August 2022

Dear Friend,

On behalf of the PTA at Bath Elementary, we invite you to be a sponsor of the Inaugural debut of **Bath Elementary “Concert on the Green”**! This year we are excited to debut a fresh new event to the Revere Community that is meant to further strengthen the bond of the Revere District by bringing in live music, food, fun and games on **September 16, 2022 to the Village of Richfield’s Town Center Pavilion, located at 4410 W. Streetsboro Rd. Richfield, OH 44286.**

As members of the Revere community, the Bath PTA is hosting this district wide event to continue and deepen the relationship between the families and staff within our wonderful district. Building a connected support system for the students of our community has always been key and we hope to continue this tradition for years to come.

Bath Elementary School is part of the Revere School District and includes over 500 students, 3<sup>rd</sup> grade through 5th grade. The Bath PTA is raising funds to make the “Concert on the Green” a successful event and the remaining proceeds will go directly toward providing innovative instructional strategies and tools for the students at Bath Elementary School!

We anticipate reaching over 2,000 people through our media outreach and families of Bath Elementary School.

As a sponsor, your logo or name will be featured prominently on printed materials both at the event, online media and direct marketing materials. In doing so, we proudly acknowledge your corporate generosity to our community and our children.

For more information about the event, please reach out to Jenn Hesch via email [Bathptasec@gmail.com](mailto:Bathptasec@gmail.com) or directly at (216) 513-8356.

To show your support, please complete the enclosed sponsorship forms and email or mail them to **Bath Elementary School by August 30, 2022.**

We look forward to discussing with you the benefits received by sponsoring this NEW exciting event. Meanwhile, please contact us at [Bathptasec@gmail.com](mailto:Bathptasec@gmail.com) for additional information. On behalf of the children and families at Bath Elementary School, we thank you.

Sincerely,

Jenn Hesch
