

Revere Youth Football – 2021 Sign Ups Now Open

We are pleased to announce RYF registration is now open at our website:

<https://revere youth football.com/>

Please click on the site link above and click on the register button for football or cheer button for cheer. Click the box next to your child's level and complete the form including payment information.

Cost: Tackle - \$250 Flag - \$100 Cheer \$125 (Only equipment not provided are cleats and mouth guards)

For tackle and Flag this year we will not be requiring families to do any fund raising.

Important dates for the Revere Community to be aware of this Spring, Summer, and Fall

RYF/Cheer Signups: April 1 to June 15th – Registrations After June 15th may be allowed pending availability

RYF Youth Football Camp: July 26-29th – Similar to last year's format with HS coaches and Players

RYF First day of Practice: August 2nd

RYF First Game of the Season: August 28th

Championship Weekend: October 30th

Vacation Planning: We understand the importance of family time and encourage everyone to schedule whatever summer vacation plans they have and not worry about missing time. We will gladly work with your child to catch up whatever they missed.

First Time Tackle Player Questions: We field a lot of questions from nervous parents about the risks of playing tackle football. As a league our mission is to provide the safest most enjoyable and memorable football experience possible for the player and their family. This is why we require our coaches to be USA Heads-Up Certified which helps ensure your child will be coached correctly and their technique corrected when needed. We are hyper focused on player safety and teaching proper tackling and blocking form.

As a league the OGYFA (Which Revere is a member of) utilizes "Modified Football Formats" in 2nd and 3rd grades. This is a unique format of 7 v 7 for 2nd grade and 9 v 9 for 3rd grade with a smaller/modified field as well as played with modified rules designed to help players transition from flag to tackle. Our leagues is actually working with USA Football as our 9 v 9 format is a pilot program for them. The idea is to introduce players to tackle in a lower impact structured format which is more instructional and developmental in nature.
