

**Order at [revere-honey.com/RevereSD](https://revere-honey.com/RevereSD)**

Harvested by a local beekeeper in the Revere School District, the honey is raw and pure (pesticide free) with a ton of pollen and nutrients from the surrounding wildflowers and trees of Richfield. Therefore, the unfiltered honey is loaded with vitamins, enzymes, and nutrients to boost your immune system.

Orders are placed and credited for directly online through the Revere Honey website via the link <https://revere-honey.com/RevereSD>.

Pickup times are on the Friday following your order placement in the RHS front parking lot from 4-6pm.

Make sure you don't miss out on this opportunity to enjoy some quality, locally harvested honey and support the Senior Class!
