# SENIOR CITIZEN CARE PACKAGE DRIVE

Revere NHS is sponsoring a care package drive for our senior citizens! Items collected will be assembled into care packages and sent to seniors in hospice care and at several local nursing homes.

Acceptable items include, but are not limited to:

- tea, hot chocolate mix, hot cider mix, etc.
- word searches, crosswords, sudoku
- socks, blankets, and other cozy items
- chocolates or candies
- anything prepackaged

The drive will run through Friday, February 26. Items can be dropped off during school hours at the main office of Revere High School.

Please consider giving back to the community and helping to raise the spirits of our seniors by making a donation!
