

Join us At
Spring into Nature
with STEM
2022

at Bath Nature Preserve

April 30, from 11am-3pm, rain or shine!

There will be many Science, Technology, Engineering and Math (STEM)-related, hands-on activities presented by numerous local community groups. Hosted by the University of Akron Station, Bath Township Park Board, and Bath Township.

Designed for 2nd - 6th grades, students can come make their own field journal by visiting all our partners stations! Some topics include:

- Health and exercise
- Trees and nests
- Flowers and plants
- Birds and bees
- Insects and spiders
- Water and soil
- Planets and stars
- Weather

Registration is encouraged, as there are limited supplies .
