Deadline:

Nov 1st, 2022 (12PM EDT)

*The most
prestigious prize
for students in
computer science*

Visit congressionalappchallenge.us

Who can participate?

- To be eligible to participate in the Congressional App Challenge, you must be a **middle or high school student** at the time of app submission.
- Students may register as individuals or as teams of up to four. No more than **four students** are allowed to form a team.
- Students may compete in the district they **reside** in or the district they **attend** school in.
- If competing as a team, **at least half** of the teammates must be eligible to compete in the district in which they are participating in.

What can you make?

- Students can use any programming language (example: C, C++, JavaScript, Python, Ruby, "block code," etc.)
- Students can use any platform (PC, web, tablet, robot, mobile, etc.).
- There are no limits on application theme or topic!
- Examples of [previous winners](#).
