

***Revere High After Prom Party Planning Meeting
Wednesday, December 1st***

6:30 pm at RHS

The afterprom committee needs your HELP! Any and all interested adults (especially Junior and Senior parent/guardians) are needed to help plan and run the Afterprom. While it is 6 months away (May 14, 2022), the committee needs to start raising funds and securing vendors for this event.

The following positions need filled to make this event happen (can be individual or a group of friends that take on a sub-committee):

- Afterprom co-chair (a junior class parent or younger - learn the job so you can chair it next year)
- Fundraising sub-committee
- Games sub-committee
- Tickets sub-committee
- Food sub-committee
- Prizes sub-committee
- Promenade sub-committee (a junior class parent or younger - so senior class parents can sit back and watch their seniors come across the stage)

If you are unable to make the meeting, but are interested in planning a party, contact Holly Flowers at 1997flowers@gmail.com.
