The Heartbeats Jump Rope Team was *founded* in the Revere School District 30 YEARS AGO promoting the sport of jump rope as fun, healthy, competitive and entertaining for people of all ages. The Heartbeats Jump Rope team builds athletic skills and a positive self-image. Team members have appeared five times in the Macy's Thanksgiving Day Parade, most recently in 2021. They have won countless medals at national and international competitions. Jump Rope has been showcased many times on ESPN, Fox Sports and America's Got Talent. Bring your entire family for an exciting evening of exciting entertainment. You won't believe your eyes.!
