

## Fall Theatre Academy 2021

The fall session will be 10 weeks long starting Saturday, **September 18th- November 20th.**

Classes will end with a final presentation on November 20th for students to showcase what they learned! Classes offered are for ages 5-17 including acting, musical theatre, dance, improv, directing, and tech classes.

### Introduction to Acting

#### ***World of Magic***

**Ages 5 to 8**

**Saturdays 9:00-10:00 a.m.**

**Tuition: \$180.00**

Learn theatre skills through creative play! Students will study story structure, character development, and work as a group and gain self-confidence while exploring the world of magical characters and stories! This introductory class is a great place to learn the basics of theatre, memorizing lines, and performing on the stage. How do we create magic on stage? Find out this fall!

### Introduction to Acting

#### ***Take the Stage***

**Ages 8 to 11**

**Saturdays 9:30-10:30 a.m.**

**Tuition: \$180.00**

Empower and challenge your child to take the stage. This class is designed for beginning actors, teaching them how to create the actor's tool box. Students will learn skills in movement, vocal color, script interpretation, and improvisation. Watch as your child gains confidence, self-esteem and a new creative outlet!

### Introduction to Acting

#### ***Find your Voice***

**Ages 11 to 17**

**Saturdays 11:00-12:15 p.m.**

**Tuition: \$185.00**

This class is designed as an introduction to theatre. Students will tackle improvisation and scripted work in this fun and interactive class. The instructor will lead the students to discover how to portray a character with voice and movement while learning how to interpret the playwright's textual clues. Join in the fun and learn through theatrical play!

## Introduction to Improv

**Ages 8 to 11**

**Saturdays 9:00-10:00 a.m.**

**Tuition: \$180.00**

Explore the elements of improvisation and experience the power of play with this introductory improv workshop. Students will focus on various games and exercises that encourage trust, communication, active listening, character development, and teamwork. Join us on the last day as our class puts on a show. You never know what will happen...that's why it's improv!

### Teen Improv

**Ages 11 to 17**

**Saturdays 12:30- 1:30 p.m.**

**Tuition: \$180.00**

Continue to learn, grow, and build upon your improv skills! This class is designed with the same objectives as Improv I but for older students. Students will continue to explore the building blocks of improv, making clear character choices, and working as an ensemble to develop strong story lines.

### Intermediate Acting

**Ages 9 to 15**

**Saturdays 10:30-11:45 a.m.**

**Tuition: \$185.00**

This class is designed for the child who has participated in Introduction to Acting class and was recommended to continue to the Intermediate Acting class, or has equivalent experience on stage. Students will be encouraged to expand on their performance skills to create characters with depth and motivation, work as an ensemble and individually, and use their basic knowledge of theatre vocabulary to interpret the essentials of a scene. Each student will leave the class with new skills and ready to take on their next performance!

## Musical Theatre, Act One

**Ages 5 to 8**

**Saturdays 10:30-11:30 a.m.**

**Tuition: \$190.00**

Develop your singing, dancing, and acting skills in Musical Theatre, Act One! Sing and dance your way through some Broadway standards. Students will work on musical theatre skills through group singing, creative and choreographed movement. Our Musical Theatre, Act One class takes our entire core curriculum and puts it to music with an experienced Instructor and Accompanist. Move over Kristin Chenoweth and Matthew Morrison, here comes the next Broadway star! *Introduction to Acting is recommended before taking this class.*

## Musical Theatre, Act Two

**Ages 8 to 12**

**Saturdays 12:00-1:15 p.m.**

**Tuition: \$195.00**

Sing, dance and perform in Musical Theatre, Act Two. Designed with the same objectives as Musical Theatre, Act One, but for older and more experienced students, this class challenges experienced students through more complex choreography and solo singing. Learn and explore in this class designed to inspire young actors taught by an experienced instructor and accompanist. You will be flapping, pirouetting and box-stepping your way onto center stage! *Introduction to Acting is strongly recommended before taking this class.*

## Musical Theatre Choreography

**Ages 9 to 15**

**Saturdays 11:00-12:00 p.m.**

**Tuition: \$180.00**

Weathervane's Choreography dance classes are designed with the actor in mind. Students can continue to build on their dance technique, performance skills, and knowledge of different dance styles outside the traditional studio setting. Want to brush up on your dancing skills? This class will focus on technique and choreography to music from some of your favorite shows. Get moving with us this fall!

## **Black Box Series**

Black Box Series Classes are for students who are ready for a new challenge!

### **Student Requirements:**

- Must be age 10 or older (unless age requirements are given)
- Must have taken at least 2 Weathervane Classes (or have equal outside experience).
- Must fill out a short form telling us why you are interested in the class. The form can be found on our website

If approved, you will be emailed a link to register for the class.

## **Directing Project I/II**

**Saturdays 9:00-10:30 a.m.**

**Tuition: \$195.00**

Learn what it's like to run the show! In this class, students will learn the principles and practices of being a stage director. Students will cast, stage, rehearse, and present short scenes with the assistance of an experienced instructor. Students from the class will also gain the benefit of acting in each other's scenes.

## **Techie 101**

**Saturdays 12:30-2:00 p.m.**

**Tuition: \$195.00**

Want to learn more about what happens behind the scenes? Students will work with Weathervane's master electrician to learn about lighting, sound, properties design, basic set design, and more! For their final project, students will be responsible for all the technical aspects of final presentations for each class working with instructors and students to bring their performances to life with technical elements.
