

5th Annual “Virtual” 5K Run/Walk

(From Coach Neubert - Revere Middle School Cross-Country)

The 5th Annual StacheStrong 5K Run/Walk is a **VIRTUAL** race during the weekend of **September 17, 2022**. Last year’s virtual race had 1,500 participants in all 50 states and we’re excited to continue to grow this as we run/walk to raise awareness and funds for brain cancer research. You can complete the virtual run in your respective city and state at ANY TIME during that weekend. **Revere HS and MS cross-country teams can use the time from their CC race on September 17 for this Virtual Race!** This is of extra significance for our family, because this is where GJ developed his love for running as a standout cross country and track runner for his beloved Golden Bears.

StacheStrong, a Not-for-Profit, has been built on the core values of strength and togetherness. We formed and mobilized as a result of a dire diagnosis to my brother, George “GJ” Gerner, of Glioblastoma Brain Cancer. He endured two emergency brain surgeries, several rounds of chemotherapy and radiation and continued to fight daily until gained his wings after a 2 year battle in September 2019. Everyone has heroes, but ours is one of the strongest you’ll ever meet. We’ve raised over \$2,000,000 for brain cancer research and one of our core events is the StacheStrong 5K, which brings together his love for running with his desire to flip the script on this disease!

**JOIN US TODAY AND BECOME A PART OF THE
STACHESTRONG MOVEMENT!!!**

To Register Google : StacheStrong 5k

Register and “Join our team” “Revere Cross-Country”

****Sign up before September 4th to get the race shirt****
