

5TH ANNUAL CARSON HIGGINS MEMORIAL GOLF OUTING

September 27, 2021
Silver Lake Country Club

Carson Higgins would have been a senior this year at Revere. Diagnosed with childhood cancer at the age of three, Carson lived a life rich with faith, hope, love and strength until his passing at the age of 12 in 2016.

Founded in 2017, the Carson Higgins Memorial Foundation enhances the quality of life for children facing cancer and other life challenges by funding programs that provide therapeutic, medical and educational opportunities. The Foundation also gives to causes and programs that were meaningful to Carson. Following his example of paying it forward, the Carson Higgins Memorial Foundation has provided scholarships totaling \$41,000 to 35 Revere graduates since 2017, and is making big plans to celebrate what would have been Carson's graduating year with the Class of 2022.

WAYS TO SUPPORT
