## STUDENT HANDBOOK

2020-2021

**This book belongs to:**

**Name:** \_\_\_\_\_

**RISE/Homeroom Number:** \_\_\_\_\_ **Grade:** \_\_\_\_\_

## **ABSENCES AND PARTICIPATION**

Students must be in attendance the entire school day in order to be eligible for extracurricular, co-curricular, and curricular participation. This includes, but is not limited to; athletics, band, choir, drama and field trips. Exceptions to this policy will be reviewed by the administration.

## **ACADEMIC EXTRACURRICULAR ELIGIBILITY**

Students are required to meet all eligibility requirements set forth by the Ohio High School Athletic Association and the Revere Local School District Board of Education to participate in extracurricular activities. Among these requirements are passing grades in at least 5 subjects in which they were enrolled in the immediately preceding grading period and having earned a minimum GPA of 2.0 in the previous grading term. Students meeting the passing grades in at least 5 subjects, but having a GPA of 1.00 to 1.99 will be placed on Academic Probation.

Student-athletes must receive a passing grade in five classes during the last grading period to remain eligible. The five classes must be indicated on the student's academic record.

Summer school courses cannot be used to restore a student's eligibility for fall sports.

## **ACADEMIC INTEGRITY**

Students are expected to present only their work for any assignment, project, or assessment. Presenting another's work as one's own is considered cheating and/or plagiarism. Students who violate this policy may receive zero credit. This includes the unauthorized use of data to gain an academic advantage. Students may also be referred to administration for further disciplinary action.

## **ACCIDENTS**

Every accident in the school building, on the school grounds, at practice sessions or at any event sponsored by the school must be reported immediately to the person in charge and to the Main Office.

## **ATTENDANCE**

Each parent, guardian, or custodian having charge of a child of compulsory school age must send the child to school for the entire time the school attended is in session (ORC 3321.04). Students are more likely to succeed in school, academics, and building skill sets when they consistently attend school. Excessive absences interfere with students' progress in mastering knowledge and skills necessary to be prepared for higher education and the workforce upon high school graduation. Because of this, in December 2016, Ohio legislature passed House Bill 410 to proactively address excessive absences and truancy. By law, once a student accumulates 38 hours of absence per month or 65 hours per year, they will be considered excessively absent and referred to the district's at-risk student coordinator. Absences accompanied with a medical note will be excluded from the

accumulated hours of absence. The student and family may be required to participate in an intervention program or be referred to the Summit County Juvenile Court as necessary.

#### **AUTHORIZED EXCUSED ABSENCES**

Absences for the following reasons shall be considered as excused:

- A. Personal illness.
- B. Serious illness or death of a family member.
- C. Funeral.
- D. Medical and dental appointments that cannot be arranged during non-school hours.
- E. Unusual or emergency situations at home.
- F. Religious holidays and activities.
- G. Authorized school-sponsored activities.
- H. Approved college visits.
- I. Acts of God.
- J. Quarantine.
- K. Out-of-state travel, not to exceed 24 hours per school year that the student's school is open for instruction, for participation in an enrichment activity approved by the Board of Education or an extracurricular activity, defined as a student activity program operated by the District but not included in a graded course of study.
- L. At the Superintendent's discretion, a visit with a parent or legal guardian who is an active duty member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Commissioned Corps of the National Oceanic and Atmospheric Administration and Public Health Service and who has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

An absence for any reason other than those listed above shall be classified as unexcused. All excuses from parents, as well as other documents pertaining to a student's enrollment, attendance, and withdrawal from the District, shall become a part of the official attendance record and shall be maintained regardless of format or condition.

A student shall have the opportunity to make up school work missed due to an excused absence; however, it shall be the responsibility of the student to initiate a make-up procedure and schedule with his or her teacher(s). All make-up work shall be completed within the number of days missed following the excused absence. A student shall receive full credit for school work made up pursuant to an excused absence.

The principal or his or her designee may request written verification of a student's illness from a physician licensed to practice medicine in the state in the event of frequent or extended absences attributed to personal illness.

A student must be in attendance at school for half of the school day in order to participate in any school-sponsored activity that is conducted on that day; in cases of emergency the principal or his/her designee may grant an exception to this limitation.

LEGAL REFS: O.R.C. §§3301.60; 3321.041; 3321.13

### **Attendance Procedures**

1. Student absences are verified daily by the attendance secretary.
2. Absences - Any absence that is not reported to the Main Office by the student's parent, guardian or custodian will be listed as unexcused. To avoid this, please call **330-523-3404** on the day of the absence. Unless a phone call or note from the student's parent or guardian accompanies the student on the day of his/her return, this absence will be considered as truancy from school and zero credit for class work on that day will be issued.
3. Make-up work - It is the responsibility of students who are absent for any reason to obtain their make-up work. Students are permitted one day of make-up for every day missed. A day's absence does not excuse a student from the responsibility for all previously announced assignments or tests on the day of his/her return.
4. Students who leave the building because of illness, appointment or other emergency must first report to the Main Office. For early dismissal, the student must bring a note from his/her parent with the student's name, date, time of dismissal, reason and who will be picking the student up. The student needs to bring this note to the Main Office before school starts. The student will receive an early release slip and present it to his/her teacher at the time of his/her departure. The parent must sign the student out in the attendance office. The clinic will be available for part of a period if a student wishes to lie down due to illness. It is the Main Office policy to obtain permission from a parent, guardian or alternate authority before releasing a student from school. Students must rearrange tests or quizzes or any other assignment due that day and then sign out in the Main Office and receive a pass to leave the building. Failure to do so may result in zeroes issued at the discretion of the teacher. Students must sign-in immediately upon their return and go to class.
5. Tardiness to School - Any student arriving after 7:30 a.m. must report to the Main Office. Only students who are late due to a medical appointment or an emergency will not be disciplined as tardy. A note from the doctor must accompany the student upon their arrival. Oversleeping or transportation difficulties are not excused tardies. Students who are excused and miss a class due to arriving late to school must consult with their teachers prior to leaving school that day to rearrange for tests or quizzes and to obtain the homework assignment. Failure to do so may result in zeroes issued at the discretion of the teacher. Chronic tardiness will not be tolerated and will result in disciplinary action beyond detention. A student is considered tardy **if they are not in first period class by 7:30 a.m.** A student will be considered absent from a class if he/she arrives more than twenty minutes into the class period. All tardiness will be counted as such and is cumulative over the quarter. (Note: an unusual circumstance is left to the discretion of the administration.) Punctuality to class is expected as well. Students who are chronically tardy to class may be reported to the administration.

Consequences for tardiness to school in a trimester are as follows:

Second Tardy	Warning
Fourth Tardy	One detention
Sixth Tardy	One Saturday detention
Eighth Tardy	One day Alternative Learning Center

Note: Each two subsequent tardies will result in additional disciplinary action that may include out-of-school suspension.

6. RISE/Homeroom - On days scheduled for RISE/Homeroom, all students are expected to be in RISE/Homeroom by 7:30 a.m. Students who arrive after the start of RISE/Homeroom are to report to the Main Office. Those students who are in RISE/Homeroom but are then subsequently late to their first period class may be disciplined as being tardy to class rather than tardy to school.

Note: Because of the potential multitude of circumstances related to attendance matters, the administration reserves the right to render judgments in individual cases.

### **BULLETINS AND ANNOUNCEMENTS**

All announcements for the P.A. must be written in advance and signed by an activity advisor. Students are not to come to the PA room during announcements with special messages. All posters and signs placed in the building must receive prior approval by an administrator.

### **CELLULAR PHONES/ELECTRONIC COMMUNICATION DEVICES**

You may carry a cell phone, but it must be kept off and out of sight. No use of cellular phones or other electronic communication devices are permitted in the halls, restrooms or cafeteria during school hours. Cell phones must be left with a teacher when going to the restroom during class. Cell phones that have been taken away will be turned into the main office at the end of the school day.

### **CLASSROOM EXPECTATIONS**

All students are expected to comply with the Code of Student Behavior during classroom instruction. Violations of the Code of Student Behavior will not be tolerated and may require further disciplinary action by administration.

### **COMPUTERS**

Policies governing the use and/or misuse of computers and technology are included in the Revere Board of Education policy guidelines and Code of Student Behavior. Use of school computers is dependent upon annual receipt of a Technology Acceptable Use Policy signed by the parent /guardian and student.

## **CODE OF STUDENT BEHAVIOR: GRADES K-12**

### **DISCIPLINE**

In order to foster a trust and respect between staff and students, guidelines must be developed for the purpose of providing fair and just treatment for students who violate the offenses listed in this handbook. When breaches of school rules and regulations occur, it is the responsibility of the involved teachers and administrators to work with the student, his parents and other personnel to help the student correct his behavior. All disciplinary actions should help to protect the welfare of the school community as well as help the student to develop self-discipline.

The following guidelines have been developed for the purpose of providing fair and just treatment for students who violate the rules listed in this handbook.

- A. To protect the rights of students, staff and public, all offenses shall be thoroughly investigated and properly recorded. This may include a conference with the students involved in an incident and a search of the student, student's belongings, student's assigned school locker(s), car or other school property based upon "reasonable suspicion" that a dangerous situation exists.
- B. In seeking a solution of the offenses, there shall be appropriate alternatives such as one, or a combination of the following actions, but not necessarily in the order appearing below:
  1. Conference with the student to clarify the problem and to insure full understanding of consequences of future misbehavior.
  2. Assignment of additional task(s), which may or may not interfere with the academic or after-school programs.
  3. Assignment of detentions.
  4. Conference with parents to secure cooperation at the home in regaining student behavior.
  5. Referral to counselor, school psychologist or Intervention Assistance Team for guidance, testing or therapy.
  6. Referral to Juvenile Court.
  7. Emergency removal in accordance with State law, including curricular and extracurricular activities.
  8. Suspension: To refer to "out-of-school" in accordance with State law covering both curricular and extra-curricular activities. Suspension is the removal from all academic, extra-curricular and social events affiliated with the school.
  9. Expulsion from school in accordance with State law.
- C. Students enrolled in alternative program options are subject to all rules and regulations covered under the Code of Student Behavior and adopted by the Revere Board of Education.

### **SUSPENSION PROCEDURE**

- A. Out-of-School Suspension:

Suspension (out-of-school) is defined as the denial of attending school for the period of at least one (1) but not more than ten (10) school days. Students suspended may not take part in or attend any school activities, or be on school property. Suspension may extend beyond the current school year, if at the time a suspension is imposed, fewer days remain in the school year than the term of the suspension. The Superintendent may apply any or all of the period of suspension to the following year.

- B. In case of a student's intended removal from school for purposes of suspension, the following procedures shall be enacted:
1. Only the principal, assistant principal, superintendent or any other authorized administrator may suspend.
  2. The student shall be informed in writing of the intended suspension and reasons for the proposed action.
  3. The pupil and/or his parent(s) shall be provided an opportunity for an informal hearing to discuss the reason for the intended suspension and/or otherwise explain his/her actions.
  4. An attempt shall be made to notify his/her parent(s), guardian or custodian by telephone of the suspension and the reason for it.
  5. Within one (1) school day of the suspension the Superintendent, principal, or other administrator will notify the parents, guardians, or custodians of the student by certified mail and the Treasurer of the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.
  6. Should a student enrolled at the Cuyahoga Valley Career Center be suspended from the career center for a conduct code violation, which would also be grounds for suspension in the home school district, the suspension of such student also will be in effect at the home school district. The student shall be notified of that suspension by the home school district in accordance with the normal suspension procedure.
  7. Simultaneous written notice of the suspension shall be sent to (a) student's discipline file; (b) Superintendent; (c) Treasurer.

### **EMERGENCY REMOVAL PROCEDURES**

Definition: The term "emergency removal" shall be understood to mean the removal of a student from curricular or extra-curricular activities or from the school premises because the student's presence poses a continuing danger to persons or property, or is an ongoing threat or disruption to the academic process. In all cases of emergency removal where a student is removed from a curricular or extra-curricular activity for less than twenty-four (24) hours, the staff person initiating the removal shall submit to the principal, the reasons in writing for the removal.

If it is intended that the student is removed from a curricular or extra-curricular activity for more than twenty-four (24) hours, a due process hearing will be held within three (3) school days after a removal is ordered.

1. An attempt should be made to notify his/her parents, guardian or custodian immediately by telephone of the pending action and the reasons for it.
2. Written notice of the hearing and reasons for the removal and any intended disciplinary action must be given to the pupil as soon as possible prior to the hearing.
3. The person who ordered or requested the hearing must be present at the hearing.
4. If suspension or expulsion is intended, the due process requirement of the law must be carried out in accordance with the applicable procedural requirements in Board Policy and State Law.

### **EXPULSION PROCEDURES**

Definition: The term "expulsion" shall be understood to mean exclusion of a student from all school attendance and related activities for the remainder of the current semester, or for a period of up to 80 school days, unless otherwise addressed in this Code. The Superintendent of Schools may expel a pupil in accordance with procedure outlined by Ohio Statute. Exclusion from school attendance by expulsion is the most severe remedy available to the school for disciplinary infractions.

The Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy.

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

Prior to expulsion, the Superintendent shall follow the following procedures:

1. Give the Pupil and his/her parent, guardian or custodian written notice of the intention to expel. The notice must advise the student and his/her parent, guardian or custodian or other representatives of their right to appear in person before the Superintendent or his designee to challenge the reasons for the expulsion. The notification must carry the place and time of the hearing, which must take place no earlier than three (3) school days and not later than five (5) school days after the notice is sent. The Superintendent may grant an extension of time upon request provided all parties involved are notified. If the student is 16 years old or older and the intent to expel is based on an offense for which a permanent exclusion may be requested, the written

- notice must include a statement that the Superintendent may seek permanent exclusion.
2. Arrange for a hearing to be conducted by the Superintendent or his designee under the guideline established by the individual conducting the hearing. Within one school day after the time of the expulsion, the Superintendent shall send written notice to the student and his/her parent, guardian or custodian, and the Treasurer of the Board of Education. The notice shall specify the duration of the expulsion and the reasons therefore. The expulsion may extend beyond the current school year, if at the time an expulsion is imposed; fewer days remain in the school year than the term of the expulsion. The Superintendent may apply any or all of the period of expulsion to the following year. It also shall include notification of the rights of the student, his/her parent, guardian or custodian, to appeal the expulsion to the Board of Education or to its designee within the fourteen (14) calendar days of the date of the notification in order to be heard against such expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the expulsion, and to request that such a hearing be held in executive session.
  3. If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

Appeal - Within fourteen (14) calendar days of the date of the notification of the student expulsion, the student (if eighteen years old or older), the parent, guardian or custodian may appeal the expulsion. The request for appeal should be submitted in writing to the Treasurer for the Board of Education or the Superintendent. A hearing shall be scheduled and the requesting parties notified of the time for the hearing which may be extended by mutual agreement. The student or his parent, guardian or custodian may be represented in the appeal proceedings. The Board may affirm the order of expulsion or reverse, vacate or modify the order of expulsion. The Board shall determine the procedures to be followed during the hearing. A verbatim record shall be made.

Should a student enrolled at the Cuyahoga Valley Career Center be expelled from the Career Center for a conduct code violation, which would be grounds for expulsion in the Home School District, the student will be expelled from the Home School District in accordance with the normal expulsion procedure.

### **LIMITATIONS ON THE DISCIPLINING OF HANDICAPPED STUDENTS**

A handicapped student is one whose education is governed by an Individualized Education Plan (IEP). Unless their IEP provides otherwise, handicapped students may be suspended for a period not to exceed ten (10) days per year without convening a placement or IEP conference. Discipline may result in removal from school for more than ten (10) school days if it is determined that the behavior is not a manifestation of the student's handicapping condition. In such a removal beyond ten (10) school days, the special

education and/or related services of the IEP will continue as determined by the IEP Team. All handicapped students are subject to removal on an emergency basis described in the Code. Repeated violation of the Code may indicate that a change in the student's placement or IEP is necessary.

### **PERMANENT EXCLUSION**

Any student who has been found guilty of committing, when sixteen (16) years of age or older, any of the specific offenses identified by state statute and Board Policy may be permanently excluded by the State Superintendent of Public Instruction at the request of the Revere Local School District Board of Education in the manner prescribed by law.

## **HARASSMENT, INTIMIDATION, AND BULLYING**

### Introduction

Harassment, intimidation, and bullying of students in the school environment can substantially interfere with their ability to learn, perform, and feel safe. Therefore, any conduct, communication, activity, or practice that occurs at any time on school property, on a school bus, or during any school sponsored event, and at the times and/or places set forth in the Code of Student Conduct, that constitutes harassment, intimidation, or bullying involving students shall be strictly prohibited. Students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. Further, any such conduct, communication, activity, or practice should be immediately reported to the building principal or other responsible school employee. All reports of harassment not covered by this policy shall be investigated in accordance with the policies applicable to the particular harassment.

To implement this policy and to address the existence of harassment, intimidation, or bullying in the schools, the following procedures shall be followed:

- A. Students must report acts of harassment, intimidation, or bullying to teachers, District employees, and/or school administrators;

- B. The parents or guardians of students should file written reports of suspected harassment, intimidation, or bullying with the building principal or other appropriate administrator;
- C. Teachers and other school staff who witness acts of harassment, intimidation, or bullying or receive student reports of harassment, intimidation, or bullying shall notify school administrators;
- D. School administrators shall investigate and document any written or oral reports;
- E. School administrators shall notify the custodial parent or guardian of a student who commits acts of harassment, intimidation, or bullying and the custodial parent or guardian of students against whom such acts were committed, and shall allow access to any written reports pertaining to the incident, to the extent permitted by O.R.C. §3319.321 and the Family Educational Rights and Privacy Act.

1. Definition of Harassment, Intimidation, or Bullying

In accordance with this policy, “harassment, intimidation, or bullying” means either of following:

- A. Any intentional written, verbal, electronic, or physical act that a student has exhibited toward another particular student more than once and the behavior both:
  - 1. Causes mental or physical harm to the other student; and
  - 2. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student; or
- B. Violence within a dating relationship.

“Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

The behavior prohibited by this policy is marked by the intent to ridicule, humiliate, or intimidate the victim. In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or actions taken, whether such conduct occurred in front of others or was communicated to others, how the

perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred, of the perpetrator.

## 2. Conduct Constituting Harassment, Intimidation, or Bullying

Such conduct can take many forms and can include many different behaviors having overt intent to ridicule, humiliate or intimidate another student. Examples of such conduct include, but are not limited to:

- A. Physical violence and/or attacks.
- B. Taunts, name-calling, and put-downs.
- C. Threats and intimidation (through words and/or gestures).
- D. Extortion or stealing of money and/or possessions.
- E. Exclusion from the peer group or spreading rumors.
- F. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as “cyber bullying”), such as the following:
  - 1. Posting slurs on Web sites where students congregate on Web logs (personal online journals or diaries);
  - 2. Sending abusive or threatening instant messages;
  - 3. Using camera phones to take embarrassing photographs of students and posting them online;
  - 4. Using Web sites to circulate gossip and rumors to other students;
  - 5. Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers; and
- G. Violence within a dating relationship.

## 3. Complaint Process

- A. Formal Complaints

Students and/or their parents or guardians may file reports of conduct that they consider to be harassment, intimidation, or bullying. Such written reports shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review and action.

Teachers and other school staff who witness acts of harassment, intimidation, or bullying, as defined above, shall promptly notify the building principal and/or his/her designee of the event observed, and shall promptly file a written incident report concerning the events witnessed.

#### B. Informal Complaints

Students may make informal complaints of conduct that they consider to be harassment, intimidation, or bullying by verbal report to a teacher or administrator. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witness. A school staff

member or administrator who receives an informal complaint shall promptly reduce the complaint to writing, including the information provided. Such written report by the school staff member and/or administrator shall be promptly forwarded to the building principal for review and action.

In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of harassment, intimidation, or bullying in other interaction with students. School personnel may find opportunities to educate students about harassment, intimidation, or bullying and help eliminate harassment, intimidation, or bullying behavior through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student, even if such conduct does not meet the formal definition of “harassment, intimidation, or bullying.”

#### 4. Deliberately Making False Reports

Students are prohibited from deliberately making any false report of harassment, intimidation, or bullying. Students found to have violated this prohibition are subject to the full range of disciplinary consequences, up to and including suspension and expulsion.

## 5. Confidentiality

The right to confidentiality, both of the complainant and of the accused, will be respected consistent with the District's legal obligation to the complainant, alleged harasser, and witnesses, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

## 6. Investigation

- A. The investigator should remember that the investigation requires a balancing of the accused's rights, the complainant's right to an environment free of harassment, intimidation, or bullying, and the Board of Education's interest in a prompt and fair investigation.
- B. The investigator shall meet with the complainant within a reasonable period of time from the time of making the complaint. However, the investigator is urged to meet with the complainant as soon as possible.
- C. Following the meeting with the complainant, the investigator shall conduct an investigation to determine if harassment, intimidation, or bullying has occurred. The investigation shall include a conference with the accused and the complainant, as well as any and all other methods which are considered necessary to determine whether harassment, intimidation, or bullying has occurred.

## 7. Post-Investigation Procedures

- A. Upon conclusion of the investigation, the investigator shall issue a written report. The report shall include a determination of whether the accused was found to have engaged in harassment, intimidation, or bullying, was found not to have engaged in harassment, intimidation, or bullying, or whether the investigation was inconclusive. The report shall be issued to the complainant's parents. A copy of the report shall also be sent to the Superintendent or his/her designee.
- B. A finding of no harassment, intimidation, or bullying or inconclusive evidence shall end the investigation.
- C. If harassment, intimidation, or bullying is found to have occurred, the investigator shall recommend what steps are necessary to ensure that the harassment, intimidation, or bullying is eliminated for the victim and other individuals affected by the harassment, intimidation, or bullying and to correct its effects on the complainant and others, if appropriate.

## 8. Retaliation is Prohibited

Retaliation against those who file a complaint or participate in the investigation of the complaint is prohibited. Therefore, filing of a complaint or otherwise reporting harassment, intimidation, or bullying will not reflect upon the student's status, nor will it affect future employment, grades, or work assignments. Further, the administrator is directed to implement strategies for protecting a victim from retaliation following a report.

## 9. Remedial Actions

Verified acts of harassment, intimidation, or bullying shall result in intervention by the building principal or his/her designee that is intended to assure that the prohibition against harassment, intimidation, or bullying behavior is enforced, with the goal that any such harassment, intimidation, or bullying behavior will end as a result.

Harassment, intimidation, or bullying behavior can take many forms and can vary in how serious it is, and what impact it has on the targeted individual and other students. Accordingly, there is no one prescribed response to verified acts of harassment, intimidation, or bullying. While conduct that rises to the level of "harassment, intimidation, or bullying" as defined above will generally warrant disciplinary action against the perpetrator of such harassment, intimidation, or bullying, whether and to what extent to impose disciplinary action (detention, in and out-of-school suspension, or expulsion) is a matter for the professional discretion of the building principal.

## 10. Non-Disciplinary Interventions

When verified acts of harassment, intimidation, or bullying are identified early and/or when such verified acts of harassment, intimidation, or bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of harassment, intimidation, or bullying, its prohibition, and their duty to avoid any conduct that could be considered harassment, intimidation, or bullying. If a complaint arises out of conflict between students or groups of students, peer mediation may be considered.

## 11. Disciplinary Interventions

When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Suspension is a possible consequence for a student found responsible for harassment, intimidation, or bullying by an electronic act.

## 12. Strategies for Protecting Victims or Other Persons From New or Additional Acts

- A. Supervise and discipline offending students fairly and consistently;
- B. Maintain contact with parents and guardians of all involved parties;
- C. Provide counseling for the victim if assessed that it is needed;
- D. Inform school personnel of the incident and instruct them to monitor the victim and the victim's friends or family members and the offending party for indications of harassing, intimidating, and bullying behavior. Personnel are to intervene when prohibited behaviors are witnessed;
- E. Check with the victim and the victim's friends or family members to ensure that there has been no new or additional incidents of harassment/intimidation/bullying or retaliation of the victim or other persons from the offender or other parties.
- F. If necessary to protect a person from new or additional acts of harassment, intimidation, or bullying, and from retaliation following a report, a person may make an anonymous report of an incident considered to be harassment, intimidation, bullying, or retaliation by providing written information to any staff member or administrator. The report should include as much information as possible and shall be forwarded promptly to the building principal for review and action.

In addition to the prompt investigation of complaints of harassment, intimidation, or bullying and direct intervention when acts of harassment, intimidation, or bullying are verified, other District actions may ameliorate any potential problem with harassment, intimidation, or bullying in school or at school-sponsored activities. While no specific action is required and school needs for such interventions may vary from time to time, the following list of potential intervention strategies shall serve as a resource for administrators and school personnel:

- A. Respectful responses to harassment, intimidation, or bullying concerns raised by students, parents or school personnel;
- B. Planned professional development programs addressing bully/targeted individuals' problems;
- C. Data collection to document bully/victim problems to determine the nature and scope of the problem;
- D. Use of peers to help ameliorate the plight of victims and include them in group activities;

- E. Avoidance of sex-role stereotyping (e.g. males need to be strong and tough);
- F. Awareness and involvement on the part of all school personnel and parents with regards to bully-victim problems;
- G. An attitude that promotes communication, friendship, assertiveness skills, and character education;
- H. Modeling by staff of positive, respectful, and supportive behavior toward students;
- I. Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior by students in support of others;
- J. Employing classroom strategies that instruct students how to work together in a collaborative and supportive atmosphere; and/or
- K. Forming harassment, intimidation, and bullying task forces, programs, and other initiatives involving volunteers, parents, law enforcement, and community members.

This policy shall appear in student handbooks, and in the publications that set forth the comprehensive rules, procedures, and standards of conduct for schools and students in the District. The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students and their custodial parents or guardians. Information regarding the policy shall be incorporated into employee training materials.

Orientation sessions for students shall introduce the elements of this policy and procedure. Students will be provided annually with age-appropriate instruction on the recognition and prevention of harassment, intimidation, or bullying, including discussion of the consequences of violating this policy, and their rights and responsibilities under this and other District policies, procedures, and rules at student orientation sessions and on other appropriate occasions.

A District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy adopted pursuant to this section if that person reports an incident of harassment, intimidation, or bullying promptly in good faith and in compliance with the procedures as specified in the policy.

The Administration shall annually send to each student's custodial parent or guardian a written statement describing this policy and the consequences for violating it. The Administration shall semi-annually provide the president of the Board a written summary

of all reported incidents and post the summary on the District's website to the extent permitted by state and federal student privacy laws.

LEGAL REFS: O.R.C. §§3313.666; 3313.667

Adopted: October 17, 2017

### **LIBRARY**

Fines are charged on overdue or damaged items. Students are expected to follow library regulations or they may forfeit access to the library.

### **LOCKERS**

RISE/Homeroom teachers will assign a locker and lock to every student. Students should not share their combinations with anyone. **Lockers are the property of the school and the administration reserves the right to search any locker.** Since students are not permitted to carry book bags or backpacks, all personal items and books, when not in use, are to be kept in the locker. Decals, inappropriate pictures, etc. are not allowed. Defective lockers should be reported immediately to the Office. Intentionally damaging the locker or lock mechanism or damage incurred by presetting the lock will result in a fine for replacement. While using the locker room during or after school, students should lock their belongings in a locker.

### **LOST AND FOUND**

Students who find lost articles are asked to take them to the lunch room where they can be claimed by the owner. Unclaimed items will be donated to local charities.

### **LUNCH PERIOD**

All students must eat lunch in the Cafeteria or the courtyard adjacent to the Cafeteria whether they purchase or carry their lunches. All food and beverages must be consumed in these two areas. Students are to take pride in the lunch facilities and are responsible for clearing tables of trays, litter, and debris before they leave the Cafeteria. Lunchroom conduct should conform to general rules of courteous behavior. Cutting in line, throwing food, placing trays in trash cans, and boisterous behavior are unacceptable and will result in discipline. Lunch periods are closed. This means that students are not permitted to leave school during their lunch period. Students who do so are subject to disciplinary action. As a rule, students are not permitted to leave the Cafeteria during their lunch period except to use the restroom.

### **MEDICATION**

The administration of any medication to a student by school personnel requires the completion of necessary forms by the parent /guardian. Forms are distributed at the beginning of the year and are available in the Main Office. Both a parent /guardian and a physician must complete and sign the form. Medicine to be dispensed at school must be in its original prescription bottle. The school or its employees cannot provide aspirin or any other over-the-counter medication.

## **OUT OF SCHOOL SUSPENSION**

The student may make up any available missed assignments or tests during out of school suspensions. It is strictly the student's responsibility to determine what work is missed by checking Progress Book or contacting a fellow classmate for information. Teachers are not responsible for providing make-up information or assignments. It may not be possible to make up class participation activities. All missed assignments are due the day the student returns to school from the out-of-school suspension. The student must make arrangements through their classroom teachers to complete any tests or quizzes.

## **PROGRESS BOOK AND REPORT CARDS**

Academic progress is reported through various methods such as Progress Book, Interim Reports, and Report Cards. All Report Cards Interims and grades will all be electronic on Progress Book. Conferences are encouraged at any time and parents may contact teachers for appointments. For questions about access to Progress Book, the online grade report program, please call (330) 523-3407.

A request for public records must go through the Treasurer's Office, as the Treasurer is the designated Records Officer for the Revere School District.

## **SATURDAY MORNING DETENTIONS**

The guidelines for students serving Saturday Detention are:

6. Students are responsible for having work to do to cover the complete three (3) hour time period.
7. Failure to follow the stated rules will result in the students being removed from the session and being subject to additional disciplinary action.

## **SCHOOL BUS PROCEDURES**

Safe school transportation is considered an integral part of the total educational program within the Revere School System. Riding a school bus is a privilege. The primary purpose

of the school bus is to transport pupils to and from school safely. The Revere School District recognizes that a safe school bus requires the cooperation of our parents, students and school staff. Please read the following duties and responsibilities of school bus passengers carefully and do your part to stress the importance of an accident-free school bus transportation program to your child.

***Riding the school bus*** is a privilege extended to students that can be taken away anytime for disruptive or unsatisfactory behavior. All children being transported are under the authority of the bus driver and must obey the driver's directions. The school bus drivers are in charge while students are on buses.

The following bus regulations are in effect:

1. Students boarding the bus from the right side of the road must stand back in a safe designated spot and wait until the bus comes to a complete stop and the red lights are flashing before approaching the bus.  
Students boarding from the left will use the same rules as the right side, but must wait for the driver to give a hand signal to cross the street.
2. Students must carry backpacks and other bags in front of them when boarding and disembarking the bus. **No key chains of any kind can be on the backpacks.**
3. While on the bus, the pupil is under authority of, and directly responsible to the bus driver.
4. Upon entering the school bus, the pupils shall take their assigned seats. Pupils shall remain seated at all times, facing forward in the seat. The aisle must be kept clear at all times. No arms, legs, feet or parcels shall extend into the aisle way at any time. **This is a state law.** All backpacks and bags must be held on their laps. Nothing is to be stored under the seat. Any over-sized project for school may not be transported by bus.
5. Pupils should conduct themselves on the school bus as they would in the classroom **except** that a reasonable amount of quiet conversation is permissible. Yelling to one another is not permitted.
6. **Eating or drinking on the bus is not permitted at any time.**
7. Pupils shall not smoke or light matches or cigarette lighters, or cause any other flammable material to burn on or near the bus.
8. Pupils causing damage of any type to the school bus will be held liable for the cost of repairing the damage to the bus. Students causing willful and malicious damage will be denied the privilege of riding the bus to school.
9. Permission must be given by the bus driver before any windows may be opened. No throwing of any objects out of the windows is allowed. No pencils, pens or any sharp objects are permitted out of book bags while student is on the bus.
10. **Carrying of any dangerous objects or materials (such as knives, guns or fireworks) is an automatic suspension of bus riding privileges. The following items may not be transported on the bus: glass containers, skateboards, lawn chairs, balloons, large boxes, lacrosse or hockey sticks, golf clubs, skis, plastic sleds, baseball bats. All soccer balls, footballs, basketballs, etc. may be transported if they are contained either in a closed bag or backpack.**

11. The Board of Education is required by state regulations to designate all bus stops. Bus stops have been placed in locations throughout the district that have, through the years, proven safe for loading and unloading students. Due to the number of students transported, an effort has been made to locate stops so that no student has to walk more than one half mile to a bus stop. The exception to this would be students living on spur roads not traveled by Revere school buses. Parental assistance is requested in seeing that the children arrive safely to and from the stop.
12. All pupils will load and unload from the buses only at designated stops. When on schedule, the bus cannot wait for tardy pupils. Pupils are to be at their designated bus stop five minutes before the bus is scheduled to arrive. When ahead of schedule the driver shall wait until the bus is on schedule for the stop. Transfer of a pupil from his regular bus will be permitted only in case of hardship. A signed note from the parent must be presented to the principal's office in advance.
13. Bus drivers are to report discipline cases on the bus to the Transportation Supervisor. The Transportation Supervisor will consult with the pupil's school principal after a reported infraction of the bus rules. Continued disorderly conduct or refusal to submit to authority of the bus driver shall be sufficient reason for refusing transportation service to any pupil. The administration shall follow the procedures outlined for suspending a pupil from school.

**SCHOOL TRANSPORTATION PRIVILEGES**

If the Superintendent and/or designee determine that a student's behavior on a school vehicle violates school rules, he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Prior to such suspension, the Superintendent shall notify the student of the intended bus suspension and afford the student the opportunity to respond to the intended suspension or otherwise defend himself.

**SCHOOL CLOSINGS**

In the event of inclement weather or a calamity, school may be closed or starting time delayed. The same conditions may also necessitate early dismissal. School closings, delays in starting time, or early dismissals will be announced via the Alert Now notification system. If no report is heard, it can be assumed that school will be in session.

Students are cautioned not to bring large amounts of money or other valuables to school. Students, not the school, are responsible for their personal property.

Students are to use book covers to prevent damage to their books. Students should write their name and grade on the book label in case the book is misplaced. Pupils will be required to pay for lost or damaged books.

## **UNAUTHORIZED USE OF YEARBOOK AND WEBSITE**

Unauthorized use of the yearbook and website content or photographs is prohibited. *None of the materials may be copied, modified, reproduced, posted, published, transmitted and/or distributed in any form or by any means without prior written permission.*

### **VACATIONS DURING SCHOOL DAYS**

Regular, uninterrupted attendance is crucial to full academic achievement. Parents are urged to make every effort, whenever possible, to plan vacations when school is not in session. The length of time for completion of make-up work shall be commensurate with the length of absence.

### **VIDEO AND AUDIO RECORDING DEVICES**

Video and/or audio recording devices are not to be used at school without permission from school personnel. **This includes the use of these functions on cell phones.**

### **VISITORS**

All visitors must report to the office immediately and secure a pass. Students from other schools are not encouraged to visit unless they plan to compare to enroll. These student visitors must present a pass and be escorted by a Revere Middle School student throughout the day. Prior approval by the principal is required.

### **WITHDRAWALS, TRANSFERS AND CHANGE OF ADDRESS**

A parent/student should notify the Guidance Office a few days in advance of transferring or withdrawing from school. The student must obtain a withdrawal form from the Guidance Office. All subject teachers must sign this form after textbooks are returned. All financial obligations must be satisfied. The form is returned to the Guidance Office when it is completed. No transfers or withdrawals will be issued until the form is returned. Students who change their address, telephone number or emergency information must update in Oneview. All technology items must be returned and all library books returned.

## **Revere Reunification Method Parent/Guardian Information Sheet**

### **Student/Parent/Guardian/Authorized Person Reunification**

Circumstances may occur at the school that will require parents to pick up their students in a formalized, controlled release. The process of controlled release is called a reunification and may be necessary due to weather, a power outage, hazmat, or if a crisis occurs at the school. The Standard Revere Reunification Method is a protocol that makes this process more predictable and less chaotic for all involved.

Because a controlled release is not a typical end of school day event, a reunification may occur at a different location than the school a student attends. If this location is another school, then those students may be subject to a controlled release as well.

### **Notification**

Parents may be notified in a number of ways. The school or district may use Blackboard Connect and/or social media. In some cases, students may be asked to send a text message or make a phone call to their parents. A reunification text message from a student may look something like this: *"The school has closed, please pick me up at 3:25 at the main entrance. Bring your ID."*

### **Parent/Guardian/Authorized Person Expectations**

If a parent or guardian is notified that a controlled release and reunification is needed, there are some expectations that parents or guardians should be aware of. First, bring identification. That will streamline things during reunification. Second, be patient. Reunification is a process that protects both the safety of the student and provides for an accountable change of custody from the school to a recognized custodial parent, guardian or authorized person.

### **What if a Parent /Guardian Can't Pick-up Their Student?**

When a parent/Guardian can't immediately go to the reunification site, students will only be released to individuals previously identified as a student's emergency contact. Otherwise, the school will hold students until parents/guardians or authorized person can pick up their student.

### **What if the Student Drove to School?**

There may be instances where a student may not be allowed to remove a vehicle from the parking lot. In this case, a parent/guardian or authorized persons are advised to recover the student. In some circumstances, high school students may be released on their own.

### **How it Works**

For students, the school asks that students be orderly and quiet while waiting. Students may be asked to text a message to their parents or guardian. Students are also asked not to send other text messages either in or out of the school or reunification area. Keeping the cellular network usage at a minimum may be important during a reunification.

## Reunification Cards

For parents/guardians/authorized persons, there are a couple steps. If a parent/guardian/authorized persons is driving to the school, greater awareness of traffic and emergency vehicles is advised. Once at the school, you should park where indicated and not abandon your vehicle. You will then be asked to go to the Reunification "Check In" area and form lines based on the first letter of their student's last name. While in line, you will be asked to fill out a Revere Reunification Form. This form is perforated and will be separated during the process. In the case of multiple students being reunified, a separate form will need to be completed for each individual student.

*Example image of Revere's Reunification Form is below*

### Revere Reunification Information (PLEASE PRINT CLEARLY)

## Bring Valid ID to Check In

During check in, identification and custody rights are confirmed. From the "Check In" area parents/guardians/authorized persons are directed to the "Reunification" area once ID is validated. There, a runner will take the bottom half of the form and take it to the Student Assembly Area to recover the student or students.

Parents should be aware that in some cases, they may be invited into the building for further information.

## Interviews and Counseling

In some cases, parents/guardians or authorized persons may be advised that a law enforcement investigation is underway and may be advised that interviews are necessary. In extreme cases, parents/guardians or authorized persons may be pulled aside for emergency or medical information.
