Section 4 The Superintendent or designee shall provide the President and the Secretary of the Union with a seniority list of the employees by classification, and by each employee's first day of regular employment in the system. Section 8 An employee who is temporarily assigned to head cook, head custodian or senior mechanic shall be placed at his/her current step on the salary schedule in the higher paying position beginning with the first day.

When a head cook is absent, the substitution for the absent head cook shall be initially filled by volunteers within the affected kitchen. If there are no volunteers, then the assignment will be rotated among the cooks in the affected kitchen. If the head cook's absence is long-term (exceeds five continuous work days), the substitution rotation for each cook shall be for five continuous work days. If the head cook's absence is less than five continuous work days, the substitution rotation shall be daily. When a cook is substituting for an absent head cook, the substitute shall work the head cook schedule and shall be paid on the salary schedule for the job being performed.

If there are two (2) or more absences in the Food Service classification, not filled by substitutes, on a single day when students are being fed, and after every reasonable effort to fill those positions with substitutes has been made, the Food Service Coordinator/Consultant may ask for a cook to transfer temporarily, and on a case by case daily situation, to work in a kitchen at another location. This would be first on a voluntary basis. If there are no volunteers among the cooks, it will be involuntarily rotated throughout the year, starting with the least senior cook. If the position to be filled is a head cook, it will be filled with a cook from the same kitchen, then proceeding to fill cook vacancies with substitutes, and lastly, transfers from another building.

Section 9 No employment contract for regularly scheduled hours shall be for more than 40 hours per week. Effective June 1, 2021, there will be no dual rate employment. This provision applies only to employees who hold positions in (2) two different job classifications. Any employee holding dual positions, as indicated above, shall submit a written resignation to the Superintendent, on or before May 31, 2021, to be effective on June 30, 2021, from one (1) of his/her dual positions.

Section 10 There shall be a thirty cents (30¢) per hour premium for employees working a 3rd

shift schedule for two (2) or fewer years. For employees who continue to work the 3rd shift for more than two (2) years shall receive a premium of forty cents (40¢) per hour. The premium will not be paid to those employees requesting to be placed on the 3rd shift on a temporary basis for personal reasons.

Section 11 In order to be eligible for overtime or extra time an employee must work the entire scheduled shift prior to the extra work or overtime (exception: sick leave use resulting from emergency appointments or prescheduled appointments made known to management at the time of the extra work assignment).

Section 12 Overtime and extra time assignments may be limited by the employee's use of sick leave. See, Article 13 (Sick Leave), for limitations.

Section 13 Mechanics will occasionally be required to operate a school bus to transport students. If a mechanic is required to perform such a duty during a school year (July through June), the mechanic shall receive a stipend in the amount of \$50.00 for each assignment with a maximum aggregate annual stipend of \$350.00.

Section 14 Professional Development – The administration may design and present professional development programs for the various classifications in the bargaining unit that may be offered throughout the work year. Members of the bargaining unit shall be required to attend up to the equivalent of one of his/her regularly scheduled work days at the Professional Development programs offered to his/her classification in each work year. Bargaining unit members shall be paid their regular rate of pay for verified attendance and the hours spent in professional development shall not be counted as hours worked for the purpose of overtime. If the Professional Development Program is presented and completed via computer, the verified hours spent will be in lieu of school in-service hours.

Section 15 Cashiers may be directed to perform the duties of a cook by the Food Service Supervisor/Consultant or Head Cook when the need arises. When a Cashier serves in the capacity of cook or head cook, the Cashier shall receive the normal rate of Cashier pay or Head Cook pay, whichever is higher.

Fractional amounts will not be considered. For these employees, the accumulated pro-rated vacation may be used in accordance with this procedure after the initial June 30th following their employment.

Section 2

Vacation time is not cumulative from year to year except if an employee who is eligible for vacation and after completing fifteen full years has five (5) or more days of unused vacation days as of June 1, he/she may give the Treasurer's office an irrevocable written notice that he/she wants five (5) days of vacation carried-over to the next year or paid at his/her per diem rate for up to ten (10) days of unused vacation at that time. At no time may an employee have more than five (5) additional days of vacation to his/her credit. Payment will be made no later than the first pay in July. All employees entitled to paid vacation under this Article, except for bus mechanics and employees whose retirement has been accepted by the Board, shall submit a vacation request at least two (2) weeks in advance, if the length of the requested vacation is two (2) or more weeks (for vacations of less than two (2) weeks, the notice must be five (5) workdays in advance), preceding the intended vacation use. Section 3 Vacations during the school year are subject to the availability of suitable substitutes. Advance notice of five (5) workdays is required for any vacation desired during the school year. Failure to provide required notice will result in a denial of the requested vacation.

If an employee has an emergency situation, which would necessitate the use of a personal leave day under Article 14, and the employee does not have accrued unused personal leave available, the employee, upon written approval of the appropriate Supervisor, may take up to three consecutive accrued vacation days for such emergency situation.

Section 4 Any full time employee who is eligible for vacation, who has completed one (1) year experience, shall be entitled to his/her prorated share of all earned vacation time, upon termination of employment in the system.

- E. The "pick up" shall be a uniform percent for all classified employees, and it shall apply to all payroll payments made after the effective date of this provision and shall not be at the individual employee's option.
- F. This provision shall be effective and the "pick up" is determined solely by the Internal Revenue Service (IRS) and compliance with this section does not guarantee that the tax on the "pick up" will be deferred. SICK LEAVE

- Section 1 Each employee is entitled to accumulate paid sick leave at the rate of 1¼ days per month employed under a contract as a regular employee for a total of 15 days per 12 month year.

As used in this Article, a "day" shall be equal to the number of hours an employee is regularly scheduled to work per day. The use and accumulation of sick leave shall be in hours. By example, if a half-time employee's regularly scheduled work day is four (4) hours in length, he/she earns, uses, and accumulates sick leave at the rate of four (4) hours per day.

- Section 2 Unused sick leave shall accumulate to a total of the following hours based upon the number of hours per day the employee is regularly assigned to work at the

time of the retirement:

- 2 hours per day = 590 hours;
- 3 hours per day = 885 hours;
- 4 hours per day = 1,180 hours;
- 5 hours per day = 1,475 hours;
- 6 hours per day = 1,770 hours;
- 7 hours per day = 2,065 hours;
- 8 hours per day = 2,360 hours;

All accumulated sick leave shall be transferable from any other school district or public agency.

Effective July 1, 2012, all sick leave accumulation of current members of the bargaining unit shall be converted to an accumulation of hours based upon an employee's number of sick leave days accumulated and the regularly scheduled work day of the employee at that time. By example, if an employee has one hundred (100) accumulated sick leave days and his/her regularly scheduled work day as of July 1, 2012 is four (4) hours, the converted sick leave accumulation as of July 1, 2012 shall be four hundred (400) hours.

- Section 3 Employees may use sick leave upon notification of the proper administration office for absence due to illness, injury, pregnancy, exposure to contagious disease and for illness or death in the employee's immediate family.
- Section 4 In the case of illness or injury the "immediate family" shall be interpreted to mean parents, parents-in-law, sister, brother, spouse, children, or other relative in the same household who clearly stands in the same relationship with the bargaining unit member as any of these, to include any other person who stands in place of a parent (loco parentis). For purposes of death the "immediate family" shall be interpreted to mean parents, parents-in-law, sister, brother, spouse, children, step-parent, step-child, grandparents, grandchildren, or relative living in the same household. The "immediate family" shall also include persons whose relationship arises from marriage to the person listed herein, or any other person who stands in place of a parent (loco parentis).
- Section 5 An employee may use a maximum of ninety (90) days of paid sick leave in case of illness or injury to a member of his/her immediate family.
- Section 6 The Board of Education shall advance up to five (5) days sick leave, each year, during the first year of employment with the Board of Education to all support staff personnel who have exhausted his/her accumulated sick leave. Any advanced sick leave days shall be recovered from the employee with his/her sick leave earned after the advancement.
- Section 7 Employees shall have the option of using worker's compensation or sick leave

when injured on the job. Once the option is selected, the decision is irrevocable.

Section 8 Drivers who serve as playground aides or cafeteria workers, who ask to be off for that part of their assignment only, shall only be charged for 1/3 day of sick leave. If a Kindergarten, VoEd or regular driver who is also a playground aide or cafeteria worker is only absent from the playground aide or cafeteria position on six (6) separate occasions in one school year, the employee will be removed from the playground aide or cafeteria position. If there is satisfactory documentation that the mid-day absence was medically necessary, the absence will not be counted.

Section 9 If an employee is absent in excess of five (5) consecutive work days for personal illness, pregnancy, injury or exposure to contagious disease which could be communicated to other employees or children, and if the employee has sought medical attention from his/her physician, the Superintendent may require from that physician a statement certifying the nature of the illness involved and that the employee is now able to perform the duties of the position to which he/she is assigned. The physician's statement shall only certify the physician's opinion of the employee's ability to return to work and shall not divulge any confidential information.

Section 10 The parties agree to meet in Labor-Management to review the use of sick leave by employees and to develop ideas to reduce the use of sick leave. The Union understands the responsibility and authority of the Board to develop policies regarding attendance of employees.

Section 11 Sick Leave Transfer

A. When a bargaining unit member has exhausted all of his/her accumulated sick leave/vacation/personal leave, including five (5) advance days, and additional days are still needed, then he/she may request the additional sick leave days through a sick leave transfer from other bargaining unit members with accumulated sick leave, as follows:

1. Bargaining unit members employed as twelve-month employees may request and receive additional sick leave days from other bargaining unit members who are twelve-month employees; and
2. Bargaining unit members employed as less than twelve-month employees may request and receive additional sick leave days from other bargaining unit members who are less than twelve month employees.

B. The number of transferred days an employee may receive shall be limited to thirty (30) days in a school year. In no event shall this transfer prevent a bargaining unit member from applying for or going on disability

retirement.

- C. Upon receiving a sick leave transfer request, the Association President shall distribute a notice to all appropriate bargaining unit members notifying them of the sick leave request.
- D. A bargaining unit member wishing to transfer accumulated sick leave to the requesting bargaining unit member shall, within five (5) days, submit a sick leave transfer form to the Association President authorizing the transfer.
- E. Upon receipt of the signed forms, the Association President shall remit them to the Board Treasurer. The forms shall indicate to whom, from whom, and how many days are to be transferred by the Board Treasurer.
- F. An employee transferring sick leave days may transfer a maximum of seven (7) days per request and shall not be permitted to deplete his/her own sick leave accumulation below twenty (20) days.
- G. Transferred sick leave days shall be paid at the regular rate of pay of the employee receiving the sick leave transfer.
- H. A transfer of sick leave to another employee shall not be considered an absence to the transferring employee.
- I. Sick leave transfer is intended for situations in which the receiving employee or his/her spouse and/or child has suffered catastrophic illness or injury. For purpose of this provision, the term "catastrophic illness or injury" shall include only those illnesses and/or injuries that are calamitous in nature, constituting a great misfortune.

ARTICLE 14

AUTHORIZED ABSENCE - PERSONAL LEAVE

Section 1 Authorized Absence with Pay - At the beginning of every school year, each employee shall be credited with three (3) days to be used for the employee's personal business subject to the restrictions in this Article. Employees hired after July 1 shall be credited with personal leave on a prorated basis.

Section 2 For one of these personal leave days, an employee planning to use personal leave shall notify his/her supervisor in advance of such intentions five (5) days in advance. Failure to notify the principal or immediate supervisor may result in loss of pay for time missed. No more than 10% of the bargaining unit members but at least two (2) bargaining unit members (if there are only 2 bargaining unit members in a classification only one bargaining unit member) in the individual

classifications shall be on personal leave on any given day unless otherwise approved by the employee's immediate Supervisor. After April 30 until the end of the school year, any personal leave request must be approved in advance by the bargaining unit member's immediate supervisor. Where the use of personal leave is for an emergency on the day of the absence, the employee's immediate Supervisor will permit the personal leave without requiring any further explanation from the employee unless the day of absence was previously denied or the absence extends a holiday or break. If a requested day was previously denied under any leave provision or the absence extends a holiday or break, a further explanation, which may include documentation, will be required and may be denied. In the event of a denial, the employee will receive the reason(s) for the denial upon his/her request. If the request is denied, the employee may be permitted to take one day of unpaid personal leave.

Section 3 Purpose of Authorized Absence: Authorized absence is granted for the purpose of handling a situation of an emergency nature that cannot be handled at times other than during school hours. Its use is, therefore, to be requested after the employee has given careful thought to the urgency of the reason. Authorized personal leave shall not be requested for such purposes as extension of regular or school holidays, during the first or last week of school, shopping trips, pleasure trips, retirement, resignation, or other non-emergency purposes.

Authorized absence is not a grant of an additional 3 days of vacation, and should only be utilized for contingencies of an emergency nature such as funerals of persons not covered in Article 13, Section 4 above, legal matters and religious holidays.

Section 4 Authorized Absence Without Pay - Any employee desiring to be absent from his/her job assignment for a period of time not covered by Section 1 above may request approval for absence, not to exceed five (5) working days. The number of days may be exceeded in cases of personal or family emergency, with the approval of the Superintendent or administrative designee.

A grievance is an alleged violation of a specific article or section of this agreement, and/or administrative regulation, directives or procedures. Any alleged violation of administrative procedure may be processed only through Level 2, Step 3.

Section 2 **Purpose**

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may from time to time arise affecting the welfare or working conditions of school employees. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

Section 3 **Grievance Committee**

The local Union shall establish a Grievance Committee, (hereinafter referred to as the G.C.) which shall be broadly representative of the various elements of the school employees staff included within the negotiating unit. The G.C. shall consist of one representative from each of the six employment classifications. One of these representatives shall act as spokesman and chairman. If any member of the G.C. is a party in interest to any grievance brought before the committee, he shall disqualify himself/herself from considering such grievance.

The Supervisor shall take action on the written grievance and reduce the response to writing with copies sent to the grievant and Union, within twelve (12) calendar days after the hearing date.

Step Two: If Step One does not resolve the grievance to the satisfaction of the grievant, he/she shall have the right to appeal, in writing, the Supervisor's decision, within twelve (12) calendar days of receiving the response, to the Superintendent or designee, who shall respond to the Union, in writing, within ten (10) calendar days.

Within thirty-two (32) calendar days of receipt of the request for arbitration, either party may petition the Federal Mediation and Conciliation Service for a list of seven (7) arbitrators. Both parties

may request a second list. A single arbitrator will be selected in accordance with the alternate strike method. The decision of the arbitrator shall be final and binding on the parties.

The arbitrator's fees and expenses shall be equally shared in arbitration. As part of the award, the arbitrator shall designate either the Union or The Employer as the losing party. Each side shall be responsible for the costs it individually incurs. The cost of joint services, such as court stenographer and transcripts or administration fees, shall be equally shared if requested or accepted. UNIFORM APPEARANCE

- A. All members of the Bargaining Unit represented by OAPSE shall wear attire that easily identifies the individual as an employee of the Revere Local School District. The Superintendent has the final authority to decide on the uniform appearance and quantities for each employee after giving consideration to the recommendations. All employees shall have a choice of at least three (3) different types of shirts. In order to achieve this uniformity, the Board shall purchase the uniform attire, including a minimum of five (5) shirts, for each employee in the Bargaining Unit in a size that will comfortably fit the employee. Uniforms shall be worn only during the employee's time at work.

Excessive absenteeism will not be tolerated and may result in disciplinary action. An employee with an unsatisfactory attendance rating may be required to provide medical documentation after the 5th consecutive absence.

If an employee has a sufficiently serious health problem, that employee will be counseled and encouraged to apply for disability retirement within thirty (30) days of the date of a conference with the Superintendent or designee.

APPENDIX IV

LETTER OF UNDERSTANDING

This Letter of Understanding is entered into by and between the Revere Local School District Board of Education ("Board") and the Ohio Association of Public School Employees, Local 228 ("OAPSE").

The Board and OAPSE recognize that from time to time there arises a need for the transportation of a student with special needs when there are no bargaining unit members with a CDL available to provide the needed transportation. At the same time, the parties recognize that the individual education plan (IEP) of the student or the nature of the services required in the IEP may require that the transportation occur at a specific time.

If the Coordinator of Business Services becomes aware that such a situation exists or is about to exist, he shall contact the President of OAPSE Local 228. These two individuals, along with a Local Transportation representative, shall meet as soon as possible in order to address the described situation. They shall collaboratively explore viable alternatives that will address the needs of the student and consider the interests of the members of the bargaining unit. Through this process, the Coordinator shall resolve the situation.

The resolution of the situation reached through the collaborative efforts of the Coordinator and the OAPSE Local President shall control the situation until the facts surrounding the resolved situation materially change. At that time, the Coordinator and the OAPSE Local President shall again attempt to reach a resolution through their collaborative efforts.

The parties agree this practice shall continue for the duration of the successor collective bargaining agreement.
