

ORDER *now!*

Go to www.edukitinc.com to order your EduKit by June 26, 2022.

Richfield Elementary offers the EduKit program as a convenient option for busy families to order school supplies for the 2022/2023 year. EduKits include the supplies approved by our school.

Your student's order will be sent directly to your home. Supplies can be brought in during the Expo, Open House or the first day of school. Teachers will communicate their preference to parents in August regarding the best time to bring in the supplies.

NEW THIS YEAR: The last day to order EduKits will be June 26, 2022. There will NOT be a last chance opportunity to order EduKits this year. Do not delay.

A note from the teachers: supplies may need to be replenished throughout the year.

Questions? Please contact Lauren Scherr at laurenscherr@hotmail.com.
