may request and receive an unofficial transcript from the Guidance Office. Official transcripts required for college admissions and/or scholarships will be mailed directly to the appropriate institution. Students need to complete the required ten (10) school days are required to process these requests.
RHS Alumni may obtain transcript request forms online by visiting the Revere Local Schools website, choosing Revere High School, and then Guidance Office.

TRANSPORTATION
For questions regarding transportation, contact the department at (330) 523-3118 or (330) 523-3119.

School bus transportation is a privilege and not a right. Students are expected to adhere to the Code of Student Behavior at all times, violations of which may result in disciplinary action by the administration. Video cameras are installed on busses for the purpose of monitoring student behavior. Students must comply with the directions of the bus driver. Drivers report all misconduct to the transportation supervisor who then consults with building administrators. The following items are prohibited on the busses: Pets, large boxes, sleds, balloons, lawn chairs, skateboards, golf clubs, lacrosse sticks, dangerous weapons, costumes, masks, and baseball bats. Please note: This is not a comprehensive list.

UNAUTHORIZED USE OF YEARBOOK AND WEBSITE
Unauthorized use of the yearbook and website content or photographs is prohibited. None of the material may be copied, modified, reproduced, posted, published, transmitted, and/or distributed in any form without prior written permission from Revere Local Schools.

VACATIONS
We recognize that circumstances may arise that could necessitate a student accompanying his/her parents on a vacation. Students are responsible for the completion of the Pre-Arranged Absence form from the Attendance Office prior to the vacation and obtaining the signature of the building administrator. These days are considered and counted as part of the 6 class limit per course each trimester. All make-up work is the responsibility of the student. Any tests/exams missed shall be made up upon the student’s return to school (including the end of the school year).

VALUABLES
Students are cautioned not to bring large amounts of money or other valuables to school. Students, not the school, are responsible for their personal property. Lockers must remain secured and combinations are confidential and not to be shared with others. **Lock valuables in lockers at all times.**
VIDEO AND AUDIO RECORDING DEVICES
Video and/or audio recording devices are not to be used at school without permission from school personnel. **This includes the use of these functions on cell phones.**

VISITORS
All visitors, including alumni, must report to the office immediately and secure a pass. Students from other schools are not permitted to visit unless they plan to enroll at RHS. These student visitors must present a pass and be escorted by a Revere High School student throughout the day. Arrangement must be made with the guidance office or administration prior to the day of the planned visit. Prior arrangements reduce disruptions and increase security.

VOLUNTEER HOURS FOR CREDIT
Revere High School students are encouraged to give to others through service. Arrangements for volunteer credit must be made through the volunteer office prior to beginning the volunteer hours. We offer credit for volunteerism according to these guidelines: 30 hours = 1/4 credit, 60 hours = 1/2 credit, 90 hours = 3/4 credit, and 120 hours = 1 credit

WORK PERMITS
Any student under the age of 18 years of age and employed regular hours may obtain a work permit through the Attendance Office.

WITHDRAWALS, TRANSFERS AND CHANGE OF ADDRESS
A student should notify the Guidance Office in advance of transferring or withdrawing from school. The student must obtain a withdrawal form from the Guidance Office. All teachers must sign this form after textbooks are returned and all financial obligations are satisfied. The form is returned to the Guidance Office when it is completed. No transfers or withdrawals will be issued until the form is returned. Students who change their addresses, telephone numbers or emergency information should report these changes to both the Guidance Office and to the Attendance Office.
REVERE LOCAL SCHOOL DISTRICT
CODE OF CONDUCT FOR
EXTRA-CURRICULAR ACTIVITIES

1. Participation in Extra-Curricular Activities is a Privilege
Participation in extra-curricular activities is a privilege, which can provide many benefits to a student. Those students who choose to participate in extra-curricular activities are expected to conduct themselves as young men and women and should understand that they are expected to follow certain rules and regulations if they participate in such activities. This Extra-Curricular Code of Conduct applies to students who participate in any extra-curricular activity, which is not required as a part of the regular school curriculum.

This Code of Conduct is in effect during the school day, at school sponsored or school-related activities, regardless of whether on or off school property, and any time the student is out of school, including breaks and vacations. Therefore, a student may be prohibited from participating in extra-curricular activities for misconduct, regardless of where or when such misconduct occurs.

2. Implementation and Duration of Policy
This Code of Conduct for Extra-Curricular Activities is a guideline to Board Policy 5610.05, Prohibition from Extra-Curricular Activities. A student subject to discipline under this Extra-Curricular Code of Conduct may also be subject to discipline in accordance with the Code of Student Behavior. Any student disciplined in accordance with the Code of Conduct for Extra-Curricular Activities is not entitled to notice, a hearing, or an appeal before the Board of Education, an administrative agency, or a court of law.

On the first meeting date of the extra-curricular activity, the coach or activity advisor shall review the Code of Conduct for Extra-Curricular Activities and Code of Conduct Application with the students. Each student shall receive a copy of both documents to review with his/her parents. The student and his/her parent/s are required to sign and return the Code of Conduct Application to the coach or activity advisor on the next meeting date scheduled for that activity. Any student joining an activity after its first meeting date will be presented the Code of Conduct for Extra-Curricular Activities and Code of Conduct Application when he/she joins the activity. The student shall return the signed Code of Conduct Application on his/her second meeting after joining the activity.
The signature represents that the parent and the student have received a copy of the Code of Conduct for Extra-Curricular Activities, and have had the opportunity to review it. A student and parent shall sign a Code of Conduct Application for each extra-curricular activity in which the student participates. A student shall be subject to the Code of Conduct for Extra-Curricular Activities regardless of whether a signed Code of Conduct Application is returned.

Violations shall be cumulative during a student's career at Revere High School. In situations where a student is concurrently a member of more than one co-curricular activity, participation in all activities shall be impacted accordingly.

This Extra-Curricular Code of Conduct is a guideline for the coach, advisor, athletic department and administration; a student's misconduct will be reviewed on a case-by-case-basis. The Board of Education, the Administration, the Athletic Department, the Coach and/or the Activity Advisor reserves the right to amend and/or deviate from these guidelines, as they deem necessary and reasonable.

3. General Conduct Violations
   a. Types of General Conduct Violations
      The advisor or coach in charge of any elective activity or an administrator may limit or deny a student's participation in all extra-curricular activities as a result of the student's misconduct which is reasonably determined by the advisor, coach, or administrator to be disruptive of the activity, good order and discipline of the school, or the authority of the school personnel in charge.

      Examples of the types of misconduct, which may result in such disciplinary action includes, but are not limited to, the following:

      1) Failure to follow the rules and regulations of the Revere High School Student/Parent Handbook;
      2) Failure to follow any team/group rules established by the advisor/coach;
      3) Failure to follow any training regulations, safety requirements, or other directions set forth by the advisor/coach;
      4) Any form of insubordination toward an advisor/coach; and/or
5) Engaging in any conduct, which materially and substantially interferes with the educational process of the elective activity, including the use of obscene or profane language or gestures.

b. **Penalty Assessment for General Conduct Violations**
   A student may be removed from participation in the specific activity for a period to be determined by the advisor, coach, or administrator. Other actions may be taken as deemed appropriate by the administration or the person responsible for the activity.

4. **Major Conduct Violations**
   a. **Types of Major Conduct Violations**
      The advisor or coach in charge of any elective activity, or an administrator may limit or deny a student's participation in all extra-curricular activities as a result of a student's major misconduct.

      Examples of the types of major misconduct, which may result in such disciplinary action includes, but are not limited to, the following:

      1) Possession, handling, transmitting, concealing, using, consuming, selling, conspiring to sell, purchasing, or under the influence of illegal drugs, counterfeit controlled substances, look-alike substances, drug paraphernalia, inhalants, tobacco, near-beer, and/or alcohol.

      2) The unauthorized use and/or distribution of over-the-counter medication or prescription medication.

      3) A charge, conviction and/or adjudication of a criminal activity in a court of law (other than a minor traffic violation).

      4) Theft and/or destruction of personal or school property.

      5) Possession, concealment, use, threat of use, or exhibition of a firearm or other weapon, or look-alike weapon.

b. **Penalty Assessment for Major Conduct Violations**
   1) **First Offense:** Removal from Extra-Curricular Activities.
a) A meeting with the coach, advisor, administrator, student, and parent/s or guardian regarding the misconduct; AND

b) The student shall be suspended from participating in 20% of the scheduled activities in which the student participates. If 20% of the activity does not remain, the penalty will be carried over into the next activity in which the student participates; AND

c) Suspension from all extra-curricular activities will continue for one year, from the date of the meeting, unless the student:

   (1) Cooperates with an agency or individual approved by the Administration that addresses the student's misconduct (i.e., chemical use for the purpose of assessment or assistance with criminal prevention); or

   (2) Enrolls in and participates in a school-run program designed to assist students who are at-risk or involved with drugs and/or alcohol.

2) Second Offense: Removal of Extra-Curricular Activities for One Year.

a) A meeting with the coach, advisor, administrator, student, and parent/s or guardian regarding the misconduct; AND

b) The student will be removed from extra-curricular activities for one year, from the date of the meeting; AND

c) Suspension from all extra-curricular activities will continue indefinitely, unless the student:

   (1) Cooperates with an agency or individual approved by the Administration that addresses the student's misconduct (i.e., chemical use for the purpose of assessment
or assistance with criminal prevention); or

(2) Enrolls in and participates in a school-run program designed to assist students who are at-risk or involved with drugs and/or alcohol.

d) A student may re-enter the extra-curricular activities if the following criteria are voluntarily accepted and successfully completed:

(1) Removal from the activities the student is participating in for the duration of that activity (minimum participation loss of 40% of the activity time). If that full 40% is not possible for that particular activity, the total and/or remaining percentage will carry over to the student's next activity in which he/she participates; and

(2) Attend appropriate meetings intended to assist in rehabilitation and/or educate the student as to what the consequences may be if this type of behavior continues.

3) **Third Offense:** Removal from Extra-Curricular Activities for Entire High School Career

a) A meeting with the coach, advisor, administrator, student, and parent/s or guardian regarding the misconduct; AND

b) Removal from extra-curricular participation, from the date of the meeting, for the duration of the student's high school career.

c) The student may, after one year, from the date of the meeting, request the Board of Education, or its designee, reconsider the third offense penalty.
During the meeting, the Coach, Activity Advisor, Athletic Department, Administration, and/or Board of Education may consider alternatives to said removal, if applicable.

c. Any and all costs associated with agencies, rehabilitation, counseling, intervention and/or educational services discussed in the penalty assessment shall be the responsibility of the student and his/her parent.

Nothing in this Extra-Curricular Code of Conduct shall prevent a coach, activity advisor or administrator from removing a student on an emergency basis, for a specific period of time, if the student's conduct threatens the health and safety of any individual, or disrupts the good order and discipline of the environment of the extra-curricular activity.
Revere Reunification Method

Parent/Guardian Information Sheet

Student/Parent/Guardian/Authorized Person Reunification
Circumstances may occur at the school that will require parents to pick up their students in a formalized, controlled release. The process of controlled release is called a reunification and may be necessary due to weather, a power outage, hazmat, or if a crisis occurs at the school. The Standard Revere Reunification Method is a protocol that makes this process more predictable and less chaotic for all involved.

Because a controlled release is not a typical end of school day event, a reunification may occur at a different location than the school a student attends. If this location is another school, then those students may be subject to a controlled release as well.

Notification
Parents may be notified in a number of ways. The school or district may use Blackboard Connect and/or social media. In some cases, students may be asked to send a text message or make a phone call to their parents. A reunification text message from a student may look something like this: “The school has closed, please pick me up at 3:25 at the main entrance. Bring your ID.”

Parent/Guardian/Authorized Person Expectations
If a parent or guardian is notified that a controlled release and reunification is needed, there are some expectations that parents or guardians should be aware of. First, bring identification. That will streamline things during reunification. Second, be patient. Reunification is a process that protects both the safety of the student and provides for an accountable change of custody from the school to a recognized custodial parent, guardian or authorized person.

What if a Parent /Guardian Can’t Pick-up Their Student?
When a parent/Guardian can’t immediately go to the reunification site, students will only be released to individuals previously identified as a
student’s emergency contact. Otherwise, the school will hold students until parents/guardians or authorized person can pick up their student.

**What if the Student Drove to School?**
There may be instances where a student may not be allowed to remove a vehicle from the parking lot. In this case, a parent/guardian or authorized persons are advised to recover the student. In some circumstances, high school students may be released on their own.

**How it Works**
For students, the school asks that students be orderly and quiet while waiting. Students may be asked to text a message to their parents or guardian. Students are also asked not to send other text messages either in or out of the school or reunification area. Keeping the cellular network usage at a minimum may be important during a reunification.

**Reunification Cards**
For parents/guardians/authorized persons, there are a couple steps. If a parent/guardian/authorized persons is driving to the school, greater awareness of traffic and emergency vehicles is advised. Once at the school, you should park where indicated and not abandon your vehicle. You will then be asked to go to the Reunification “Check In” area and form lines based on the first letter of their student’s last name. While in line, you will be asked to fill out a Revere Reunification Form. This form is perforated and will be separated during the process. In the case of multiple students being reunified, a separate form will need to be completed for each individual student.

*Example image of Revere’s Reunification Form is below*
Bring Valid ID to Check In
During check in, identification and custody rights are confirmed. From the “Check In” area parents/guardians/authorized persons are directed to the “Reunification” area once ID is validated. There, a runner will take the bottom half of the form and take it to the Student Assembly Area to recover the student or students.

Parents should be aware that in some cases, they may be invited into the building for further information.

Interviews and Counseling
In some cases, parents/guardians or authorized persons may be advised that a law enforcement investigation is underway and may be advised that interviews are necessary. In extreme cases, parents/guardians or authorized persons may be pulled aside for emergency or medical information.

ABSENCES AND PARTICIPATION
Students **must be in attendance the entire school day** in order to be eligible for extracurricular, co-curricular, and curricular participation. This includes but is not limited to athletics and field trips. Exceptions to this policy will be reviewed by the administration.

ACADEMIC INTEGRITY
Students are expected to present only their work for any assignment, project, or assessment. Presenting another’s work as one’s own is considered cheating and/or plagiarism. Students may also be referred to administration for further disciplinary action.

ACCIDENTS
Student safety is the responsibility of both students and staff. All injuries and accidents on school grounds must be reported to a staff member. State law requires that all students complete an Emergency Medical Authorization form, signed by a parent and or/guardian, and filed in the school’s main office.

ATTENDANCE
**Richfield Attendance Number**
330-523-3604 or 330-523-3603

1. A phone call from a parent or guardian is expected before 10:00 a.m. on the day the absence occurs.
2. A note is requested from a parent or guardian when the student returns to school. **All work for all absences can and is expected to be made up by the student.**

Each parent, guardian, or custodian having charge of a child of compulsory school age must send the child to school for the entire time the school attended is in session (ORC 3321.04). Students are more likely to succeed in school, academics, and building skill sets when they consistently attend school. Excessive absences interfere with students’ progress in mastering knowledge and skills necessary to be prepared for higher education and the workforce upon high school graduation. Because of this, in December 2016, Ohio legislature passed House Bill 410 to proactively address excessive absences and truancy. By law, once a student accumulates 38 hours of absence per month or 65 hours per year, they will be considered excessively absent and referred to the district’s at-risk student coordinator. The student and family may be required to participate in an intervention program or be referred to the Summit County Juvenile Court as necessary.

AUTHORIZED EXCUSED ABSENCES
Absences for the following reasons shall be considered as excused:

A. Personal illness.
B. Serious illness or death of a family member.
C. Funeral.
D. Medical and dental appointments that cannot be arranged during non-school hours.
E. Unusual or emergency situations at home.
F. Religious holidays and activities.
G. Authorized school-sponsored activities.
H. Approved college visits.
J. Quarantine.
K. Out-of-state travel, not to exceed 24 hours per school year that the student’s school is open for instruction, for participation in an enrichment activity approved by the Board of Education or an extracurricular activity, defined as a student activity program operated by the District but not included in a graded course of study.
L. At the Superintendent’s discretion, a visit with a parent or legal guardian who is an active duty member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Commissioned Corps of the National Oceanic and Atmospheric Administration and Public Health Service and who has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

An absence for any reason other than those listed above shall be classified as unexcused.
All excuses from parents, as well as other documents pertaining to a student’s enrollment, attendance, and withdrawal from the District, shall become a part of the official attendance record and shall be maintained regardless of format or condition.

A student shall have the opportunity to make up school work missed due to an excused absence; however, it shall be the responsibility of the student to initiate a make-up procedure and schedule with his or her teacher(s). All make-up work shall be completed within the number of days missed following the excused absence. A student shall receive full credit for school work made up pursuant to an excused absence.

The principal or his or her designee may request written verification of a student’s illness from a physician licensed to practice medicine in the state in the event of frequent or extended absences attributed to personal illness.

A student must be in attendance at school for half of the school day in order to participate in any school-sponsored activity that is conducted on that day; in cases of emergency the principal or his/her designee may grant an exception to this limitation.

LEGAL REFS: O.R.C. §§3301.60; 3321.041; 3321.13
Ohio Department of Education EMIS Manual, Section 2.1.1: Student Enrollment Overview, Version 4.0 (2017)
Adopted: December 19, 2017

CELLULAR PHONES/ELECTRONIC COMMUNICATION DEVICES
Cell phones and electronic communication devices are to be turned off and kept in book bag while school is in session. Student use of cell phones or non-district issued electronic communication devices is prohibited while school is in session. Text messaging is not permitted. Any device that is deemed turned on, makes a noise or vibrates, or otherwise calls attention to itself will be considered a disruption and subject to confiscation by staff. Each offense of this policy requires retrieval of the device by the parent from administration. The student may also face additional disciplinary action by administration.

CLASSROOM EXPECTATIONS
All students are expected to comply with the Code of Student Behavior during classroom instruction. Violations of the Code of Student Behavior will not be tolerated and may require further disciplinary action by administration.

COMPUTERS
Policies governing the use and/or misuse of computers and technology are included in the Revere Board of Education policy guidelines and Code of Student Behavior. Use of school computers is dependent upon annual receipt of a Computer Technology Usage Form signed by the parent/guardian and student.

CODE OF STUDENT BEHAVIOR, GRADES K–12

DISCIPLINE
In order to foster a trust and respect between staff and students, guidelines must be developed for the purpose of providing fair and just treatment for students who violate the offenses listed in this handbook. When breaches of school rules and regulations occur, it is the responsibility of the involved teachers and administrators to work with the student, his parents and other personnel to help the student correct his behavior. All disciplinary actions should help to protect the welfare of the school community as well as help the student to develop self-discipline.

The following guidelines have been developed for the purpose of providing fair and just treatment for students who violate the rules listed in this handbook.

A. To protect the rights of students, staff and public, all offenses shall be thoroughly investigated and properly recorded. This may include a conference with the students involved in an incident and a search of the student, student's belongings, student's assigned school locker(s), car or other school property based upon "reasonable suspicion" that a dangerous situation exists.

B. In seeking a solution of the offenses, there shall be appropriate alternatives such as one, or a combination of the following actions, but not necessarily in the order appearing below:
1. Conference with the student to clarify the problem and to insure full understanding of consequences of future misbehavior.
2. Assignment of additional task(s), which may or may not interfere with the academic or after-school programs.
3. Assignment of detentions.
4. Conference with parents to secure cooperation at the home in regaining student behavior.
5. Referral to counselor, school psychologist or Intervention Assistance Team for guidance, testing or therapy.
6. Referral to Juvenile Court.
7. Emergency removal in accordance with State law, including curricular and extracurricular activities.
8. Suspension: To refer to "out-of-school" in accordance with State law covering both curricular and extra-curricular activities. Suspension is the removal from all academic, extra-curricular and social events affiliated with the school.
9. Expulsion from school in accordance with State law.

C. Students enrolled in alternative program options are subject to all rules and regulations covered under the Code of Student Behavior and adopted by the Revere Board of Education.

**SUSPENSION PROCEDURE**

A. Out-of-School Suspension:
Suspension (out-of-school) is defined as the denial of attending school for the period of at least one (1) but not more than ten (10) school days. Students suspended may not take part in or attend any school activities, or be on school property. Suspension may extend beyond the current school year, if at the time a suspension is imposed; fewer days remain in the school year than the term of the suspension. The Superintendent may apply any or all of the period of suspension to the following year.

B. In case of a student's intended removal from school for purposes of suspension, the following procedures shall be enacted:
1. Only the principal, assistant principal, superintendent or any other authorized administrator may suspend.
2. The student shall be informed in writing of the intended suspension and reasons for the proposed action.
3. The pupil and/or his parent(s) shall be provided an opportunity for an informal hearing to discuss the reason for the intended suspension and/or otherwise explain his/her actions.
4. An attempt shall be made to notify his/her parent(s), guardian or custodian by telephone of the suspension and the reason for it.
5. Within one (1) school day of the suspension the Superintendent, principal, or other administrator will notify the parents, guardians, or custodians of the student by certified mail and the Treasurer of the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.
6. Should a student enrolled at the Cuyahoga Valley Career Center be suspended from the career center for a conduct code violation, which would also be grounds for suspension in the home school district, the suspension of such student also will be in effect at the home school district. The student shall be notified of that suspension by the home school district in accordance with the normal suspension procedure.
7. Simultaneous written notice of the suspension shall be sent to (a) student's discipline file; (b) Superintendent; (c) Treasurer of the Board of Education.

**EMERGENCY REMOVAL PROCEDURES**

Definition: The term "emergency removal" shall be understood to mean the removal of a student from curricular or extra-curricular activities or from the school premises because the student's presence poses a continuing danger to persons or property, or is an ongoing threat or disruption to the academic process. In all cases of emergency removal where a student is removed from a curricular or extra-curricular activity for less than twenty-four (24) hours, the staff person initiating the removal shall submit to the principal, the reasons in writing for the removal.
If it is intended that the student is removed from a curricular or extra-curricular activity for more than twenty-four (24) hours, a due process hearing will be held within three (3) school days after a removal is ordered.
1. An attempt should be made to notify his/her parents, guardian or custodian immediately by telephone of the pending action and the reasons for it.
2. Written notice of the hearing and reasons for the removal and any intended disciplinary action must be given to the pupil as soon as possible prior to the hearing.
3. The person who ordered or requested the hearing must be present at the hearing.
4. If suspension or expulsion is intended, the due process requirement of the law must be carried out in accordance with the applicable procedural requirements in Board Policy and State Law.

EXPULSION PROCEDURES
Definition: The term "expulsion" shall be understood to mean exclusion of a student from all school attendance and related activities for the remainder of the current semester, or for a period of up to 80 school days, unless otherwise addressed in this Code. The Superintendent of Schools may expel a pupil in accordance with procedure outlined by Ohio Statute. Exclusion from school attendance by expulsion is the most severe remedy available to the school for disciplinary infractions.

The Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy.

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

Prior to expulsion, the Superintendent shall follow the following procedures:
1. Give the Pupil and his/her parent, guardian or custodian written notice of the intention to expel. The notice must advise the student and his/her parent, guardian or custodian or other representatives of their right to appear in person before the Superintendent or his designee to challenge the reasons for the expulsion. The notification must carry the place and time of the hearing, which must take place no earlier than three (3) school days and not later than five (5) school days after the notice is sent. The Superintendent may grant an extension of time upon request provided all parties involved are notified. If the student is 16 years old or older and the intent to expel is based on an offense for which a permanent exclusion may be requested, the written notice must include a statement that the Superintendent may seek permanent exclusion.
2. Arrange for a hearing to be conducted by the Superintendent or his designee under the guideline established by the individual conducting the hearing. Within one school day after the time of the expulsion, the Superintendent shall send written notice to the student and his/her parent, guardian or custodian, and the Treasurer of the Board of Education. The notice shall specify the duration of the expulsion and the reasons therefore. The expulsion may extend beyond the current school year, if at the time an expulsion is imposed, fewer days remain in the school year than the term of the expulsion. The Superintendent may apply any or all of the period of expulsion to the following year. It also shall include notification of the rights of the student, his/her parent, guardian or custodian, to appeal the expulsion to the Board of Education or to its designee within fourteen (14) calendar days of the date of the notification in order to be heard against such expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the expulsion, and to request that such a hearing be held in executive session.
3. If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.
Appeal - Within fourteen (14) calendar days of the date of the notification of the student expulsion, the student (if eighteen years old or older), the parent, guardian or custodian may appeal the expulsion. The request for appeal should be submitted in writing to the Treasurer for the Board of Education or the Superintendent. A hearing shall be scheduled and the requesting parties notified of the time for the hearing which may be extended by mutual agreement. The student or his parent, guardian or custodian may be represented in the appeal proceedings. The Board may affirm the order of expulsion or reverse, vacate or modify the order of expulsion. The Board shall determine the procedures to be followed during the hearing. A verbatim record shall be made.

Should a student enrolled at the Cuyahoga Valley Career Center be expelled from the Career Center for a conduct code violation, which would be grounds for expulsion in the Home School District, the student will be expelled from the Home School District in accordance with the normal expulsion procedure.

LIMITATIONS ON THE DISCIPLINING OF HANDICAPPED STUDENTS

A handicapped student is one whose education is governed by an Individualized Education Plan (IEP). Unless their IEP provides otherwise, handicapped students may be suspended for a period not to exceed ten (10) days per year without convening a placement or IEP conference. Discipline may result in removal from school for more than ten (10) school days if it is determined that the behavior is not a manifestation of the student’s handicapping condition. In such a removal beyond ten (10) school days, the special education and/or related services of the IEP will continue as determined by the IEP Team. All handicapped students are subject to removal on an emergency basis described in the Code. Repeated violation of the Code may indicate that a change in the student's placement or IEP is necessary.

DISCLAIMER
The handbook may not include every item or incident that may occur in the building or on school grounds. Final resolution of each of these situations will be made by the school administration. Additional information about student conduct is found in the Code of Student Behavior. The handbook is not intended to be a manual of all the policies of the Revere Board of Education.

DROP OFF AND PICK UP PROCEDURES

Morning Drop Off
Students are encouraged to ride the bus to school. If you choose to bring your child, there are designated areas and procedures that parents must follow for the safety of all students.

All students are to be dropped off at the parent drop off location on the north side of the building by the gym beginning at 8:30 a.m. There is an adult present from 8:30 - 8:50 a.m. to assure the safety of each child. Any child coming in after 8:50 is tardy and must be signed in at the main office by a parent.

No drop off should take place in the bus lane in front of the school until after 8:40 a.m. If a parent has a need to enter the school with their child, he or she should park in a parking spot and come into the main office. All visitors at Richfield must sign in and be prepared to show a picture ID.

Afternoon Pick Up
Students are encouraged to ride the bus home from school. If you choose to pick up your child, there are designated areas and procedures that parents must follow for the safety of all students.

Parents must enter the building to pick up from the cafeteria. Please park your car in the north parking lot and enter the building using the doors by the gym. The doors will open at approximately 3:20 p.m. You will be asked for photo identification when signing out your child with the school staff. Keep in mind that with over 700 students, it is difficult to remember everyone’s name. Failure to produce proper identification, when requested, will result in your child not being permitted to leave.

The person who is picking up the student must be an adult/guardian or a person 18 years old or over who is listed on your emergency form. Do not send in students or other parents to pick up your child. If another person is picking up your child and is not on the emergency card, there must be a parent note sent in that morning which the child has given to the teacher granting permission for that pick up change.

DRESS CODE
We are committed to a safe and orderly learning environment for students that is free from distraction. Attire should not detract from the educational process; reasonable standards in dress and grooming apply. Compliance with the dress code is expected and non-compliance may be considered insubordination.

Any form of dress or hair style that is considered contrary to good hygiene or that is deemed distracting, disruptive, or detrimental to the routine operation of school is prohibited.

Clothing must be worn as designed. Clothing prohibited includes the following items and conditions; clothing that is skin-tight, ripped, cut-off, torn, having holes and/or frayed; pants worn below the waist/hip and are low hanging; sheer or mesh garments; tube tops; shirts that have less than a 3-inch strap; shirts that do not cover the midriff when standing and seated; hats, sun glasses, slippers, pajamas, bandannas/ head coverings, headbands/sweatbands; chains, any item advertising alcoholic beverages, drugs, tobacco, or weapons; or any item with obscene or questionable printing in violation of the Code of Student Behavior. This list is not all inclusive as these are only examples of inappropriate dress.

Shorts and skirts must be finger-tip length or longer from their shortest points and must meet other conventional standards of dress. Tight shorts and shirts with messages across the front or back are not permitted. Shoes must be worn throughout the day. “Flip-flops” or slip-on shoes are prohibited. Final determination of appropriate school attire rests with the school administration.
FIELD TRIPS
A completed student field trip permission form with teacher and parent/guardian signatures is required for
student participation. Teachers may decline approval for student field trip participation if the student’s
attendance or academic performance is of concern.

FINES AND FEES
All financial obligations incurred by students must be paid in full. All students are assessed a $40.00 student
fee for the 2019-2020 school year.

FIRE, SAFE SCHOOLS, AND TORNADO DRILLS
All drills are conducted periodically in accordance with state law. Safety routes are posted in each
classroom and in various locations in the building. It is expected students will follow the direction of staff
during drills and assist in the orderly completion of any drill. Anyone involved in causing a false fire alarm is
subject to the penalties defined in Ohio Revised Code section 2917.32.

HARASSMENT, INTIMIDATION, AND BULLYING

Introduction
Harassment, intimidation, and bullying of students in the school environment can substantially interfere with
their ability to learn, perform, and feel safe. Therefore, any conduct, communication, activity, or practice that
occurs at any time on school property, on a school bus, or during any school sponsored event, and at the
times and/or places set forth in the Code of Student Conduct, that constitutes harassment, intimidation, or
bullying involving students shall be strictly prohibited. Students who are determined to have engaged in such
behavior are subject to disciplinary action, which may include suspension or expulsion from school. Further,
any such conduct, communication, activity, or practice should be immediately reported to the building
principal or other responsible school employee. All reports of harassment not covered by this policy shall be
investigated in accordance with the policies applicable to the particular harassment.

To implement this policy and to address the existence of harassment, intimidation, or bullying in the schools,
the following procedures shall be followed:

A. Students must report acts of harassment, intimidation, or bullying to teachers, District
   employees, and/or school administrators;

B. The parents or guardians of students should file written reports of suspected harassment,
   intimidation, or bullying with the building principal or other appropriate administrator;

C. Teachers and other school staff who witness acts of harassment, intimidation, or bullying or
   receive student reports of harassment, intimidation, or bullying shall notify school
   administrators;

D. School administrators shall investigate and document any written or oral reports;

E. School administrators shall notify the custodial parent or guardian of a student who commits
   acts of harassment, intimidation, or bullying and the custodial parent or guardian of students
   against whom such acts were committed, and shall allow access to any written reports
   pertaining to the incident, to the extent permitted by O.R.C. §3319.321 and the Family
   Educational Rights and Privacy Act.

1. Definition of Harassment, Intimidation, or Bullying

In accordance with this policy, “harassment, intimidation, or bullying” means either of following:
A. Any intentional written, verbal, electronic, or physical act that a student has exhibited toward another particular student more than once and the behavior both:

1. Causes mental or physical harm to the other student; and

2. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student; or

B. Violence within a dating relationship.

“Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

The behavior prohibited by this policy is marked by the intent to ridicule, humiliate, or intimidate the victim. In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred, of the perpetrator.

2. Conduct Constituting Harassment, Intimidation, or Bullying

Such conduct can take many forms and can include many different behaviors having overt intent to ridicule, humiliate or intimidate another student. Examples of such conduct include, but are not limited to:

A. Physical violence and/or attacks.

B. Taunts, name-calling, and put-downs.

C. Threats and intimidation (through words and/or gestures).

D. Extortion or stealing of money and/or possessions.

E. Exclusion from the peer group or spreading rumors.

F. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as “cyber bullying”), such as the following:

1. Posting slurs on Web sites where students congregate on Web logs (personal online journals or diaries);

2. Sending abusive or threatening instant messages;

3. Using camera phones to take embarrassing photographs of students and posting them online;

4. Using Web sites to circulate gossip and rumors to other students;

5. Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers; and
G. Violence within a dating relationship.

3. Complaint Process

A. Formal Complaints

Students and/or their parents or guardians may file reports of conduct that they consider to be harassment, intimidation, or bullying. Such written reports shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review and action.

Teachers and other school staff who witness acts of harassment, intimidation, or bullying, as defined above, shall promptly notify the building principal and/or his/her designee of the event observed, and shall promptly file a written incident report concerning the events witnessed.

B. Informal Complaints

Students may make informal complaints of conduct that they consider to be harassment, intimidation, or bullying by verbal report to a teacher or administrator. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witness. A school staff member or administrator who receives an informal complaint shall promptly reduce the complaint to writing, including the information provided. Such written report by the school staff member and/or administrator shall be promptly forwarded to the building principal for review and action.

In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of harassment, intimidation, or bullying in other interaction with students. School personnel may find opportunities to educate students about harassment, intimidation, or bullying and help eliminate harassment, intimidation, or bullying behavior through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student, even if such conduct does not meet the formal definition of “harassment, intimidation, or bullying.”

4. Deliberately Making False Reports

Students are prohibited from deliberately making any false report of harassment, intimidation, or bullying. Students found to have violated this prohibition are subject to the full range of disciplinary consequences, up to and including suspension and expulsion.

5. Confidentiality

The right to confidentiality, both of the complainant and of the accused, will be respected consistent with the District’s legal obligation to the complainant, alleged harasser, and witnesses, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

6. Investigation

A. The investigator should remember that the investigation requires a balancing of the accused’s rights, the complainant’s right to an environment free of harassment,
intimidation, or bullying, and the Board of Education’s interest in a prompt and fair investigation.

B. The investigator shall meet with the complainant within a reasonable period of time from the time of making the complaint. However, the investigator is urged to meet with the complainant as soon as possible.

C. Following the meeting with the complainant, the investigator shall conduct an investigation to determine if harassment, intimidation, or bullying has occurred. The investigation shall include a conference with the accused and the complainant, as well as any and all other methods which are considered necessary to determine whether harassment, intimidation, or bullying has occurred.

7. Post-Investigation Procedures

A. Upon conclusion of the investigation, the investigator shall issue a written report. The report shall include a determination of whether the accused was found to have engaged in harassment, intimidation, or bullying, was found not to have engaged in harassment, intimidation, or bullying, or whether the investigation was inconclusive. The report shall be issued to the complainant’s parents. A copy of the report shall also be sent to the Superintendent or his/her designee.

B. A finding of no harassment, intimidation, or bullying or inconclusive evidence shall end the investigation.

C. If harassment, intimidation, or bullying is found to have occurred, the investigator shall recommend what steps are necessary to ensure that the harassment, intimidation, or bullying is eliminated for the victim and other individuals affected by the harassment, intimidation, or bullying and to correct its effects on the complainant and others, if appropriate.

8. Retaliation is Prohibited

Retaliation against those who file a complaint or participate in the investigation of the complaint is prohibited. Therefore, filing of a complaint or otherwise reporting harassment, intimidation, or bullying will not reflect upon the student’s status, nor will it affect future employment, grades, or work assignments. Further, the administrator is directed to implement strategies for protecting a victim from retaliation following a report.

9. Remedial Actions

Verified acts of harassment, intimidation, or bullying shall result in intervention by the building principal or his/her designee that is intended to assure that the prohibition against harassment, intimidation, or bullying behavior is enforced, with the goal that any such harassment, intimidation, or bullying behavior will end as a result.

Harassment, intimidation, or bullying behavior can take many forms and can vary in how serious it is, and what impact it has on the targeted individual and other students. Accordingly, there is no one prescribed response to verified acts of harassment, intimidation, or bullying. While conduct that rises to the level of “harassment, intimidation, or bullying” as defined above will generally warrant disciplinary action against the perpetrator of such harassment, intimidation, or bullying, whether and to what extent to impose disciplinary action (detention, in and out-of-school suspension, or expulsion) is a matter for the professional discretion of the building principal.
10. Non-Disciplinary Interventions

When verified acts of harassment, intimidation, or bullying are identified early and/or when such verified acts of harassment, intimidation, or bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of harassment, intimidation, or bullying, its prohibition, and their duty to avoid any conduct that could be considered harassment, intimidation, or bullying. If a complaint arises out of conflict between students or groups of students, peer mediation may be considered.

11. Disciplinary Interventions

When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Suspension is a possible consequence for a student found responsible for harassment, intimidation, or bullying by an electronic act.

12. Strategies for Protecting Victims or Other Persons From New or Additional Acts

A. Supervise and discipline offending students fairly and consistently;

B. Maintain contact with parents and guardians of all involved parties;

C. Provide counseling for the victim if assessed that it is needed;

D. Inform school personnel of the incident and instruct them to monitor the victim and the victim’s friends or family members and the offending party for indications of harassing, intimidating, and bullying behavior. Personnel are to intervene when prohibited behaviors are witnessed;

E. Check with the victim and the victim’s friends or family members to ensure that there has been no new or additional incidents of harassment/intimidation/bullying or retaliation of the victim or other persons from the offender or other parties.

F. If necessary to protect a person from new or additional acts of harassment, intimidation, or bullying, and from retaliation following a report, a person may make an anonymous report of an incident considered to be harassment, intimidation, bullying, or retaliation by providing written information to any staff member or administrator. The report should include as much information as possible and shall be forwarded promptly to the building principal for review and action.

In addition to the prompt investigation of complaints of harassment, intimidation, or bullying and direct intervention when acts of harassment, intimidation, or bullying are verified, other District actions may ameliorate any potential problem with harassment, intimidation, or bullying in school or at school-sponsored activities. While no specific action is required and school needs for such interventions may vary from time to time, the following list of potential intervention strategies shall serve as a resource for administrators and school personnel:

A. Respectful responses to harassment, intimidation, or bullying concerns raised by students, parents or school personnel;

B. Planned professional development programs addressing bully/targeted individuals’ problems;
C. Data collection to document bully/victim problems to determine the nature and scope of the problem;

D. Use of peers to help ameliorate the plight of victims and include them in group activities;

E. Avoidance of sex-role stereotyping (e.g. males need to be strong and tough);

F. Awareness and involvement on the part of all school personnel and parents with regards to bully-victim problems;

G. An attitude that promotes communication, friendship, assertiveness skills, and character education;

H. Modeling by staff of positive, respectful, and supportive behavior toward students;

I. Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior by students in support of others;

J. Employing classroom strategies that instruct students how to work together in a collaborative and supportive atmosphere; and/or

K. Forming harassment, intimidation, and bullying task forces, programs, and other initiatives involving volunteers, parents, law enforcement, and community members.

This policy shall appear in student handbooks, and in the publications that set forth the comprehensive rules, procedures, and standards of conduct for schools and students in the District. The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students and their custodial parents or guardians. Information regarding the policy shall be incorporated into employee training materials.

Orientation sessions for students shall introduce the elements of this policy and procedure. Students will be provided annually with age-appropriate instruction on the recognition and prevention of harassment, intimidation, or bullying, including discussion of the consequences of violating this policy, and their rights and responsibilities under this and other District policies, procedures, and rules at student orientation sessions and on other appropriate occasions.

A District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy adopted pursuant to this section if that person reports an incident of harassment, intimidation, or bullying promptly in good faith and in compliance with the procedures as specified in the policy.

The Administration shall annually send to each student’s custodial parent or guardian a written statement describing this policy and the consequences for violating it. The Administration shall semi-annually provide the president of the Board a written summary of all reported incidents and post the summary on the District’s website to the extent permitted by state and federal student privacy laws.

ILLNESS AT SCHOOL
The facilities of our school clinic are available for any student who becomes ill or injured during the school day. Care must be taken at all times to report all illnesses and injuries to the office. If a student has a need for the clinic service, the student should make sure the teacher in charge knows where he/she is going and then report immediately to the office and then the clinic. If unable to return to the classroom, he/she may be excused to go home. Parents will be contacted by the office or clinic. If your student has a fever, vomits or symptoms requiring them to go home, they must be symptom free for 24 hours to return to school.

LIBRARY
Fines are charged on overdue or damaged items. Students are expected to follow library regulations or they may forfeit access to the library.

MAKE-UP ASSIGNMENTS
Whenever a child has been ill or away from school, the child will be helped to make up some of the work missed. Obviously, not all can be made up. The teacher will work with the child and, if necessary, the parent, to minimize the absence and its effect of the child’s education. In some cases of extended absences, due to illness, tutoring may be available.

MEDICATION
The administration of any medication to a student by school personnel requires the completion of necessary forms by the parent /guardian. Forms are distributed at the beginning of the year and are available in the Main Office. Both a parent /guardian and a physician must complete and sign the form. Medicine to be dispensed at school must be in its original prescription bottle. The school or its employees cannot provide aspirin or any other over-the-counter medication.

OUT OF SCHOOL SUSPENSION
The student may make up any available missed assignments or tests during out of school suspensions. It is strictly the student’s responsibility to determine what work is missed by checking Progress Book or contacting a fellow classmate for information. Teachers are not responsible for providing make-up information or assignments. It may not be possible to make up class participation activities. All missed assignments are due the day the student returns to school from the out-of-school suspension. The student must make arrangements through their classroom teachers to complete any tests or quizzes.

PROGRESS BOOK AND REPORT CARDS
Academic progress is reported through various methods such as Progress Book, Interim Reports, and Report Cards. Conferences are encouraged at any time and parents may contact teachers for appointments. For questions about access to Progress Book, the online grade report program, please call (330) 523-3407.

PUBLIC RECORDS
A request for public records must go through the Treasurer’s Office, as the Treasurer is the designated Records Officer for the Revere School District.

RECESS DURING WINTER WEATHER
Students go outside for recess every school day regardless of the weather unless it is extremely cold or raining. Please have children wear appropriate clothing and shoes for recess. When there is snow on the ground students must be wearing snow boots, coats, snow pants, and gloves to play in the snow. Please be sure to label all belongings with your child’s first and last name.
SCHOOL BUS PROCEDURES

Safe school transportation is considered an integral part of the total educational program within the Revere School System. Riding a school bus is a privilege. The primary purpose of the school bus is to transport pupils to and from school safely. The Revere School District recognizes that a safe school bus requires the cooperation of our parents, students, and school staff. Please read the following duties and responsibilities of school bus passengers carefully, and do your part to stress the importance of an accident-free school bus transportation program to your child.

Riding the school bus is a privilege extended to students that can be taken away anytime for disruptive or unsatisfactory behavior. All children being transported are under the authority of the bus driver and must obey the driver’s directions. The school bus drivers are in charge while students are on buses. If your child is to go home any way other than by bus, the student is to bring a written note from home stating this. Otherwise, the child goes home on the bus.

The following bus regulations are in effect:
1. Students boarding the bus from the right side of the road must stand back in a safe designated spot and wait until the bus comes to a complete stop and the red lights are flashing before approaching the bus. Students boarding from the left will use the same rules as the right side, but must wait for the driver to give a hand signal to cross the street.
2. Students must carry backpacks and other bags in front of them when boarding and disembarking the bus. No key chains of any kind can be on the backpacks.
3. While on the bus, the pupil is under authority of, and directly responsible to the bus driver.
4. Upon entering the school bus, the pupils shall take their assigned seats. Pupils shall remain seated at all times, facing forward in the seat. The aisle must be kept clear at all times. No arms, legs, feet or parcels shall extend into the aisle way at any time. This is a state law. All backpacks and bags must be held on their laps. Nothing is to be stored under the seat. Any over-sized project for school may not be transported by bus.
5. Pupils should conduct themselves on the school bus as they would in the classroom except that a reasonable amount of quiet conversation is permissible. Yelling to one another is not permitted.
6. Eating or drinking on the bus is not permitted at any time.
7. Pupils shall not smoke or light matches or cigarette lighters, or cause any other flammable material to burn on or near the bus.
8. Pupils causing damage of any type to the school bus will be held liable for the cost of repairing the damage to the bus. Students causing willful and malicious damage will be denied the privilege of riding the bus to school.
9. Permission must be given by the bus driver before any windows may be opened. No throwing of any objects out of the windows is allowed. No pencils, pens or any sharp objects are permitted out of bookbags while student is on the bus.
10. Carrying of any dangerous objects or materials (such as knives, guns or fireworks) is an automatic suspension of bus riding privileges. The following items may not be transported on the bus: glass containers, skateboards, lawn chairs, balloons, large boxes, lacrosse or hockey sticks, golf clubs, skis, plastic sleds, baseball bats. All soccer balls, footballs, basketballs, etc. may be transported if they are contained either in a closed bag or backpack.
11. The Board of Education is required by state regulations to designate all bus stops. Bus stops have been placed in locations throughout the district that have, through the years, proven safe for loading and unloading students. Due to the number of students transported, an effort has been made to locate stops so that no student has to walk more than one half mile to a bus stop. The exception to this would be students living on spur roads not traveled by Revere school buses. Parental assistance is requested in seeing that the children arrive safely to and from the stop.
12. All pupils will load and unload from the buses only at designated stops. When on schedule, the bus cannot wait for tardy pupils. Pupils are to be at their designated bus stop five minutes before the bus is scheduled to arrive. When ahead of schedule the driver shall wait until the bus is on schedule for the
stop. Transfer of a pupil from his regular bus will be permitted only in case of hardship. A signed note from the parent must be presented to the principal’s office in advance.

13. Bus drivers are to report discipline cases on the bus to the Transportation Supervisor. The Transportation Supervisor will consult with the pupil’s school principal after a reported infraction of the bus rules. Continued disorderly conduct or refusal to submit to authority of the bus driver shall be sufficient reason for refusing transportation service to any pupil. The administration shall follow the procedures outlined for suspending a pupil from school.

**SCHOOL TRANSPORTATION PRIVILEGES**

If the Superintendent and/or designee determine that a student's behavior on a school vehicle violates school rules, he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Prior to such suspension, the Superintendent shall notify the student of the intended bus suspension and afford the student the opportunity to respond to the intended suspension or otherwise defend himself.

**SCHOOL CLOSINGS**

In the event of inclement weather or a calamity, school may be closed or starting time delayed. The same conditions may also necessitate early dismissal. School closings, delays in starting time, or early dismissals will be announced via the Alert Now notification system. If no report is heard, it can be assumed that school will be in session.

**TELEPHONES**

Students should ask to use the telephones only in case of an emergency. Permission must be granted by the classroom teacher. Arrangements for after school activities should be made before coming to school.

**UNAUTHORIZED USE OF YEARBOOK AND WEBSITE**

Unauthorized use of the yearbook and website content or photographs is prohibited. None of the material may be copied, modified, reproduced, posted, published, transmitted, and/or distributed in any form without prior written permission from Revere Local Schools.

**VACATIONS DURING SCHOOL DAYS**

Regular, uninterrupted attendance is crucial to full academic achievement. Parents are urged to make every effort, whenever possible, to plan vacations when school is not in session. The length of time for completion of make-up work shall be commensurate with the length of absence.

**VIDEO AND AUDIO RECORDING DEVICES**

Video and/or audio recording devices are not to be used at school without permission from school personnel. *This includes the use of these functions on cell phones.*

**VISITORS TO RICHFIELD**

All adults are required to sign in at the office and wear a visitor sticker/badge at all times. During the school day all adults **must** enter the building through the main entrance by the flag pole on the east Revere Road. To protect instructional time and the safety of all students, visitors are not permitted to go to classrooms without an appointment or who are scheduled to volunteer.
Revere Reunification Method – Parent/Guardian Information Sheet

Student/Parent/Guardian/Authorized Person Reunification
Circumstances may occur at the school that will require parents to pick up their students in a formalized, controlled release. The process of controlled release is called a reunification and may be necessary due to weather, a power outage, hazmat, or if a crisis occurs at the school. The Standard Revere Reunification Method is a protocol that makes this process more predictable and less chaotic for all involved.

Because a controlled release is not a typical end of school day event, a reunification may occur at a different location than the school a student attends. If this location is another school, then those students may be subject to a controlled release as well.

Notification
Parents may be notified in a number of ways. The school or district may use Blackboard Connect and/or social media. In some cases, students may be asked to send a text message or make a phone call to their parents. A reunification text message from a student may look something like this: “The school has closed, please pick me up at 3:25 at the main entrance. Bring your ID.”

Parent/Guardian/Authorized Person Expectations
If a parent or guardian is notified that a controlled release and reunification is needed, there are some expectations that parents or guardians should be aware of. First, bring identification. That will streamline things during reunification. Second, be patient. Reunification is a process that protects both the safety of the student and provides for an accountable change of custody from the school to a recognized custodial parent, guardian or authorized person.

What if a Parent /Guardian Can’t Pick-up Their Student?
When a parent/Guardian can’t immediately go to the reunification site, students will only be released to individuals previously identified as a student’s emergency contact. Otherwise, the school will hold students until parents/guardians or authorized person can pick up their student.

What if the Student Drove to School?
There may be instances where a student may not be allowed to remove a vehicle from the parking lot. In this case, a parent/guardian or authorized persons are advised to recover the student. In some circumstances, high school students may be released on their own.

How it Works
For students, the school asks that students be orderly and quiet while waiting. Students may be asked to text a message to their parents or guardian. Students are also asked not to send other text messages either in or out of the school or reunification area. Keeping the cellular network usage at a minimum may be important during a reunification.

Reunification Cards
For parents/guardians/authorized persons, there are a couple steps. If a parent/guardian/authorized persons is driving to the school, greater awareness of traffic and emergency vehicles is advised. Once at the school, you should park where indicated and not abandon your vehicle. You will then be asked to go to the Reunification “Check In” area and form lines based on the first letter of their student’s last name. While in line, you will be asked to fill out a Revere Reunification Form. This form is perforated and will be separated during the process. In the case of multiple students being reunified, a separate form will need to be completed for each individual student.
Example image of Revere’s Reunification Form is below

ABSENCES AND PARTICIPATION
Students **must be in attendance the entire school day** in order to be eligible for extracurricular, co-curricular, and curricular participation. This includes but is not limited to athletics, band, choir, drama, and field trips. Exceptions to this policy will be reviewed by the administration.

ACADEMIC INTEGRITY
Students are expected to present only their work for any assignment, project, or assessment. Presenting another’s work as one’s own is considered cheating and/or plagiarism. Students who violate this policy may receive zero credit. This includes the unauthorized use of data to gain an academic advantage. Students may also be referred to administration for further disciplinary action.

ACCIDENTS
Student safety is the responsibility of both students and staff. All injuries and accidents on school grounds must be reported to a staff member. State law requires that all students complete an Emergency Medical Authorization form, signed by a parent and or/guardian, and filed in the school’s main office.

ATTENDANCE
**Bath Attendance Number**
330-523-3811

1. A phone call from a parent or guardian is expected before 9:00 a.m. on the day the absence occurs.
2. A note is requested from a parent or guardian when the student returns to school. **All work for all absences can and is expected to be made up by the student.**

Each parent, guardian, or custodian having charge of a child of compulsory school age must send the child to school for the entire time the school attended is in session (ORC 3321.04). Students are more likely to succeed in school, academics, and building skill sets when they consistently attend school. Excessive absences interfere with students’ progress in mastering knowledge and skills necessary to be prepared for higher education and the workforce upon high school graduation. Because of this, in December 2016, Ohio legislature passed House Bill 410 to proactively address excessive absences and truancy. By law, once a student accumulates 38 hours of absence per month or 65 hours per year, they will be considered excessively absent and referred to the district’s at-risk student coordinator. The student and family may be required to participate in an intervention program or be referred to the Summit County Juvenile Court as necessary.

AUTHORIZED EXCUSED ABSENCES
Absences for the following reasons shall be considered as excused:

A. Personal illness.
B. Serious illness or death of a family member.
C. Funeral.
D. Medical and dental appointments that cannot be arranged during non-school hours.
E. Unusual or emergency situations at home.
F. Religious holidays and activities.
G. Authorized school-sponsored activities.
H. Approved college visits.
J. Quarantine.
K. Out-of-state travel, not to exceed 24 hours per school year that the student’s school is open for instruction, for participation in an enrichment activity approved by the Board of Education or an extracurricular activity, defined as a student activity program operated by the District but not included in a graded course of study.
L. At the Superintendent’s discretion, a visit with a parent or legal guardian who is an active duty member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Commissioned Corps of the National Oceanic and Atmospheric Administration and Public Health Service and who has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

An absence for any reason other than those listed above shall be classified as unexcused.
All excuses from parents, as well as other documents pertaining to a student’s enrollment, attendance, and withdrawal from the District, shall become a part of the official attendance record and shall be maintained regardless of format or condition.
A student shall have the opportunity to make up school work missed due to an excused absence; however, it shall be the responsibility of the student to initiate a make-up procedure and schedule with his or her teacher(s). All make-up work shall be completed within the number of days missed following the excused absence. A student shall receive full credit for school work made up pursuant to an excused absence.

The principal or his or her designee may request written verification of a student’s illness from a physician licensed to practice medicine in the state in the event of frequent or extended absences attributed to personal illness.

A student must be in attendance at school for half of the school day in order to participate in any school-sponsored activity that is conducted on that day; in cases of emergency the principal or his/her designee may grant an exception to this limitation.

CELLULAR PHONES/ELECTRONIC COMMUNICATION DEVICES
Cell phones and electronic communication devices are to be turned off and kept out of sight while school is in session, unless permission is granted by the teacher for specific classroom use. Student use of cell phones or non-district issued electronic communication devices is prohibited while school is in session. Text messaging is not permitted. Any device that is deemed turned on, makes a noise or vibrates, or otherwise calls attention to itself will be considered a disruption and subject to confiscation by staff. Each offense of this policy requires retrieval of the device by the parent from administration. The student may also face additional disciplinary action by administration.

CLASSROOM EXPECTATIONS
All students are expected to comply with the Code of Student Behavior during classroom instruction. Violations of the Code of Student Behavior will not be tolerated and may require further disciplinary action by administration.

COMPUTERS
Policies governing the use and/or misuse of computers and technology are included in the Revere Board of Education policy guidelines and Code of Student Behavior. Use of school computers is dependent upon annual receipt of a Computer Technology Usage Form signed by the parent/guardian and student.

CODE OF STUDENT BEHAVIOR, GRADES K–12

DISCIPLINE
In order to foster a trust and respect between staff and students, guidelines must be developed for the purpose of providing fair and just treatment for students who violate the offenses listed in this handbook. When breaches of school rules and regulations occur, it is the responsibility of the involved teachers and administrators to work with the student, his parents and other personnel to help the student correct his behavior. All disciplinary actions should help to protect the welfare of the school community as well as help the student to develop self-discipline.

The following guidelines have been developed for the purpose of providing fair and just treatment for students who violate the rules listed in this handbook.

A. To protect the rights of students, staff and public, all offenses shall be thoroughly investigated and properly recorded. This may include a conference with the students involved in an incident and a search of the student, student's belongings, student's assigned school locker(s), car or other school property based upon "reasonable suspicion" that a dangerous situation exists.

B. In seeking a solution of the offenses, there shall be appropriate alternatives such as one, or a combination of the following actions, but not necessarily in the order appearing below:
   1. Conference with the student to clarify the problem and to insure full understanding of consequences of future misbehavior.
2. Assignment of additional task(s), which may or may not interfere with the academic or after-school programs.
3. Assignment of detentions.
4. Conference with parents to secure cooperation at the home in regaining student behavior.
5. Referral to counselor, school psychologist or Intervention Assistance Team for guidance, testing or therapy.
6. Referral to Juvenile Court.
7. Emergency removal in accordance with State law, including curricular and extracurricular activities.
8. Suspension: To refer to "out-of-school" in accordance with State law covering both curricular and extra-curricular activities. Suspension is the removal from all academic, extra-curricular and social events affiliated with the school.
9. Expulsion from school in accordance with State law.

C. Students enrolled in alternative program options are subject to all rules and regulations covered under the Code of Student Behavior and adopted by the Revere Board of Education.

SUSPENSION PROCEDURE

A. Out-of-School Suspension:
Suspension (out-of-school) is defined as the denial of attending school for the period of at least one (1) but not more than ten (10) school days. Students suspended may not take part in or attend any school activities, or be on school property. Suspension may extend beyond the current school year, if at the time a suspension is imposed, fewer days remain in the school year than the term of the suspension. The Superintendent may apply any or all of the period of suspension to the following year.

B. In case of a student's intended removal from school for purposes of suspension, the following procedures shall be enacted:
1. Only the principal, assistant principal, superintendent or any other authorized administrator may suspend.
2. The student shall be informed in writing of the intended suspension and reasons for the proposed action.
3. The pupil and/or his parent(s) shall be provided an opportunity for an informal hearing to discuss the reason for the intended suspension and/or otherwise explain his/her actions.
4. An attempt shall be made to notify his/her parent(s), guardian or custodian by telephone of the suspension and the reason for it.
5. Within one (1) school day of the suspension the Superintendent, principal, or other administrator will notify the parents, guardians, or custodians of the student by certified mail and the Treasurer of the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.
6. Should a student enrolled at the Cuyahoga Valley Career Center be suspended from the career center for a conduct code violation, which would also be grounds for suspension in the home school district, the suspension of such student also will be in effect at the home school district. The student shall be notified of that suspension by the home school district in accordance with the normal suspension procedure.
7. Simultaneous written notice of the suspension shall be sent to (a) student's discipline file; (b) Superintendent; (c) Treasurer of the Board of Education.

EMERGENCY REMOVAL PROCEDURES

Definition: The term "emergency removal" shall be understood to mean the removal of a student from curricular or extra-curricular activities or from the school premises because the student's presence poses a continuing danger to persons or property, or is an ongoing threat or disruption to the academic process. In all cases of emergency removal where a student is removed from a curricular or extra-curricular activity for less than twenty-four (24) hours, the staff person initiating the removal shall submit to the principal, the reasons in writing for the removal.
If it is intended that the student is removed from a curricular or extra-curricular activity for more than twenty-four (24) hours, a due process hearing will be held within three (3) school days after a removal is ordered.

1. An attempt should be made to notify his/her parents, guardian or custodian immediately by telephone of the pending action and the reasons for it.
2. Written notice of the hearing and reasons for the removal and any intended disciplinary action must be given to the pupil as soon as possible prior to the hearing.
3. The person who ordered or requested the hearing must be present at the hearing.
4. If suspension or expulsion is intended, the due process requirement of the law must be carried out in accordance with the applicable procedural requirements in Board Policy and State Law.

EXPULSION PROCEDURES

Definition: The term "expulsion" shall be understood to mean exclusion of a student from all school attendance and related activities for the remainder of the current semester, or for a period of up to 80 school days, unless otherwise addressed in this Code. The Superintendent of Schools may expel a pupil in accordance with procedure outlined by Ohio Statute. Exclusion from school attendance by expulsion is the most severe remedy available to the school for disciplinary infractions.

The Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy.

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

Prior to expulsion, the Superintendent shall follow the following procedures:
1. Give the Pupil and his/her parent, guardian or custodian written notice of the intention to expel. The notice must advise the student and his/her parent, guardian or custodian or other representatives of their right to appear in person before the Superintendent or his designee to challenge the reasons for the expulsion. The notification must carry the place and time of the hearing, which must take place no earlier than three (3) school days and not later than five (5) school days after the notice is sent. The Superintendent may grant an extension of time upon request provided all parties involved are notified. If the student is 16 years old or older and the intent to expel is based on an offense for which a permanent exclusion may be requested, the written notice must include a statement that the Superintendent may seek permanent exclusion.
2. Arrange for a hearing to be conducted by the Superintendent or his designee under the guideline established by the individual conducting the hearing. Within one school day after the time of the expulsion, the Superintendent shall send written notice to the student and his/her parent, guardian or custodian, and the Treasurer of the Board of Education. The notice shall specify the duration of the expulsion and the reasons therefore. The expulsion may extend beyond the current school year, if at the time an expulsion is imposed, fewer days remain in the school year than the term of the expulsion. The Superintendent may apply any or all of the period of expulsion to the following year. It also shall include notification of the rights of the student, his/her parent, guardian or custodian, to appeal the expulsion to the Board of Education or to its designee within the fourteen (14) calendar days of the date of the notification in order to be heard against such expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the expulsion, and to request that such a hearing be held in executive session.
3. If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.
Appeal - Within fourteen (14) calendar days of the date of the notification of the student expulsion, the student (if eighteen years old or older), the parent, guardian or custodian may appeal the expulsion. The request for appeal should be submitted in writing to the Treasurer for the Board of Education or the Superintendent. A hearing shall be scheduled and the requesting parties notified of the time for the hearing which may be extended by mutual agreement. The student or his parent, guardian or custodian may be represented in the appeal proceedings. The Board may affirm the order of expulsion or reverse, vacate or modify the order of expulsion. The Board shall determine the procedures to be followed during the hearing. A verbatim record shall be made.

Should a student enrolled at the Cuyahoga Valley Career Center be expelled from the Career Center for a conduct code violation, which would be grounds for expulsion in the Home School District, the student will be expelled from the Home School District in accordance with the normal expulsion procedure.

LIMITATIONS ON THE DISCIPLINING OF HANDICAPPED STUDENTS
A handicapped student is one whose education is governed by an Individualized Education Plan (IEP). Unless their IEP provides otherwise, handicapped students may be suspended for a period not to exceed ten (10) days per year without convening a placement or IEP conference. Discipline may result in removal from school for more than ten (10) school days if it is determined that the behavior is not a manifestation of the student’s handicapping condition. In such a removal beyond ten (10) school days, the special education and/or related services of the IEP will continue as determined by the IEP Team. All handicapped students are subject to removal on an emergency basis described in the Code. Repeated violation of the Code may indicate that a change in the student's placement or IEP is necessary.

PERMANENT EXCLUSION
Any student who has been found guilty of committing, when sixteen (16) years of age or older, any of the specific offenses identified by state statute and Board Policy may be permanently excluded by the State Superintendent of Public Instruction at the request of the Revere Local School District Board of Education in the manner prescribed by law.

The Board's statement of policy on permanent exclusion is posted in each school and is available to students and their parents, upon request, at each school office.

Parents also are liable for the student's willful assaults on another person. The injured party may bring civil action against the parents to recover compensatory damages up to $15,000.00 and cost of the suit if the damages were caused by acts of vandalism, desecration, or ethnic intimidation.
It is the policy of the Revere Local Schools that educational activity, employment, programs and services are offered without regard to race, color, national origin, sex, religion, handicap or age.

**DISCLAIMER**
The handbook may not include every item or incident that may occur in the building or on school grounds. Final resolution of each of these situations will be made by the school administration. Additional information about student conduct is found in the Code of Student Behavior. The handbook is not intended to be a manual of all the policies of the Revere Board of Education.

**DRESS CODE**
We are committed to a safe and orderly learning environment for students that is free from distraction. Attire should not detract from the educational process; reasonable standards in dress and grooming apply. Compliance with the dress code is expected and non-compliance may be considered insubordination. Any form of dress or hair style that is considered contrary to good hygiene or that is deemed distracting, disruptive, or detrimental to the routine operation of school is prohibited.

Tight shorts and shirts with messages across the front or back are not permitted. Exposure of cleavage or undergarments is prohibited. Shoes must be worn throughout the day. **Final determination of appropriate school attire rests with the school administration.**

**FIRE, SAFE SCHOOLS, AND TORNADO DRILLS**

It is expected students will follow the direction of staff during drills and assist in the orderly completion of any drill. Anyone involved in causing a false fire alarm is subject to the penalties defined in Ohio Revised Code section 2917.32.

**HARASSMENT, INTIMIDATION, AND BULLYING**

**Introduction**
Harassment, intimidation, and bullying of students in the school environment can substantially interfere with their ability to learn, perform, and feel safe. Therefore, any conduct, communication, activity, or practice that occurs at any time on school property, on a school bus, or during any school sponsored event, and at the times and/or places set forth in the Code of Student Conduct, that constitutes harassment, intimidation, or bullying involving students shall be strictly prohibited. Students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. Further, any such conduct, communication, activity, or practice should be immediately reported to the building principal or other responsible school employee. All reports of harassment not covered by this policy shall be investigated in accordance with the policies applicable to the particular harassment.
To implement this policy and to address the existence of harassment, intimidation, or bullying in the schools, the following procedures shall be followed:

A. Students must report acts of harassment, intimidation, or bullying to teachers, District employees, and/or school administrators;

B. The parents or guardians of students should file written reports of suspected harassment, intimidation, or bullying with the building principal or other appropriate administrator;

C. Teachers and other school staff who witness acts of harassment, intimidation, or bullying or receive student reports of harassment, intimidation, or bullying shall notify school administrators;

D. School administrators shall investigate and document any written or oral reports;

E. School administrators shall notify the custodial parent or guardian of a student who commits acts of harassment, intimidation, or bullying and the custodial parent or guardian of students against whom such acts were committed, and shall allow access to any written reports pertaining to the incident, to the extent permitted by O.R.C. §3319.321 and the Family Educational Rights and Privacy Act.

1. Definition of Harassment, Intimidation, or Bullying

In accordance with this policy, “harassment, intimidation, or bullying” means either of following:

A. Any intentional written, verbal, electronic, or physical act that a student has exhibited toward another particular student more than once and the behavior both:
   1. Causes mental or physical harm to the other student; and
   2. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student; or

B. Violence within a dating relationship.

“Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

The behavior prohibited by this policy is marked by the intent to ridicule, humiliate, or intimidate the victim. In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred, of the perpetrator.

2. Conduct Constituting Harassment, Intimidation, or Bullying

Such conduct can take many forms and can include many different behaviors having overt intent to ridicule, humiliate or intimidate another student. Examples of such conduct include, but are not limited to:

A. Physical violence and/or attacks.

B. Taunts, name-calling, and put-downs.

C. Threats and intimidation (through words and/or gestures).

D. Extortion or stealing of money and/or possessions.
E. Exclusion from the peer group or spreading rumors.

F. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as “cyber bullying”), such as the following:

1. Posting slurs on Web sites where students congregate on Web logs (personal online journals or diaries);

2. Sending abusive or threatening instant messages;

3. Using camera phones to take embarrassing photographs of students and posting them online;

4. Using Web sites to circulate gossip and rumors to other students;

5. Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers; and

G. Violence within a dating relationship.

3. Complaint Process

A. Formal Complaints

Students and/or their parents or guardians may file reports of conduct that they consider to be harassment, intimidation, or bullying. Such written reports shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review and action.

Teachers and other school staff who witness acts of harassment, intimidation, or bullying, as defined above, shall promptly notify the building principal and/or his/her designee of the event observed, and shall promptly file a written incident report concerning the events witnessed.

B. Informal Complaints

Students may make informal complaints of conduct that they consider to be harassment, intimidation, or bullying by verbal report to a teacher or administrator. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witness. A school staff member or administrator who receives an informal complaint shall promptly reduce the complaint to writing, including the information provided. Such written report by the school staff member and/or administrator shall be promptly forwarded to the building principal for review and action.

In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of harassment, intimidation, or bullying in other interaction with students. School personnel may find opportunities to educate students about harassment, intimidation, or bullying and help eliminate harassment, intimidation, or bullying behavior through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student, even if such conduct does not meet the formal definition of “harassment, intimidation, or bullying.”

4. Deliberately Making False Reports
Students are prohibited from deliberately making any false report of harassment, intimidation, or bullying. Students found to have violated this prohibition are subject to the full range of disciplinary consequences, up to and including suspension and expulsion.

5. Confidentiality

The right to confidentiality, both of the complainant and of the accused, will be respected consistent with the District’s legal obligation to the complainant, alleged harasser, and witnesses, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

6. Investigation

   A. The investigator should remember that the investigation requires a balancing of the accused’s rights, the complainant’s right to an environment free of harassment, intimidation, or bullying, and the Board of Education’s interest in a prompt and fair investigation.

   B. The investigator shall meet with the complainant within a reasonable period of time from the time of making the complaint. However, the investigator is urged to meet with the complainant as soon as possible.

   C. Following the meeting with the complainant, the investigator shall conduct an investigation to determine if harassment, intimidation, or bullying has occurred. The investigation shall include a conference with the accused and the complainant, as well as any and all other methods which are considered necessary to determine whether harassment, intimidation, or bullying has occurred.

7. Post-Investigation Procedures

   A. Upon conclusion of the investigation, the investigator shall issue a written report. The report shall include a determination of whether the accused was found to have engaged in harassment, intimidation, or bullying, was found not to have engaged in harassment, intimidation, or bullying, or whether the investigation was inconclusive. The report shall be issued to the complainant’s parents. A copy of the report shall also be sent to the Superintendent or his/her designee.

   B. A finding of no harassment, intimidation, or bullying or inconclusive evidence shall end the investigation.

   C. If harassment, intimidation, or bullying is found to have occurred, the investigator shall recommend what steps are necessary to ensure that the harassment, intimidation, or bullying is eliminated for the victim and other individuals affected by the harassment, intimidation, or bullying and to correct its effects on the complainant and others, if appropriate.

8. Retaliation is Prohibited

Retaliation against those who file a complaint or participate in the investigation of the complaint is prohibited. Therefore, filing of a complaint or otherwise reporting harassment, intimidation, or bullying will not reflect upon the student’s status, nor will it affect future employment, grades, or work assignments. Further, the administrator is directed to implement strategies for protecting a victim from retaliation following a report.

9. Remedial Actions

Verified acts of harassment, intimidation, or bullying shall result in intervention by the building principal or his/her designee that is intended to assure that the prohibition against harassment, intimidation, or bullying
behavior is enforced, with the goal that any such harassment, intimidation, or bullying behavior will end as a result.

Harassment, intimidation, or bullying behavior can take many forms and can vary in how serious it is, and what impact it has on the targeted individual and other students. Accordingly, there is no one prescribed response to verified acts of harassment, intimidation, or bullying. While conduct that rises to the level of “harassment, intimidation, or bullying” as defined above will generally warrant disciplinary action against the perpetrator of such harassment, intimidation, or bullying, whether and to what extent to impose disciplinary action (detention, in and out-of-school suspension, or expulsion) is a matter for the professional discretion of the building principal.

10. Non-Disciplinary Interventions

When verified acts of harassment, intimidation, or bullying are identified early and/or when such verified acts of harassment, intimidation, or bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of harassment, intimidation, or bullying, its prohibition, and their duty to avoid any conduct that could be considered harassment, intimidation, or bullying. If a complaint arises out of conflict between students or groups of students, peer mediation may be considered.

11. Disciplinary Interventions

When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Suspension is a possible consequence for a student found responsible for harassment, intimidation, or bullying by an electronic act.

12. Strategies for Protecting Victims or Other Persons From New or Additional Acts

   A. Supervise and discipline offending students fairly and consistently;

   B. Maintain contact with parents and guardians of all involved parties;

   C. Provide counseling for the victim if assessed that it is needed;

   D. Inform school personnel of the incident and instruct them to monitor the victim and the victim’s friends or family members and the offending party for indications of harassing, intimidating, and bullying behavior. Personnel are to intervene when prohibited behaviors are witnessed;

   E. Check with the victim and the victim’s friends or family members to ensure that there has been no new or additional incidents of harassment/intimidation/bullying or retaliation of the victim or other persons from the offender or other parties.

   F. If necessary to protect a person from new or additional acts of harassment, intimidation, or bullying, and from retaliation following a report, a person may make an anonymous report of an incident considered to be harassment, intimidation, bullying, or retaliation by providing written information to any staff member or administrator. The report should include as much information as possible and shall be forwarded promptly to the building principal for review and action.
In addition to the prompt investigation of complaints of harassment, intimidation, or bullying and direct intervention when acts of harassment, intimidation, or bullying are verified, other District actions may ameliorate any potential problem with harassment, intimidation, or bullying in school or at school-sponsored activities. While no specific action is required and school needs for such interventions may vary from time to time, the following list of potential intervention strategies shall serve as a resource for administrators and school personnel:

A. Respectful responses to harassment, intimidation, or bullying concerns raised by students, parents or school personnel;

B. Planned professional development programs addressing bully/targeted individuals’ problems;

C. Data collection to document bully/victim problems to determine the nature and scope of the problem;

D. Use of peers to help ameliorate the plight of victims and include them in group activities;

E. Avoidance of sex-role stereotyping (e.g. males need to be strong and tough);

F. Awareness and involvement on the part of all school personnel and parents with regards to bully-victim problems;

G. An attitude that promotes communication, friendship, assertiveness skills, and character education;

H. Modeling by staff of positive, respectful, and supportive behavior toward students;

I. Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior by students in support of others;

J. Employing classroom strategies that instruct students how to work together in a collaborative and supportive atmosphere; and/or

K. Forming harassment, intimidation, and bullying task forces, programs, and other initiatives involving volunteers, parents, law enforcement, and community members.

This policy shall appear in student handbooks, and in the publications that set forth the comprehensive rules, procedures, and standards of conduct for schools and students in the District. The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students and their custodial parents or guardians. Information regarding the policy shall be incorporated into employee training materials.

Orientation sessions for students shall introduce the elements of this policy and procedure. Students will be provided annually with age-appropriate instruction on the recognition and prevention of harassment, intimidation, or bullying, including discussion of the consequences of violating this policy, and their rights and responsibilities under this and other District policies, procedures, and rules at student orientation sessions and on other appropriate occasions.

A District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy adopted pursuant to this section if
that person reports an incident of harassment, intimidation, or bullying promptly in good faith and in compliance with the procedures as specified in the policy.

The Administration shall annually send to each student’s custodial parent or guardian a written statement describing this policy and the consequences for violating it. The Administration shall semi-annually provide the president of the Board a written summary of all reported incidents and post the summary on the District’s website to the extent permitted by state and federal student privacy laws.

ILLNESS AT SCHOOL
The facilities of our school clinic are available for any student who becomes ill or injured during the school day. Care must be taken at all times to report all illnesses and injuries to the office. If a student has a need for the clinic service, the student should make sure the teacher in charge knows where he/she is going and then report immediately to the office and then the clinic. If unable to return to the classroom, he/she may be excused to go home. Parents will be contacted by the office or clinic. If your student has a fever or symptoms requiring them to go home, they must by symptom free for 24 hours to return to school.

LIBRARY
Fines are charged on overdue or damaged items. Students are expected to follow library regulations or they may forfeit access to the library.

MAKE-UP ASSIGNMENTS
Whenever a child has been ill or away from school, the child will be helped to make up some of the work missed. Obviously, not all can be made up. The teacher will work with the child and, if necessary, the parent, to minimize the absence and its effect of the child’s education. In some cases of extended absences, due to illness, tutoring may be available.

MEDICATION
The administration of any medication to a student by school personnel requires the completion of necessary forms by the parent/guardian. Forms are distributed at the beginning of the year and are available in the Main Office. Both a parent/guardian and a physician must complete and sign the form. Medicine to be dispensed at school must be in its original prescription bottle. The school or its employees cannot provide aspirin or any other over-the-counter medication.

OUT OF SCHOOL SUSPENSION
The student may make up any available missed assignments or tests during out of school suspensions. It is strictly the student’s responsibility to determine what work is missed by checking Progress Book or contacting a fellow classmate for information. Teachers are not responsible for providing make-up information or assignments. It may not be possible to make up class participation activities. All missed assignments are due the day the student returns to school from the out-of-school suspension. The student must make arrangements through their classroom teachers to complete any tests or quizzes.

PROGRESS BOOK AND REPORT CARDS
Academic progress is reported through various methods such as Progress Book, Interim Reports, and Report Cards. Conferences are encouraged at any time and parents may contact teachers for appointments. For questions about access to Progress Book, the online grade report program, please call (330) 523-3407.

PUBLIC RECORDS
A request for public records must go through the Treasurer’s Office, as the Treasurer is the designated Records Officer for the Revere School District.

SCHOOL BUS PROCEDURES
Safe school transportation is considered an integral part of the total educational program within the Revere School System. Riding a school bus is a privilege. The primary purpose of the school bus is to transport pupils to and from school safely. The Revere School District recognizes that a safe school bus requires the cooperation of our parents, students, and school staff. Please read the following duties and responsibilities of school bus passengers carefully, and do your part to stress the importance of an accident-free school bus transportation program to your child.

Riding the school bus……….. is a privilege extended to students that can be taken away anytime for disruptive or unsatisfactory behavior. All children being transported are under the authority of the bus driver and must obey the driver’s directions. The school bus drivers are in charge while students are on buses. If your child is to go home any way other than by bus, the student is to bring a written note from home stating this. Otherwise, the child goes home on the bus.

The following bus regulations are in effect:
1. Students boarding the bus from the right side of the road must stand back in a safe designated spot and wait until the bus comes to a complete stop and the red lights are flashing before approaching the bus. Students boarding from the left will use the same rules as the right side, but must wait for the driver to give a hand signal to cross the street.
2. Students must carry backpacks and other bags in front of them when boarding and disembarking the bus. No key chains of any kind can be on the backpacks.
3. While on the bus, the pupil is under authority of, and directly responsible to the bus driver.
4. Upon entering the school bus, the pupils shall take their assigned seats. Pupils shall remain seated at all times, facing forward in the seat. The aisle must be kept clear at all times. No arms, legs, feet or parcels shall extend into the aisle way at any time. This is a state law. All backpacks and bags must be held on their laps. Nothing is to be stored under the seat. Any over-sized project for school may not be transported by bus.
5. Pupils should conduct themselves on the school bus as they would in the classroom except that a reasonable amount of quiet conversation is permissible. Yelling to one another is not permitted.
6. Eating or drinking on the bus is not permitted at any time.

15
7. Pupils shall not smoke or light matches or cigarette lighters, or cause any other flammable material to burn on or near the bus.

8. Pupils causing damage of any type to the school bus will be held liable for the cost of repairing the damage to the bus. Students causing willful and malicious damage will be denied the privilege of riding the bus to school.

9. Permission must be given by the bus driver before any windows may be opened. No throwing of any objects out of the windows is allowed. No pencils, pens or any sharp objects are permitted out of book bags while student is on the bus.

10. **Carrying of any dangerous objects or materials (such as knives, guns or fireworks) is an automatic suspension of bus riding privileges.** The following items may not be transported on the bus: glass containers, skateboards, lawn chairs, balloons, large boxes, lacrosse or hockey sticks, golf clubs, skis, plastic sleds, baseball bats. All soccer balls, footballs, basketballs, etc. may be transported if they are contained either in a closed bag or backpack.

11. The Board of Education is required by state regulations to designate all bus stops. Bus stops have been placed in locations throughout the district that have, through the years, proven safe for loading and unloading students. Due to the number of students transported, an effort has been made to locate stops so that no student has to walk more than one half mile to a bus stop. The exception to this would be students living on spur roads not traveled by Revere school buses. Parental assistance is requested in seeing that the children arrive safely to and from the stop.

12. All pupils will load and unload from the buses only at designated stops. When on schedule, the bus cannot wait for tardy pupils. Pupils are to be at their designated bus stop five minutes before the bus is scheduled to arrive. When ahead of schedule the driver shall wait until the bus is on schedule for the stop. Transfer of a pupil from his regular bus will be permitted only in case of hardship. A signed note from the parent must be presented to the principal’s office in advance.

13. Bus drivers are to report discipline cases on the bus to the Transportation Supervisor. The Transportation Supervisor will consult with the pupil’s school principal after a reported infraction of the bus rules. Continued disorderly conduct or refusal to submit to authority of the bus driver shall be sufficient reason for refusing transportation service to any pupil. The administration shall follow the procedures outlined for suspending a pupil from school.

**SCHOOL TRANSPORTATION PRIVILEGES**

If the Superintendent and/or designee determine that a student's behavior on a school vehicle violates school rules, he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Prior to such suspension, the Superintendent shall notify the student of the intended bus suspension and afford the student the opportunity to respond to the intended suspension or otherwise defend himself.

**SCHOOL CLOSINGS**

In the event of inclement weather or a calamity, school may be closed or starting time delayed. The same conditions may also necessitate early dismissal. School closings, delays in starting time, or early dismissals will be announced via the Alert Now notification system. If no report is heard, it can be assumed that school will be in session.

Students should ask to use the telephones only in case of an emergency. Permission must be granted by the classroom teacher. Arrangements for after school activities should be made before coming to school.

**UNAUTHORIZED USE OF YEARBOOK AND WEBSITE**
Unauthorized use of the yearbook and website content or photographs is prohibited. None of the material may be copied, modified, reproduced, posted, published, transmitted, and/or distributed in any form without prior written permission from Revere Local Schools.

**VACATIONS DURING SCHOOL DAYS**
Regular, uninterrupted attendance is crucial to full academic achievement. Parents are urged to make every effort, whenever possible, to plan vacations when school is not in session. The length of time for completion of make-up work shall be commensurate with the length of absence.

**VIDEO AND AUDIO RECORDING DEVICES**
Video and/or audio recording devices are not to be used at school without permission from school personnel. **This includes the use of these functions on cell phones.**

**VISITORS TO BATH**
All adults are required to sign in at the office and wear a visitor sticker/badge at all times while in the building. During the school day all adults must enter the building through the main entrance. No adults will be permitted to enter any of the other doors. Those doors will be for students only.
Revere Reunification Method – Parent/Guardian Information Sheet

Student/Parent/Guardian/Authorized Person Reunification

Circumstances may occur at the school that will require parents to pick up their students in a formalized, controlled release. The process of controlled release is called a reunification and may be necessary due to weather, a power outage, hazmat, or if a crisis occurs at the school. The Standard Revere Reunification Method is a protocol that makes this process more predictable and less chaotic for all involved.

Because a controlled release is not a typical end of school day event, a reunification may occur at a different location than the school a student attends. If this location is another school, then those students may be subject to a controlled release as well.

Notification

Parents may be notified in a number of ways. The school or district may use Blackboard Connect and/or social media. In some cases, students may be asked to send a text message or make a phone call to their parents. A reunification text message from a student may look something like this: "The school has closed, please pick me up at 3:25 at the main entrance. Bring your ID."

Parent/Guardian/Authorized Person Expectations

If a parent or guardian is notified that a controlled release and reunification is needed, there are some expectations that parents or guardians should be aware of. First, bring identification. That will streamline things during reunification. Second, be patient. Reunification is a process that protects both the safety of the student and provides for an accountable change of custody from the school to a recognized custodial parent, guardian or authorized person.

What if a Parent/Guardian Can't Pick-up Their Student?

When a parent/guardian can’t immediately go to the reunification site, students will only be released to individuals previously identified as a student’s emergency contact. Otherwise, the school will hold students until parents/guardians or authorized person can pick up their student.

What if the Student Drove to School?

There may be instances where a student may not be allowed to remove a vehicle from the parking lot. In this case, a parent/guardian or authorized persons are advised to recover the student. In some circumstances, high school students may be released on their own.

How it Works

For students, the school asks that students be orderly and quiet while waiting. Students may be asked to text a message to their parents or guardian. Students are also asked not to send other text messages either in or out of the school or reunification area. Keeping the cellular network usage at a minimum may be important during a reunification.

Reunification Cards

For parents/guardians/authorized persons, there are a couple steps. If a parent/guardian/authorized persons is driving to the school, greater awareness of traffic and emergency vehicles is advised. Once at the school, you should park where indicated and not abandon your vehicle. You will then be asked to go to the Reunification “Check In” area and form lines based on the first letter of their student’s last name. While in line, you will be asked to fill out a Revere Reunification Form. This form is perforated and will be separated during the process. In the case of multiple students being reunified, a separate form will need to be completed for each individual student.

STUDENT HANDBOOK

2019-2020

This book belongs to:
Name:_____________________________________________________

Homeroom Number: __________    Grade:____________
ABSENCES AND PARTICIPATION
Students **must be in attendance the entire school day** in order to be eligible for extracurricular, co-curricular, and curricular participation. This includes, but is not limited to; athletics, band, choir, drama and field trips. Exceptions to this policy will be reviewed by the administration.

ACADEMIC EXTRACURRICULAR ELIGIBILITY
Students are required to meet all eligibility requirements set forth by the Ohio High School Athletic Association and the Revere Local School District Board of Education to participate in extracurricular activities. Among these requirements are passing grades in at least 5 subjects in which they were enrolled in the immediately preceding grading period and having earned a minimum GPA of 2.0 in the previous grading term. Students meeting the passing grades in at least 5 subjects, but having a GPA of 1.00 to 1.99 will be placed on Academic Probation.

Student-athletes must receive a passing grade in five classes during the last grading period to remain eligible. The five classes must be indicated on the student’s academic record.

Summer school courses cannot be used to restore a student’s eligibility for fall sports.

ACADEMIC INTEGRITY
Students are expected to present only their work for any assignment, project, or assessment. Presenting another’s work as one’s own is considered cheating and/or plagiarism. Students who violate this policy may receive zero credit. This includes the unauthorized use of data to gain an academic advantage. Students may also be referred to administration for further disciplinary action.

ACCIDENTS
Every accident in the school building, on the school grounds, at practice sessions or at any event sponsored by the school must be reported immediately to the person in charge and to the Main Office.

ATTENDANCE
Each parent, guardian, or custodian having charge of a child of compulsory school age must send the child to school for the entire time the school attended is in session (ORC 3321.04). Students are more likely to succeed in school, academics, and building skill sets when they consistently attend school. Excessive absences interfere with students’ progress in mastering knowledge and skills necessary to be prepared for higher education and the workforce upon high school graduation. Because of this, in December 2016, Ohio legislature passed House Bill 410 to proactively address excessive absences and truancy. By law, once a student accumulates 38 hours of absence per month or 65 hours per year, they will be considered excessively absent and referred to the district’s at-risk student coordinator. The student and family may be required to participate in an intervention program or be referred to the Summit County Juvenile Court as necessary.

AUTHORIZED EXCUSED ABSENCES
Absences for the following reasons shall be considered as excused:

A. Personal illness.
B. Serious illness or death of a family member.
C. Funeral.
D. Medical and dental appointments that cannot be arranged during non-school hours.
E. Unusual or emergency situations at home.
F. Religious holidays and activities.
G. Authorized school-sponsored activities.
H. Approved college visits.
J. Quarantine.

2
K. Out-of-state travel, not to exceed 24 hours per school year that the student’s school is open for instruction, for participation in an enrichment activity approved by the Board of Education or an extracurricular activity, defined as a student activity program operated by the District but not included in a graded course of study.

L. At the Superintendent’s discretion, a visit with a parent or legal guardian who is an active duty member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Commissioned Corps of the National Oceanic and Atmospheric Administration and Public Health Service and who has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

An absence for any reason other than those listed above shall be classified as unexcused.

All excuses from parents, as well as other documents pertaining to a student’s enrollment, attendance, and withdrawal from the District, shall become a part of the official attendance record and shall be maintained regardless of format or condition.

A student shall have the opportunity to make up school work missed due to an excused absence; however, it shall be the responsibility of the student to initiate a make-up procedure and schedule with his or her teacher(s). All make-up work shall be completed within the number of days missed following the excused absence. A student shall receive full credit for school work made up pursuant to an excused absence.

The principal or his or her designee may request written verification of a student’s illness from a physician licensed to practice medicine in the state in the event of frequent or extended absences attributed to personal illness.

A student must be in attendance at school for half of the school day in order to participate in any school-sponsored activity that is conducted on that day; in cases of emergency the principal or his/her designee may grant an exception to this limitation.

LEGAL REFS: O.R.C. §§3301.60; 3321.041; 3321.13
Ohio Department of Education EMIS Manual, Section 2.1.1: Student Enrollment Overview, Version 4.0 (2017)
Adopted: December 19, 2017

**Attendance Procedures**

1. Student absences are verified daily by the attendance secretary.

2. **Absences** - Any absence that is not reported to the Main Office by the student's parent, guardian or custodian will be listed as unexcused. To avoid this, please call 330-523-3404 on the day of the absence. Unless a phone call or note from the student's parent or guardian accompanies the student on the day of his/her return, this absence will be considered as truancy from school and zero credit for class work on that day will be issued.

3. **Make-up work** - It is the responsibility of students who are absent for any reason to obtain their make-up work. Students are permitted one day of make-up for every day missed. A day's absence does not excuse a student from the responsibility for all previously announced assignments or tests on the day of his/her return.

4. **Students who leave the building because of illness, appointment or other emergency must first report to the Main Office.** For early dismissal, the student must bring a note from his/her parent with the student’s name, date, time of dismissal, reason and who will be picking the student up. The student needs to bring this note to the Main Office before school starts. The student will receive an early release slip and present it to his/her teacher at the time of his/her departure. The parent must sign the student out in the attendance office. The clinic will be available for part of a period if a student wishes to lie down due to illness. It is the Main Office policy to obtain permission from a parent, guardian or alternate authority before releasing a student from school. Students must rearrange tests or quizzes or any other assignment due that day and then sign out in the Main Office and receive a pass to leave the building. Failure to do so may result in zeroes issued at the discretion of the teacher. Students must sign-in immediately upon their return and go to class.

5. **Tardiness to School** - Any student arriving after 7:30 a.m. must report to the Main Office. Only students who are late due to a medical appointment or an emergency will not be disciplined as tardy. A
note from the doctor must accompany the student upon their arrival. Oversleeping or transportation
difficulties are not excused tardies. Students who are excused and miss a class due to arriving late to
school must consult with their teachers prior to leaving school that day to rearrange for tests or quizzes
and to obtain the homework assignment. Failure to do so may result in zeroes issued at the discretion
of the teacher. Chronic tardiness will not be tolerated and will result in disciplinary action beyond
detention. A student is considered tardy if they are not in first period class by 7:30 a.m. A student
will be considered absent from a class if he/she arrives more than twenty minutes into the class period.
If a student arrives after 11:05 a.m., he/she will be counted as a half-day absence. If a student arrives
after 1:45 p.m., he/she will be counted as a full-day absence. All tardiness will be counted as such and
is cumulative over the trimester. (Note: an unusual circumstance is left to the discretion of the
administration.) Punctuality to class is expected as well. Students who are chronically tardy to class
may be reported to the administration.

Consequences for tardiness to school in a trimester are as follows:

<table>
<thead>
<tr>
<th>Tardy Level</th>
<th>Action</th>
</tr>
</thead>
<tbody>
<tr>
<td>Second Tardy</td>
<td>Warning</td>
</tr>
<tr>
<td>Fourth Tardy</td>
<td>One detention</td>
</tr>
<tr>
<td>Sixth Tardy</td>
<td>One Saturday detention</td>
</tr>
<tr>
<td>Eighth Tardy</td>
<td>One day Alternative Learning Center</td>
</tr>
</tbody>
</table>

Note: Each two subsequent tardies will result in additional disciplinary action that may include out-
of-school suspension.

6. **Homeroom** - On days scheduled for Homeroom, all students are expected to be in Homeroom by
7:30 a.m. Students who arrive after the start of Homeroom are to report to the Main Office. Those
students who are in Homeroom but are then subsequently late to their first period class may be
disciplined as being tardy to class rather than tardy to school.

Note: Because of the potential multitude of circumstances related to attendance matters, the
administration reserves the right to render judgments in individual cases.

**BULLETINS AND ANNOUNCEMENTS**

All announcements for the P.A. must be written in advance and signed by an activity advisor. Students are
not to come to the PA room during announcements with special messages. All posters and signs placed in the
building must receive prior approval by an administrator.

**CELLULAR PHONES/ELECTRONIC COMMUNICATION DEVICES**

You may carry a cell phone, but it must be kept off and out of sight. No use of cellular phones or other
electronic communication devices are permitted in the halls, restrooms or cafeteria during school hours. Cell
phones must be left with a teacher when going to the restroom during class. Cell phones that have been taken
away will be turned into the main office at the end of the school day.

**CLASSROOM EXPECTATIONS**

All students are expected to comply with the Code of Student Behavior during classroom instruction. Violations of
the Code of Student Behavior will not be tolerated and may require further disciplinary action by administration.

**COMPUTERS**

Policies governing the use and/or misuse of computers and technology are included in the Revere Board of
Education policy guidelines and Code of Student Behavior. Use of school computers is dependent upon
annual receipt of a Technology Acceptable Use Policy signed by the parent/guardian and student.
DISCIPLINE

In order to foster a trust and respect between staff and students, guidelines must be developed for the purpose of providing fair and just treatment for students who violate the offenses listed in this handbook. When breaches of school rules and regulations occur, it is the responsibility of the involved teachers and administrators to work with the student, his parents and other personnel to help the student correct his behavior. All disciplinary actions should help to protect the welfare of the school community as well as help the student to develop self-discipline.

The following guidelines have been developed for the purpose of providing fair and just treatment for students who violate the rules listed in this handbook.

A. To protect the rights of students, staff and public, all offenses shall be thoroughly investigated and properly recorded. This may include a conference with the students involved in an incident and a search of the student, student's belongings, student's assigned school locker(s), car or other school property based upon "reasonable suspicion" that a dangerous situation exists.

B. In seeking a solution of the offenses, there shall be appropriate alternatives such as one, or a combination of the following actions, but not necessarily in the order appearing below:
   1. Conference with the student to clarify the problem and to insure full understanding of consequences of future misbehavior.
   2. Assignment of additional task(s), which may or may not interfere with the academic or after-school programs.
   3. Assignment of detentions.
   4. Conference with parents to secure cooperation at the home in regaining student behavior.
   5. Referral to counselor, school psychologist or Intervention Assistance Team for guidance, testing or therapy.
   6. Referral to Juvenile Court.
   7. Emergency removal in accordance with State law, including curricular and extracurricular activities.
   8. Suspension: To refer to "out-of-school" in accordance with State law covering both curricular and extra-curricular activities. Suspension is the removal from all academic, extra-curricular and social events affiliated with the school.
   9. Expulsion from school in accordance with State law.

C. Students enrolled in alternative program options are subject to all rules and regulations covered under the Code of Student Behavior and adopted by the Revere Board of Education.

SUSPENSION PROCEDURE

A. Out-of-School Suspension:
   Suspension (out-of-school) is defined as the denial of attending school for the period of at least one (1) but not more than ten (10) school days. Students suspended may not take part in or attend any school activities, or be on school property. Suspension may extend beyond the current school year, if at the time a suspension is imposed, fewer days remain in the school year than the term of the suspension. The Superintendent may apply any or all of the period of suspension to the following year.

B. In case of a student's intended removal from school for purposes of suspension, the following procedures shall be enacted:
   1. Only the principal, assistant principal, superintendent or any other authorized administrator may suspend.
   2. The student shall be informed in writing of the intended suspension and reasons for the proposed action.
   3. The pupil and/or his parent(s) shall be provided an opportunity for an informal hearing to discuss the reason for the intended suspension and/or otherwise explain his/her actions.
4. An attempt shall be made to notify his/her parent(s), guardian or custodian by telephone of the suspension and the reason for it.

5. Within one (1) school day of the suspension the Superintendent, principal, or other administrator will notify the parents, guardians, or custodians of the student by certified mail and the Treasurer of the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.

6. Should a student enrolled at the Cuyahoga Valley Career Center be suspended from the career center for a conduct code violation, which would also be grounds for suspension in the home school district, the suspension of such student also will be in effect at the home school district. The student shall be notified of that suspension by the home school district in accordance with the normal suspension procedure.

7. Simultaneous written notice of the suspension shall be sent to (a) student's discipline file; (b) Superintendent; (c) Treasurer.

**EMERGENCY REMOVAL PROCEDURES**

Definition: The term "emergency removal" shall be understood to mean the removal of a student from curricular or extra-curricular activities or from the school premises because the student's presence poses a continuing danger to persons or property, or is an ongoing threat or disruption to the academic process. In all cases of emergency removal where a student is removed from a curricular or extra-curricular activity for less than twenty-four (24) hours, the staff person initiating the removal shall submit to the principal, the reasons in writing for the removal.

If it is intended that the student is removed from a curricular or extra-curricular activity for more than twenty-four (24) hours, a due process hearing will be held within three (3) school days after a removal is ordered.

1. An attempt should be made to notify his/her parents, guardian or custodian immediately by telephone of the pending action and the reasons for it.

2. Written notice of the hearing and reasons for the removal and any intended disciplinary action must be given to the pupil as soon as possible prior to the hearing.

3. The person who ordered or requested the hearing must be present at the hearing.

4. If suspension or expulsion is intended, the due process requirement of the law must be carried out in accordance with the applicable procedural requirements in Board Policy and State Law.

**EXPULSION PROCEDURES**

Definition: The term "expulsion" shall be understood to mean exclusion of a student from all school attendance and related activities for the remainder of the current semester, or for a period of up to 80 school days, unless otherwise addressed in this Code. The Superintendent of Schools may expel a pupil in accordance with procedure outlined by Ohio Statute. Exclusion from school attendance by expulsion is the most severe remedy available to the school for disciplinary infractions.

The Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1)
year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

Prior to expulsion, the Superintendent shall follow the following procedures:

1. Give the Pupil and his/her parent, guardian or custodian written notice of the intention to expel. The notice must advise the student and his/her parent, guardian or custodian or other representatives of their right to appear in person before the Superintendent or his designee to challenge the reasons for the expulsion. The notification must carry the place and time of the hearing, which must take place no earlier than three (3) school days and not later than five (5) school days after the notice is sent. The Superintendent may grant an extension of time upon request provided all parties involved are notified. If the student is 16 years old or older and the intent to expel is based on an offense for which a permanent exclusion may be requested, the written notice must include a statement that the Superintendent may seek permanent exclusion.

2. Arrange for a hearing to be conducted by the Superintendent or his designee under the guideline established by the individual conducting the hearing. Within one school day after the time of the expulsion, the Superintendent shall send written notice to the student and his/her parent, guardian or custodian, and the Treasurer of the Board of Education. The notice shall specify the duration of the expulsion and the reasons therefore. The expulsion may extend beyond the current school year, if at the time an expulsion is imposed; fewer days remain in the school year than the term of the expulsion. The Superintendent may apply any or all of the period of expulsion to the following year. It also shall include notification of the rights of the student, his/her parent, guardian or custodian, to appeal the expulsion to the Board of Education or to its designee within the fourteen (14) calendar days of the date of the notification in order to be heard against such expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the expulsion, and to request that such a hearing be held in executive session.

3. If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

Appeal - Within fourteen (14) calendar days of the date of the notification of the student expulsion, the student (if eighteen years old or older), the parent, guardian or custodian may appeal the expulsion. The request for appeal should be submitted in writing to the Treasurer for the Board of Education or the Superintendent. A hearing shall be scheduled and the requesting parties notified of the time for the hearing which may be extended by mutual agreement. The student or his parent, guardian or custodian may be represented in the appeal proceedings. The Board may affirm the order of expulsion or reverse, vacate or modify the order of expulsion. The Board shall determine the procedures to be followed during the hearing. A verbatim record shall be made.

Should a student enrolled at the Cuyahoga Valley Career Center be expelled from the Career Center for a conduct code violation, which would be grounds for expulsion in the Home School District, the student will be expelled from the Home School District in accordance with the normal expulsion procedure.

LIMITATIONS ON THE DISCIPLINING OF HANDICAPPED STUDENTS

A handicapped student is one whose education is governed by an Individualized Education Plan (IEP). Unless their IEP provides otherwise, handicapped students may be suspended for a period not to exceed ten (10) days per year without convening a placement or IEP conference. Discipline may result in removal from school for more than ten (10) school days if it is determined that the behavior is not a manifestation of the student’s handicapping condition. In such a removal beyond ten (10) school days, the special education and/or related services of the IEP will continue as determined by the IEP Team. All handicapped students are subject to removal on an emergency basis described in the Code. Repeated violation of the Code may indicate that a change in the student's placement or IEP is necessary.
PERMANENT EXCLUSION

Any student who has been found guilty of committing, when sixteen (16) years of age or older, any of the specific offenses identified by state statute and Board Policy may be permanently excluded by the State Superintendent of Public Instruction at the request of the Revere Local School District Board of Education in the manner prescribed by law.

Teachers may decline approval for student field trip participation if the student’s attendance or academic performance is of concern.

FINES AND FEES
All financial obligations incurred by students must be paid in full. All students are assessed a $50.00 student fee for the 2019-2020 school year. Any unpaid fees will follow a student to the high school and must be paid before he or she can graduate.

FIRE, SAFE SCHOOLS, AND TORNADO DRILLS
All drills are conducted periodically in accordance with state law. Safety routes are posted in each classroom and in various locations in the building. It is expected students will follow the direction of staff during drills and assist in the orderly completion of any drill. FOOD AND BEVERAGES
All food and beverages must be consumed in the Cafeteria or the courtyard adjacent to the Cafeteria unless a teacher gives permission in their classroom. Food and drinks are not to be consumed in the hallways. Only clear, non-carbonated, bottled water will be permitted in the classrooms at the teacher’s discretion. Gum chewing in the classroom is at the teacher’s discretion. Food is not permitted in the gymnasium.

HARASSMENT, INTIMIDATION, AND BULLYING

Introduction
Harassment, intimidation, and bullying of students in the school environment can substantially interfere with their ability to learn, perform, and feel safe. Therefore, any conduct, communication, activity, or practice that occurs at any time on school property, on a school bus, or during any school sponsored event, and at the times and/or places set forth in the Code of Student Conduct, that constitutes harassment, intimidation, or bullying involving students shall be strictly prohibited. Students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. Further, any such conduct, communication, activity, or practice should be immediately reported to the building principal or other responsible school employee. All reports of harassment not covered by this policy shall be investigated in accordance with the policies applicable to the particular harassment.

To implement this policy and to address the existence of harassment, intimidation, or bullying in the schools, the following procedures shall be followed:

A. Students must report acts of harassment, intimidation, or bullying to teachers, District employees, and/or school administrators;

B. The parents or guardians of students should file written reports of suspected harassment, intimidation, or bullying with the building principal or other appropriate administrator;

C. Teachers and other school staff who witness acts of harassment, intimidation, or bullying or receive student reports of harassment, intimidation, or bullying shall notify school administrators;

D. School administrators shall investigate and document any written or oral reports;

E. School administrators shall notify the custodial parent or guardian of a student who commits acts of harassment, intimidation, or bullying and the custodial parent or guardian of students against whom such acts were committed, and shall allow access to any written reports pertaining to the incident, to the extent permitted by O.R.C. §3319.321 and the Family Educational Rights and Privacy Act.

1. Definition of Harassment, Intimidation, or Bullying

In accordance with this policy, “harassment, intimidation, or bullying” means either of following:

A. Any intentional written, verbal, electronic, or physical act that a student has exhibited toward another particular student more than once and the behavior both:
   1. Causes mental or physical harm to the other student; and
   2. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student; or

B. Violence within a dating relationship.

“Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

The behavior prohibited by this policy is marked by the intent to ridicule, humiliate, or intimidate the victim. In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or actions taken, whether such conduct occurred in front of others or was
communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred, of the perpetrator.

2. Conduct Constituting Harassment, Intimidation, or Bullying

Such conduct can take many forms and can include many different behaviors having overt intent to ridicule, humiliate or intimidate another student. Examples of such conduct include, but are not limited to:

A. Physical violence and/or attacks.
B. Taunts, name-calling, and put-downs.
C. Threats and intimidation (through words and/or gestures).
D. Extortion or stealing of money and/or possessions.
E. Exclusion from the peer group or spreading rumors.
F. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as “cyber bullying”), such as the following:
1. Posting slurs on Web sites where students congregate on Web logs (personal online journals or diaries);

2. Sending abusive or threatening instant messages;

3. Using camera phones to take embarrassing photographs of students and posting them online;

4. Using Web sites to circulate gossip and rumors to other students;

5. Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers; and

G. Violence within a dating relationship.

3. Complaint Process

A. Formal Complaints

Students and/or their parents or guardians may file reports of conduct that they consider to be harassment, intimidation, or bullying. Such written reports shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review and action.

Teachers and other school staff who witness acts of harassment, intimidation, or bullying, as defined above, shall promptly notify the building principal and/or his/her designee of the event observed, and shall promptly file a written incident report concerning the events witnessed.

B. Informal Complaints

Students may make informal complaints of conduct that they consider to be harassment, intimidation, or bullying by verbal report to a teacher or administrator. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witness. A school staff
member or administrator who receives an informal complaint shall promptly reduce the complaint to writing, including the information provided. Such written report by the school staff member and/or administrator shall be promptly forwarded to the building principal for review and action.

In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of harassment, intimidation, or bullying in other interaction with students. School personnel may find opportunities to educate students about harassment, intimidation, or bullying and help eliminate harassment, intimidation, or bullying behavior through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student, even if such conduct does not meet the formal definition of “harassment, intimidation, or bullying.”

4. Deliberately Making False Reports

Students are prohibited from deliberately making any false report of harassment, intimidation, or bullying. Students found to have violated this prohibition are subject to the full range of disciplinary consequences, up to and including suspension and expulsion.

5. Confidentiality

The right to confidentiality, both of the complainant and of the accused, will be respected consistent with the District’s legal obligation to the complainant, alleged harasser, and witnesses, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

6. Investigation

A. The investigator should remember that the investigation requires a balancing of the accused’s rights, the complainant’s right to an environment free of harassment, intimidation, or bullying, and the Board of Education’s interest in a prompt and fair investigation.

B. The investigator shall meet with the complainant within a reasonable period of time from the time of making the complaint. However, the investigator is urged to meet with the complainant as soon as possible.

C. Following the meeting with the complainant, the investigator shall conduct an investigation to determine if harassment, intimidation, or bullying has occurred. The investigation shall include a conference with the accused and the complainant, as well as any and all other methods which are
considered necessary to determine whether harassment, intimidation, or bullying has occurred.

7. Post-Investigation Procedures

   A. Upon conclusion of the investigation, the investigator shall issue a written report. The report shall include a determination of whether the accused was found to have engaged in harassment, intimidation, or bullying, was found not to have engaged in harassment, intimidation, or bullying, or whether the investigation was inconclusive. The report shall be issued to the complainant’s parents. A copy of the report shall also be sent to the Superintendent or his/her designee.

   B. A finding of no harassment, intimidation, or bullying or inconclusive evidence shall end the investigation.

   C. If harassment, intimidation, or bullying is found to have occurred, the investigator shall recommend what steps are necessary to ensure that the harassment, intimidation, or bullying is eliminated for the victim and other individuals affected by the harassment, intimidation, or bullying and to correct its effects on the complainant and others, if appropriate.

8. Retaliation is Prohibited

   Retaliation against those who file a complaint or participate in the investigation of the complaint is prohibited. Therefore, filing of a complaint or otherwise reporting harassment, intimidation, or bullying will not reflect upon the student’s status, nor will it affect future employment, grades, or work assignments. Further, the administrator is directed to implement strategies for protecting a victim from retaliation following a report.

9. Remedial Actions

   Verified acts of harassment, intimidation, or bullying shall result in intervention by the building principal or his/her designee that is intended to assure that the prohibition against harassment, intimidation, or bullying behavior is enforced, with the goal that any such harassment, intimidation, or bullying behavior will end as a result.

   Harassment, intimidation, or bullying behavior can take many forms and can vary in how serious it is, and what impact it has on the targeted individual and other students. Accordingly, there is no one prescribed response to verified acts of harassment, intimidation, or bullying. While conduct that rises to the level of “harassment, intimidation, or bullying” as defined above will generally warrant disciplinary action against the perpetrator of such harassment, intimidation, or bullying, whether and to what extent to
impose disciplinary action (detention, in and out-of-school suspension, or expulsion) is a matter for the professional discretion of the building principal.

10. Non-Disciplinary Interventions

When verified acts of harassment, intimidation, or bullying are identified early and/or when such verified acts of harassment, intimidation, or bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of harassment, intimidation, or bullying, its prohibition, and their duty to avoid any conduct that could be considered harassment, intimidation, or bullying. If a complaint arises out of conflict between students or groups of students, peer mediation may be considered.

11. Disciplinary Interventions

When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Suspension is a possible consequence for a student found responsible for harassment, intimidation, or bullying by an electronic act.

12. Strategies for Protecting Victims or Other Persons From New or Additional Acts

A. Supervise and discipline offending students fairly and consistently;

B. Maintain contact with parents and guardians of all involved parties;

C. Provide counseling for the victim if assessed that it is needed;

D. Inform school personnel of the incident and instruct them to monitor the victim and the victim’s friends or family members and the offending party for indications of harassing, intimidating, and bullying behavior. Personnel are to intervene when prohibited behaviors are witnessed;

E. Check with the victim and the victim’s friends or family members to ensure that there has been no new or additional incidents of harassment/intimidation/bullying or retaliation of the victim or other persons from the offender or other parties.

F. If necessary to protect a person from new or additional acts of harassment, intimidation, or bullying, and from retaliation following a report, a person may make an anonymous report of an incident considered to be harassment, intimidation, bullying, or retaliation by providing written information to any staff member or administrator. The report should
include as much information as possible and shall be forwarded promptly
to the building principal for review and action.

In addition to the prompt investigation of complaints of harassment, intimidation, or
bullying and direct intervention when acts of harassment, intimidation, or bullying are
verified, other District actions may ameliorate any potential problem with harassment,
itimidation, or bullying in school or at school-sponsored activities. While no specific
action is required and school needs for such interventions may vary from time to time, the
following list of potential intervention strategies shall serve as a resource for administrators
and school personnel:

A. Respectful responses to harassment, intimidation, or bullying concerns
raised by students, parents or school personnel;

B. Planned professional development programs addressing bully/targeted
individuals’ problems;

C. Data collection to document bully/victim problems to determine the nature
and scope of the problem;

D. Use of peers to help ameliorate the plight of victims and include them in
group activities;

E. Avoidance of sex-role stereotyping (e.g. males need to be strong and
tough);

F. Awareness and involvement on the part of all school personnel and parents
with regards to bully-victim problems;

G. An attitude that promotes communication, friendship, assertiveness skills,
and character education;

H. Modeling by staff of positive, respectful, and supportive behavior toward
students;

I. Creating a school atmosphere of team spirit and collaboration that
promotes appropriate social behavior by students in support of others;

J. Employing classroom strategies that instruct students how to work
together in a collaborative and supportive atmosphere; and/or

K. Forming harassment, intimidation, and bullying task forces, programs, and
other initiatives involving volunteers, parents, law enforcement, and
community members.
This policy shall appear in student handbooks, and in the publications that set forth the comprehensive rules, procedures, and standards of conduct for schools and students in the District. The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students and their custodial parents or guardians. Information regarding the policy shall be incorporated into employee training materials.

Orientation sessions for students shall introduce the elements of this policy and procedure. Students will be provided annually with age-appropriate instruction on the recognition and prevention of harassment, intimidation, or bullying, including discussion of the consequences of violating this policy, and their rights and responsibilities under this and other District policies, procedures, and rules at student orientation sessions and on other appropriate occasions.

A District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy adopted pursuant to this section if that person reports an incident of harassment, intimidation, or bullying promptly in good faith and in compliance with the procedures as specified in the policy.

The Administration shall annually send to each student’s custodial parent or guardian a written statement describing this policy and the consequences for violating it. The Administration shall semi-annually provide the president of the Board a written summary of all reported incidents and post the summary on the District’s website to the extent permitted by state and federal student privacy laws.

LEGAL REFS: O.R.C. §§3313.666; 3313.667
Adopted: October 17, 2017

LIBRARY
Fines are charged on overdue or damaged items. Students are expected to follow library regulations or they may forfeit access to the library.

LOCKERS
Homeroom teachers will assign a locker and lock to every student. Students should not share their combinations with anyone. **Lockers are the property of the school and the administration reserves the right to search any locker.** Since students are not permitted to carry book bags or backpacks, all personal items and books, when not in use, are to be kept in the locker. Decals, inappropriate pictures, etc. are not allowed. Defective lockers should be reported immediately to the Office. Intentionally damaging the locker or lock mechanism or damage incurred by presetting the lock will result in a fine for replacement. While using the locker room during or after school, students should lock their belongings in a locker.
LOST AND FOUND
Students who find lost articles are asked to take them to the lunch room where they can be claimed by the owner. Unclaimed items will be donated to local charities.

LUNCH PERIOD
All students must eat lunch in the Cafeteria or the courtyard adjacent to the Cafeteria whether they purchase or carry their lunches. All food and beverages must be consumed in these two areas. Students are to take pride in the lunch facilities and are responsible for clearing tables of trays, litter, and debris before they leave the Cafeteria. Lunchroom conduct should conform to general rules of courteous behavior. Cutting in line, throwing food, placing trays in trash cans, and boisterous behavior are unacceptable and will result in discipline. Lunch periods are closed. This means that students are not permitted to leave school during their lunch period. Students who do so are subject to disciplinary action. As a rule, students are not permitted to leave the Cafeteria during their lunch period except to use the restroom.

MEDICATION
The administration of any medication to a student by school personnel requires the completion of necessary forms by the parent /guardian. Forms are distributed at the beginning of the year and are available in the Main Office. Both a parent /guardian and a physician must complete and sign the form. Medicine to be dispensed at school must be in its original prescription bottle. The school or its employees cannot provide aspirin or any other over-the-counter medication.

OUT OF SCHOOL SUSPENSION
The student may make up any available missed assignments or tests during out of school suspensions. It is strictly the student’s responsibility to determine what work is missed by checking Progress Book or contacting a fellow classmate for information. Teachers are not responsible for providing make-up information or assignments. It may not be possible to make up class participation activities. All missed assignments are due the day the student returns to school from the out-of-school suspension. The student must make arrangements through their classroom teachers to complete any tests or quizzes.

PROGRESS BOOK AND REPORT CARDS
Academic progress is reported through various methods such as Progress Book, Interim Reports, and Report Cards. All Report Cards Interims and grades will all be electronic on Progress Book. Conferences are encouraged at any time and parents may contact teachers for appointments. For questions about access to Progress Book, the online grade report program, please call (330) 523-3407.

PUBLIC RECORDS
A request for public records must go through the Treasurer’s Office, as the Treasurer is the designated Records Officer for the Revere School District.
SATURDAY MORNING DETENTIONS
The guidelines for students serving Saturday Detention are:

1. Sessions will be held at Revere Middle School from 9:00 a.m. until 12:00 p.m. Anyone arriving after the session starts will not be allowed to enter and will be considered unexcused and absent. (No exceptions.)
2. Students will enter the building at the front door and will be in their seats by 9:00 a.m.
3. Students who fail to show up for Saturday detention will be subject to additional disciplinary action.
4. Students are to bring books and materials to complete their assignments. No one will be permitted to go to his/her lockers.
5. No food, audio equipment or any recreational/leisure activities will be permitted.
6. Students are responsible for having work to do to cover the complete three (3) hour time period.
7. Failure to follow the stated rules will result in the students being removed from the session and being subject to additional disciplinary action.

SCHOOL BUS PROCEDURES
Safe school transportation is considered an integral part of the total educational program within the Revere School System. Riding a school bus is a privilege. The primary purpose of the school bus is to transport pupils to and from school safely. The Revere School District recognizes that a safe school bus requires the cooperation of our parents, students and school staff. Please read the following duties and responsibilities of school bus passengers carefully and do your part to stress the importance of an accident-free school bus transportation program to your child.

Riding the school bus is a privilege extended to students that can be taken away anytime for disruptive or unsatisfactory behavior. All children being transported are under the authority of the bus driver and must obey the driver’s directions. The school bus drivers are in charge while students are on buses.

The following bus regulations are in effect:
1. Students boarding the bus from the right side of the road must stand back in a safe designated spot and wait until the bus comes to a complete stop and the red lights are flashing before approaching the bus. Students boarding from the left will use the same rules as the right side, but must wait for the driver to give a hand signal to cross the street.
2. Students must carry backpacks and other bags in front of them when boarding and disembarking the bus. No key chains of any kind can be on the backpacks.
3. While on the bus, the pupil is under authority of, and directly responsible to the bus driver.
4. Upon entering the school bus, the pupils shall take their assigned seats. Pupils shall remain seated at all times, facing forward in the seat. The aisle must be kept clear at
all times. No arms, legs, feet or parcels shall extend into the aisle way at any time. **This is a state law.** All backpacks and bags must be held on their laps. Nothing is to be stored under the seat. Any over-sized project for school may not be transported by bus.

5. Pupils should conduct themselves on the school bus as they would in the classroom **except** that a reasonable amount of quiet conversation is permissible. Yelling to one another is not permitted.

6. **Eating or drinking on the bus is not permitted at any time.**

7. Pupils shall not smoke or light matches or cigarette lighters, or cause any other flammable material to burn on or near the bus.

8. Pupils causing damage of any type to the school bus will be held liable for the cost of repairing the damage to the bus. Students causing willful and malicious damage will be denied the privilege of riding the bus to school.

9. Permission must be given by the bus driver before any windows may be opened. No throwing of any objects out of the windows is allowed. No pencils, pens or any sharp objects are permitted out of book bags while student is on the bus.

10. **Carrying of any dangerous objects or materials (such as knives, guns or fireworks) is an automatic suspension of bus riding privileges.** The following items may not be transported on the bus: glass containers, skateboards, lawn chairs, balloons, large boxes, lacrosse or hockey sticks, golf clubs, skis, plastic sleds, baseball bats. All soccer balls, footballs, basketballs, etc. may be transported if they are contained either in a closed bag or backpack.

11. The Board of Education is required by state regulations to designate all bus stops. Bus stops have been placed in locations throughout the district that have, through the years, proven safe for loading and unloading students. Due to the number of students transported, an effort has been made to locate stops so that no student has to walk more than one half mile to a bus stop. The exception to this would be students living on spur roads not traveled by Revere school buses. Parental assistance is requested in seeing that the children arrive safely to and from the stop.

12. All pupils will load and unload from the buses only at designated stops. When on schedule, the bus cannot wait for tardy pupils. Pupils are to be at their designated bus stop five minutes before the bus is scheduled to arrive. When ahead of schedule the driver shall wait until the bus is on schedule for the stop. Transfer of a pupil from his regular bus will be permitted only in case of hardship. A signed note from the parent must be presented to the principal’s office in advance.

13. Bus drivers are to report discipline cases on the bus to the Transportation Supervisor. The Transportation Supervisor will consult with the pupil’s school principal after a reported infraction of the bus rules. Continued disorderly conduct or refusal to submit to authority of the bus driver shall be sufficient reason for refusing transportation service to any pupil. The administration shall follow the procedures outlined for suspending a pupil from school.

**SCHOOL TRANSPORTATION PRIVILEGES**

If the Superintendent and/or designee determine that a student's behavior on a school vehicle violates school rules, he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior.
Prior to such suspension, the Superintendent shall notify the student of the intended bus suspension and afford the student the opportunity to respond to the intended suspension or otherwise defend himself.

**SCHOOL CLOSINGS**

In the event of inclement weather or a calamity, school may be closed or starting time delayed. The same conditions may also necessitate early dismissal. School closings, delays in starting time, or early dismissals will be announced via the Alert Now notification system. If no report is heard, it can be assumed that school will be in session.

STUDENT IDENTIFICATION CARDS
Students will be issued one identification badge at the beginning of the school year. If they lose their badge, students are responsible for replacing it. Replacement cost to the student will be $5.00 for each badge.

STUDENT VALUABLES
Students are cautioned not to bring large amounts of money or other valuables to school. Students, not the school, are responsible for their personal property.

TELEPHONES
Office telephones may be used in the cases of emergency with the permission of school personnel. Using the phone is not a reason to be absent from or tardy to class.

TEXTBOOKS
All basic texts are loaned to students for their use during the school year. The student pays for workbooks and other supplies. Textbooks are to be kept clean and handled carefully. Students are to use book covers to prevent damage to their books. Students should write their name and grade on the book label in case the book is misplaced. Pupils will be required to pay for lost or damaged books.

UNAUTHORIZED USE OF YEARBOOK AND WEBSITE
Unauthorized use of the yearbook and website content or photographs is prohibited. None of the materials may be copied, modified, reproduced, posted, published, transmitted and/or distributed in any form or by any means without prior written permission.

VACATIONS DURING SCHOOL DAYS
Regular, uninterrupted attendance is crucial to full academic achievement. Parents are urged to make every effort, whenever possible, to plan vacations when school is not in session. The length of time for completion of make-up work shall be commensurate with the length of absence.

VIDEO AND AUDIO RECORDING DEVICES
Video and/or audio recording devices are not to be used at school without permission from school personnel. This includes the use of these functions on cell phones.

VISITORS
All visitors must report to the office immediately and secure a pass. Students from other schools are not encouraged to visit unless they plan to compare to enroll. These student visitors must present a pass and be escorted by a Revere Middle School student throughout the day. Prior approval by the principal is required.
WITHDRAWALS, TRANSFERS AND CHANGE OF ADDRESS
A parent/student should notify the Guidance Office a few days in advance of transferring or withdrawing from school. The student must obtain a withdrawal form from the Guidance Office. All subject teachers must sign this form after textbooks are returned. All financial obligations must be satisfied. The form is returned to the Guidance Office when it is completed. No transfers or withdrawals will be issued until the form is returned. Students who change their address, telephone number or emergency information must update in Oneview. All technology items must be returned and all library books returned.
Revere Reunification Method Parent/Guardian Information Sheet

Circumstances may occur at the school that will require parents to pick up their students in a formalized, controlled release. The process of controlled release is called a reunification and may be necessary due to weather, a power outage, hazmat, or if a crisis occurs at the school. The Standard Revere Reunification Method is a protocol that makes this process more predictable and less chaotic for all involved.

Because a controlled release is not a typical end of school day event, a reunification may occur at a different location than the school a student attends. If this location is another school, then those students may be subject to a controlled release as well.

Notification
Parents may be notified in a number of ways. The school or district may use Blackboard Connect and/or social media. In some cases, students may be asked to send a text message or make a phone call to their parents. A reunification text message from a student may look something like this: “The school has closed, please pick me up at 3:25 at the main entrance. Bring your ID.”

Parent/Guardian/Authorized Person Expectations
If a parent or guardian is notified that a controlled release and reunification is needed, there are some expectations that parents or guardians should be aware of. First, bring identification. That will streamline things during reunification. Second, be patient. Reunification is a process that protects both the safety of the student and provides for an accountable change of custody from the school to a recognized custodial parent, guardian or authorized person.

What if a Parent/Guardian Can’t Pick-up Their Student?
When a parent/Guardian can’t immediately go to the reunification site, students will only be released to individuals previously identified as a student’s emergency contact. Otherwise, the school will hold students until parents/guardians or authorized person can pick up their student.

What if the Student Drove to School?
There may be instances where a student may not be allowed to remove a vehicle from the parking lot. In this case, a parent/guardian or authorized persons are advised to recover the student. In some circumstances, high school students may be released on their own.

How it Works
For students, the school asks that students be orderly and quiet while waiting. Students may be asked to text a message to their parents or guardian. Students are also asked not to send other text messages either in or out of the school or reunification area. Keeping the cellular network usage at a minimum may be important during a reunification.
**Reunification Cards**

For parents/guardians/authorized persons, there are a couple steps. If a parent/guardian/authorized persons is driving to the school, greater awareness of traffic and emergency vehicles is advised. Once at the school, you should park where indicated and not abandon your vehicle. You will then be asked to go to the Reunification “Check In” area and form lines based on the first letter of their student’s last name. While in line, you will be asked to fill out a Revere Reunification Form. This form is perforated and will be separated during the process. In the case of multiple students being reunified, a separate form will need to be completed for each individual student.

Parents should be aware that in some cases, they may be invited into the building for further information.

**Interviews and Counseling**

In some cases, parents/guardians or authorized persons may be advised that a law enforcement investigation is underway and may be advised that interviews are necessary. In extreme cases, parents/guardians or authorized persons may be pulled aside for emergency or medical information.
