- Price: \$50/month. Discontinue any time without penalty. Try it out for free for the first week!

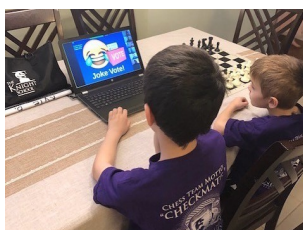

We Are Your Official Chess Team and Chess Party!

I am Coach Ben of *The Knight School*, and I am very excited to be your chess coach! Students of all grades and skill levels are all invited to join us for online chess lessons beginning the week of **Monday, September 14th**. With the upcoming academic school year being in almost every way unclear, you and your child and their new chess friends can rely on the stability and predictability of The Knight School and its un-cancelable, delightful weekly elementary chess class!

After months of work, The Knight School has developed a souped-up, breakneck-paced, never-slows-down Zoom experience that finally offers a truly thrilling and compelling 60-minute chess team experience, enjoyed from the safety of your own home. This class is basically a friend-bonding race through 10 chess activities, culminating in our riveting countdown chess tourney. Prizes are actually snail-mailed or delivered to the school front office each week after class! Unsure if it's right for you? Try it out for a week for free!

Tuition for *The Knight School* is just \$50 per month. There are no obligations, and you can discontinue at any time. You may register online at www.theknightschool.com. Just click "enroll" and select "Cleveland Area" and choose whichever class fits best in your schedule. I look forward to seeing everybody!
