

**“It is a great day to be a **R**evere Minuteman!”**

Hello, my name is Bill Conley, and I am honored to be Revere Middle School’s Principal. Being a part of such a great administrative team is truly a blessing. Our school board, administration, certified and non-certified staff work as team to deliver a high quality education. We provide our students with safety and security, and we work with pride and passion on a daily basis. Our goal is to have every student to leave Revere Middle School prepared for what lies ahead of them

academically and socially at Revere High School level.

I will expect our students to be involved in extracurricular activities. These activities, clubs, organizations, athletic teams, and music programs will provide our students with a more meaningful education as well as foster relationships with other students and staff members within our building.

Our school motto for this year is... “**R**MS is making great decisions every day!” Our staff and students will make thousands of decisions this school year. I want each and every one of us to make decisions that are well thought out, in the best interest of those around us, and positive for the culture of RMS.

If you would like to contact me, feel free to do so. I look forward to working with our RMS students as well as the Revere Community. I can be reached at 330.523.3403 or via email at [bconley@revereschools.org](mailto:bconley@revereschools.org).

****R**evere Pride! Catch it!**
