

# Web Designers & Web Developers, The Revere PTSA/PTAs need your help!

**Website Creation: Celebration of the Arts Program**  
**This project qualifies for volunteer hours for RHS students.**

## Background

Each spring, the Richfield, Bath, and RMS PTAs and the RHS PTSA hold our Celebration of the Arts Program to showcase the artistic talents of our students. Historically, this event has been held in the gymnasium at RHS. Due to the pandemic, the event was canceled with short notice in 2020. As we are in the process of planning for the 2021 event, the COA Committee has decided that this is the year that we put COA on the internet in addition to holding the event in-person (if circumstances permit)!

## Specifications

We are currently searching for a Revere Middle School or Revere High School student to design, develop and publish our website. This project may be the work of one person or a small team.

The Committee is in the process of buying a domain. The platform has not yet been decided. WordPress (.org) is preferred, but we are open to suggestions.

The website is expected to be maintained going forward by the COA Committee.

We will have two Committee people who will work with the selected volunteer(s) on the functionality and layout of the website. To give an idea of our expectations, please refer to:

**The website will need to be completed no later than March 28, 2021.**

The COA Committee will review all submissions and make their selection no later than February 23, 2021.
