ABSENCES AND PARTICIPATION

Students **must be in attendance the entire school day** in order to be eligible for extracurricular, co-curricular, and curricular participation. This includes but is not limited to athletics and field trips. Exceptions to this policy will be reviewed by the administration.

ACADEMIC INTEGRITY

Students are expected to present only their work for any assignment, project, or assessment. Presenting another's work as one's own is considered cheating and/or plagiarism. Students may also be referred to administration for further disciplinary action.

ACCIDENTS

Student safety is the responsibility of both students and staff. All injuries and accidents on school grounds must be reported to a staff member. State law requires that all students complete an Emergency Medical Authorization form, signed by a parent and or/guardian, and filed in the school's main office.

ATTENDANCE

Hillcrest Attendance Number

330-523-3604 or 330-523-3603

1. A phone call from a parent or guardian is expected before 10:00 a.m. on the day the absence occurs.
2. A note is requested from a parent or guardian when the student returns to school. ***All work for all absences can and is expected to be made up by the student.***

Revere Board of Education has adopted a policy regarding compulsory attendance that conforms to the minimum standards prescribed by the State Board of Education (ORC 3321.01). Each parent, guardian, or custodian having charge of a child of compulsory school age must send the child to school for the entire time the school attended is in session (ORC 3321.04). Poor attendance disrupts the continuity of the instructional process. The school shares the responsibility of school attendance with the student and his/her parents. Administration will reserve the right to review attendance issues on a case-by-case basis.

AUTHORIZED EXCUSED ABSENCES

All absences, regardless of reason, will be charged against the student's attendance record, except when a student is required to represent the Revere Local School District in an approved activity. Parents are to provide a written note or medical note to explain any absence on the day of the student's return to school. Absences are recorded as excused or unexcused.

Any absences that are not included in the list below will be considered unexcused.

1. Personal Illness
2. Illness in the family necessitating the presence of the child
3. Quarantine of the home
4. Death in the family
5. Observation or celebration of bona fide religious holiday
6. Such good cause as may be acceptable to the Superintendent such as medical or dental appointments
7. College visitation (limited to 4 per year) RHS only
8. Service as a precinct officer at a primary, special or general election in accordance with the program set forth in Board policy (5725). RHS only

CELLULAR PHONES/ELECTRONIC COMMUNICATION DEVICES

Cell phones and electronic communication devices are to be turned off and kept out of sight while school is in session. Student use of cell phones or non-district issued electronic communication devices is prohibited while school is in session. Text messaging is not permitted. Any device that is deemed turned on, makes a noise or vibrates, or otherwise calls attention to itself will be considered a disruption and subject to confiscation by staff. Each offense of this policy requires retrieval of the device by the parent from administration. The student may also face additional disciplinary action by administration.

CLASSROOM EXPECTATIONS

All students are expected to comply with the Code of Student Behavior during classroom instruction. Violations of the Code of Student Behavior will not be tolerated and may require further disciplinary action by administration.

COMPUTERS

Policies governing the use and/or misuse of computers and technology are included in the Revere Board of Education policy guidelines and Code of Student Behavior. Use of school computers is dependent upon annual receipt of a Computer Technology Usage Form signed by the parent /guardian and student.

CODE OF STUDENT BEHAVIOR, GRADES K– 12

DISCIPLINE

In order to foster a trust and respect between staff and students, guidelines must be developed for the purpose of providing fair and just treatment for students who violate the offenses listed in this handbook. When breaches of school rules and regulations occur, it is the responsibility of the involved teachers and administrators to work with the student, his parents and other personnel to help the student correct his behavior. All disciplinary actions should help to protect the welfare of the school community as well as help the student to develop self-discipline.

The following guidelines have been developed for the purpose of providing fair and just treatment for students who violate the rules listed in this handbook.

- A. To protect the rights of students, staff and public, all offenses shall be thoroughly investigated and properly recorded. This may include a conference with the students involved in an incident and a search of the student, student's belongings, student's assigned school locker(s), car or other school property based upon "reasonable suspicion" that a dangerous situation exists.
- B. In seeking a solution of the offenses, there shall be appropriate alternatives such as one, or a combination of the following actions, but not necessarily in the order appearing below:
 1. Conference with the student to clarify the problem and to insure full understanding of consequences of future misbehavior.
 2. Assignment of additional task(s), which may or may not interfere with the academic or after-school programs.
 3. Assignment of detentions.
 4. Conference with parents to secure cooperation at the home in regaining student behavior.
 5. Referral to counselor, school psychologist or Intervention Assistance Team for guidance, testing or therapy.
 6. Referral to Juvenile Court.
 7. Emergency removal in accordance with State law, including curricular and extracurricular activities.
 8. Suspension: To refer to "out-of-school" in accordance with State law covering both curricular and extra-curricular activities. Suspension is the removal from all academic, extra-curricular and social events affiliated with the school.
 9. Expulsion from school in accordance with State law.
- C. Students enrolled in alternative program options are subject to all rules and regulations covered under the Code of Student Behavior and adopted by the Revere Board of Education.

SUSPENSION PROCEDURE

- A. Out-of-School Suspension:

Suspension (out-of-school) is defined as the denial of attending school for the period of at least one (1) but not more than ten (10) school days. Students suspended may not take part in or attend any school activities, or be on school property. Suspension may extend beyond the current school year, if at the time a suspension is imposed; fewer days remain in the school year than the term of the suspension. The Superintendent may apply any or all of the period of suspension to the following year.

- B. In case of a student's intended removal from school for purposes of suspension, the following procedures shall be enacted:
1. Only the principal, assistant principal, superintendent or any other authorized administrator may suspend.
 2. The student shall be informed in writing of the intended suspension and reasons for the proposed action.
 3. The pupil and/or his parent(s) shall be provided an opportunity for an informal hearing to discuss the reason for the intended suspension and/or otherwise explain his/her actions.
 4. An attempt shall be made to notify his/her parent(s), guardian or custodian by telephone of the suspension and the reason for it.
 5. Within one (1) school day of the suspension the Superintendent, principal, or other administrator will notify the parents, guardians, or custodians of the student by certified mail and the Treasurer of the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.
 6. Should a student enrolled at the Cuyahoga Valley Career Center be suspended from the career center for a conduct code violation, which would also be grounds for suspension in the home school district, the suspension of such student also will be in effect at the home school district. The student shall be notified of that suspension by the home school district in accordance with the normal suspension procedure.
 7. Simultaneous written notice of the suspension shall be sent to (a) student's discipline file; (b) Superintendent; (c) Treasurer of the Board of Education.

EMERGENCY REMOVAL PROCEDURES

Definition: The term "emergency removal" shall be understood to mean the removal of a student from curricular or extra-curricular activities or from the school premises because the student's presence poses a continuing danger to persons or property, or is an ongoing threat or disruption to the academic process. In all cases of emergency removal where a student is removed from a curricular or extra-curricular activity for less than twenty-four (24) hours, the staff person initiating the removal shall submit to the principal, the reasons in writing for the removal.

If it is intended that the student is removed from a curricular or extra-curricular activity for more than twenty-four (24) hours, a due process hearing will be held within three (3) school days after a removal is ordered.

1. An attempt should be made to notify his/her parents, guardian or custodian immediately by telephone of the pending action and the reasons for it.
2. Written notice of the hearing and reasons for the removal and any intended disciplinary action must be given to the pupil as soon as possible prior to the hearing.
3. The person who ordered or requested the hearing must be present at the hearing.
4. If suspension or expulsion is intended, the due process requirement of the law must be carried out in accordance with the applicable procedural requirements in Board Policy and State Law.

EXPULSION PROCEDURES

Definition: The term "expulsion" shall be understood to mean exclusion of a student from all school attendance and related activities for the remainder of the current semester, or for a period of up to 80 school days, unless otherwise addressed in this Code. The Superintendent of Schools may expel a pupil in accordance with procedure outlined by Ohio Statute. Exclusion from school attendance by expulsion is the most severe remedy available to the school for disciplinary infractions.

The Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy.

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

Prior to expulsion, the Superintendent shall follow the following procedures:

1. Give the Pupil and his/her parent, guardian or custodian written notice of the intention to expel. The notice must advise the student and his/her parent, guardian or custodian or other representatives of their right to appear in person before the Superintendent or his designee to challenge the reasons for the expulsion. The notification must carry the place and time of the hearing, which must take place no earlier than three (3) school days and not later than five (5) school days after the notice is sent. The Superintendent may grant an extension of time upon request provided all parties involved are notified. If the student is 16 years old or older and the intent to expel is based on an offense for which a permanent exclusion may be requested, the written notice must include a statement that the Superintendent may seek permanent exclusion.
2. Arrange for a hearing to be conducted by the Superintendent or his designee under the guideline established by the individual conducting the hearing. Within one school day after the time of the expulsion, the Superintendent shall send written notice to the student and his/her parent, guardian or custodian, and the Treasurer of the Board of Education. The notice shall specify the duration of the expulsion and the reasons therefore. The expulsion may extend beyond the current school year, if at the time an expulsion is imposed, fewer days remain in the school year than the term of the expulsion. The Superintendent may apply any or all of the period of expulsion to the following year. It also shall include notification of the rights of the student, his/her parent, guardian or custodian, to appeal the expulsion to the Board of Education or to its designee within the fourteen (14) calendar days of the date of the notification in order to be heard against such expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the expulsion, and to request that such a hearing be held in executive session.
3. If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

Appeal - Within fourteen (14) calendar days of the date of the notification of the student expulsion, the student (if eighteen years old or older), the parent, guardian or custodian may appeal the expulsion. The request for appeal should be submitted in writing to the Treasurer for the Board of Education or the Superintendent. A hearing shall be scheduled and the requesting parties notified of the time for the hearing which may be extended by mutual agreement. The student or his parent, guardian or custodian may be represented in the appeal proceedings. The Board may affirm the order of expulsion or reverse, vacate or modify the order of expulsion. The Board shall determine the procedures to be followed during the hearing. A verbatim record shall be made.

Should a student enrolled at the Cuyahoga Valley Career Center be expelled from the Career Center for a conduct code violation, which would be grounds for expulsion in the Home School District, the student will be expelled from the Home School District in accordance with the normal expulsion procedure.

LIMITATIONS ON THE DISCIPLINING OF HANDICAPPED STUDENTS

A handicapped student is one whose education is governed by an Individualized Education Plan (IEP). Unless their IEP provides otherwise, handicapped students may be suspended for a period not to exceed ten (10) days per year without convening a placement or IEP conference. Discipline may result in removal from school for more than ten (10) school days if it is determined that the behavior is not a manifestation of the student's handicapping condition. In such a removal beyond ten (10) school days, the special education and/or related services of the IEP will continue as determined by the IEP Team. All handicapped students are subject to removal on an emergency basis described in the Code. Repeated violation of the Code may indicate that a change in the student's placement or IEP is necessary.

PERMANENT EXCLUSION

DROP OFF AND PICK UP PROCEDURES

Morning Drop Off

Students are encouraged to ride the bus to school. If you choose to bring your child, there are designated areas and procedures that parents must follow for the safety of all students.

All students are to be dropped off at the parent drop off location on the north side of the building by the gym beginning at 8:30 a.m. There is an adult present from 8:30 - 8:50 a.m. to assure the safety of each child. Any child coming in after 8:50 is tardy and must be signed in at the main office by a parent.

No drop off should take place in the bus lane in front of the school until after 8:40 a.m. If a parent has a need to enter the school with their child, he or she should park in a parking spot and come into the main office. All visitors at Hillcrest must sign in and be prepared to show a picture ID.

Afternoon Pick Up

Students are encouraged to ride the bus home from school. If you choose to pick up your child, there are designated areas and procedures that parents must follow for the safety of all students.

Parents must enter the building to pick up from the cafeteria. Please park your car in the north parking lot and enter the building using the doors by the gym. The doors will open at approximately 3:20 p.m. You will be asked for photo identification when signing out your child with the school staff. Keep in mind that with over 700 students, it is difficult to remember everyone's name. Failure to produce proper identification, when requested, will result in your child not being permitted to leave.

The person how is picking up the student must be an adult/guardian or a person 18 years old or over who is listed on your emergency form. Do not send in students or other parents to pick up your child. If another person is picking up your child and is not on the emergency card, there must be a parent note sent in that morning which the child has given to the teacher granting permission for that pick up change.

DRESS CODE

We are committed to a safe and orderly learning environment for students that is free from distraction. Attire should not detract from the educational process; reasonable standards in dress and grooming apply. Compliance with the dress code is expected and non-compliance may be considered insubordination. Any form of dress or hair style that is considered contrary to good hygiene or that is deemed distracting, disruptive, or detrimental to the routine operation of school is prohibited.

It is expected students will follow the direction of staff during drills and assist in the orderly completion of any drill. Anyone involved in causing a false fire alarm is subject to the penalties defined in Ohio Revised Code section 2917.32.

BULLYING AND OTHER FORMS OF AGGRESSIVE BEHAVIOR

The Board of Education is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The Board encourages the promotion of positive interpersonal relationships between members of the school community.

Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, and psychological abuse, and violence within a dating relationship. The Board will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property, on a school bus, or while enroute to or from school and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school’s control, in a school vehicle, or where an employee is engaged in school business.

This policy has been developed in consultation with parents, District employees, volunteers, students, and community members as prescribed in R.C. 3313.666 and the State Board of Education’s Model Policy.

Harassment, intimidation, or bullying means:

- A. Any intentional written, verbal, electronic, or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s);
or –
- B. Violence within a dating relationship.

“Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student’s educational, physical, or emotional well being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to,

such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name calling, taunting, making threats, and hazing.

Harassment, intimidation, or bullying also means cyber bullying through electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abuse educational environment for the other students(s).

Any student or student's parent/guardian who believes she/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or assistant principal, or the Superintendent. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports may be made to those identified above.

All complaints about aggressive behavior that may violate this policy shall be promptly investigated. The building principal or appropriate administrator shall prepare a written report of the investigation upon completion. Such report shall include findings of fact, a determination of whether acts of harassment, intimidation, and/or bullying were verified, and, when prohibited acts are verified, a recommendation for intervention, including disciplinary action shall be included in the report. Where appropriate, written witness statements shall be attached to the report.

If the investigation finds an instance of harassment, intimidation, and/or bullying/cyberbullying by an electronic act or otherwise, has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractor, and removal from any official position and/or request to resign for Board members. Individuals may also be referred to law enforcement officials.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of aggressive behavior is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as aggressive behavior. Retaliation may result in disciplinary action as indicated above.

Deliberately making false reports about harassment, intimidation, bullying and/or other aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Deliberately making false reports may result in disciplinary action as indicated above.

If a student or other individual believes there has been aggressive behavior, regardless of whether it fits a particular definition, she/he should report it and allow the administration to determine the appropriate course of action.

The District shall implement intervention strategies (AG 5517.01) to protect a victim or other person from new or additional harassment, intimidation, or bullying and from retaliation following such a report.

This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by State or Federal law).

The complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken. If after investigation, acts of bullying against a specific student are verified, the building principal or appropriate administrator shall notify the custodial parent/guardian of the victim of such finding. In providing such notification, care shall be taken to respect the statutory privacy rights of the perpetrator of such harassment, intimidation, and/or bullying.

If after investigation, acts of harassment, intimidation, and/or bullying by a specific student are verified, the building principal or appropriate administrator shall notify in writing the custodial parent/guardian of the perpetrator of that finding. If disciplinary consequences are imposed against such student, a description of such discipline shall be included in the notification.

Complaints

Students and/or their parents/guardians may file reports regarding suspected harassment, intimidation, or bullying. Such reports shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review, investigation, and action.

Students, parents/guardians, and school personnel may make informal or anonymous complaints of conduct that they consider to be harassment, intimidation, and/or bullying by verbal report to a teacher, school administrator, or other school personnel. Such complaints shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. A school staff member or administrator who receives an informal or anonymous complaint shall promptly document the complaint in writing, including the information provided. This written report shall be promptly forwarded by the school staff member and/or administrator to the building principal for review, investigation, and appropriate action.

Individuals who make informal complaints as provided above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. Anonymous complaints shall be reviewed and reasonable action shall be taken to address the situation, to the extent such action may be taken that: (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of harassment, intimidation, and/or bullying.

When an individual making an informal complaint has requested anonymity, the investigation of such complaint shall be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint subject to receipt of further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

Privacy/Confidentiality

The School District will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under this policy and its related administrative guidelines shall be maintained as confidential to the extent permitted by law.

Reporting Requirement

At least semi-annually, the Superintendent shall provide to the President of the Board a written summary of all reported incidents and post the summary on the District web site (if one exists). The list shall be limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events.

Allegations of criminal misconduct and suspected child abuse will be reported to the appropriate law enforcement agency and/or to Child Protective Services in accordance with statute. District personnel shall cooperate with investigations by such agencies.

Immunity

A school district employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with this policy and R.C. 3313.666 if that person reports an incident of harassment, intimidation, and/or bullying promptly, in good faith, and in compliance with the procedures specified in this policy. Such immunity from liability shall not apply to an employee, student, or volunteer determined to have made an intentionally false report about harassment, intimidation, and/or bullying.

Notification

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. At least once each school year a written statement describing the policy and consequences for violations of the policy shall be sent to each student's custodial parent or guardian.

The statement may be sent with regular student report cards or may be delivered electronically.

The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students in the District and to their custodial parents or guardians.

State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedures.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of aggressive behavior, including bullying and violence within a dating relationship. The superintendent or designee shall provide implementation of this policy and its accompanying administrative guidelines. All training regarding the Board's policy and administrative guidelines and aggressive behavior and bullying in general, will be age and content appropriate.

Annually, the District shall provide all students enrolled in the District with age appropriate instruction regarding the Board's policy, including a written or verbal discussion of the consequences for violations of the policy to the extent that State or Federal funds are appropriated for this purpose.

Students in grades seven (7) through twelve (12) shall receive age-appropriate instruction in dating violence prevention education, including instruction in recognizing dating violence warning signs and characteristics of healthy relationships. Parents, who submit a written request to the building principal to examine the dating violence prevention instruction materials used in the school, will be afforded an opportunity to review the materials within a reasonable period of time.

The District shall provide training, workshops, and/or courses on this policy for school employees and volunteers who have direct contact with students, to the extent that State or Federal funds are appropriated for these purposes. Time spent by school staff in these training programs shall apply toward mandated continuing education requirements.

In accordance with Board Policy 8462, the Superintendent shall include a review of this policy on bullying and other forms of harassment in the required training in the prevention of child abuse, violence, and substance abuse and the promotion of positive youth development.

The Superintendent shall develop administrative guidelines to implement this policy. Guidelines shall include reporting and investigative procedures, as needed. The complaint procedure established by the Superintendent shall be followed.

ILLNESS AT SCHOOL

The facilities of our school clinic are available for any student who becomes ill or injured during the school day. Care must be taken at all times to report all illnesses and injuries to the office. If a student has a need for the clinic service, the student should make sure the teacher in charge knows where he/she is going and then report immediately to the office and then the clinic. If unable to return to the classroom, he/she may be excused to go home. Parents will be contacted by the office or clinic. If your student has a fever or symptoms requiring them to go home, they must be symptom free for 24 hours to return to school.

LIBRARY

Fines are charged on overdue or damaged items. Students are expected to follow library regulations or they may forfeit access to the library.

MAKE-UP ASSIGNMENTS

Whenever a child has been ill or away from school, the child will be helped to make up some of the work missed. Obviously, not all can be made up. The teacher will work with the child and, if necessary, the parent, to minimize the absence and its effect of the child's education. In some cases of extended absences, due to illness, tutoring may be available.

MEDICATION

The administration of any medication to a student by school personnel requires the completion of necessary forms by the parent /guardian. Forms are distributed at the beginning of the year and are available in the Main Office. Both a parent /guardian and a physician must complete and sign the form. Medicine to be dispensed at school must be in its original prescription bottle. The school or its employees cannot provide aspirin or any other over-the-counter medication.

OUT OF SCHOOL SUSPENSION

The student may make up any available missed assignments or tests during out of school suspensions. It is strictly the student's responsibility to determine what work is missed by checking Progress Book or contacting a fellow classmate for information. Teachers are not responsible for providing make-up information or assignments. It may not be possible to make up class participation activities. All missed assignments are due the day the student returns to school from the out-of-school suspension. The student must make arrangements through their classroom teachers to complete any tests or quizzes.

PROGRESS BOOK AND REPORT CARDS

Academic progress is reported through various methods such as Progress Book, Interim Reports, and Report Cards. Conferences are encouraged at any time and parents may contact teachers for appointments. For questions about access to Progress Book, the online grade report program, please call (330) 523-3407.

PUBLIC RECORDS

A request for public records must go through the Treasurer's Office, as the Treasurer is the designated Records Officer for the Revere School District.

RECESS DURING WINTER WEATHER

Students go outside for recess every school day regardless of the weather unless it is extremely cold or raining. Please have children wear appropriate clothing and shoes for recess. When there is snow on the ground students must be wearing snow boots, coats, and gloves to be in the snow. Please be sure to label all belongings with your child's first and last name.

SCHOOL BUS PROCEDURES

Safe school transportation is considered an integral part of the total educational program within the Revere School System. Riding a school bus is a privilege. The primary purpose of the school bus is to transport pupils to and from school safely. The Revere School District recognizes that a safe school bus requires the cooperation of our parents, students, and school staff. Please read the following duties and responsibilities of school bus passengers carefully, and do your part to stress the importance of an accident-free school bus transportation program to your child.

Riding the school bus..... is a privilege extended to students that can be taken away anytime for disruptive or unsatisfactory behavior. All children being transported are under the authority of the bus driver and must obey the driver's directions. The school bus drivers are in charge while students are on buses. ***If your child is to go home any way other than by bus, the student is to bring a written note from home stating this. Otherwise, the child goes home on the bus.***

The following bus regulations are in effect:

1. Students boarding the bus from the right side of the road must stand back in a safe designated spot and wait until the bus comes to a complete stop and the red lights are flashing before approaching the bus. Students boarding from the left will use the same rules as the right side, but must wait for the driver to give a hand signal to cross the street.
2. Students must carry backpacks and other bags in front of them when boarding and disembarking the bus. **No key chains of any kind can be on the backpacks.**
3. While on the bus, the pupil is under authority of, and directly responsible to the bus driver.
4. Upon entering the school bus, the pupils shall take their assigned seats. Pupils shall remain seated at all times, facing forward in the seat. The aisle must be kept clear at all times. No arms, legs, feet or parcels shall extend into the aisle way at any time. **This is a state law.** All backpacks and bags must be held on their laps. Nothing is to be stored under the seat. Any over-sized project for school may not be transported by bus.
5. Pupils should conduct themselves on the school bus as they would in the classroom **except** that a reasonable amount of quiet conversation is permissible. Yelling to one another is not permitted.
6. **Eating or drinking on the bus is not permitted at any time.**
7. Pupils shall not smoke or light matches or cigarette lighters, or cause any other flammable material to burn on or near the bus.
8. Pupils causing damage of any type to the school bus will be held liable for the cost of repairing the damage to the bus. Students causing willful and malicious damage will be denied the privilege of riding the bus to school.
9. Permission must be given by the bus driver before any windows may be opened. No throwing of any objects out of the windows is allowed. No pencils, pens or any sharp objects are permitted out of bookbags while student is on the bus.
10. **Carrying of any dangerous objects or materials (such as knives, guns or fireworks) is an automatic suspension of bus riding privileges. The following items may not be transported on the bus: glass containers, skateboards, lawn chairs, balloons, large boxes, lacrosse or hockey sticks, golf clubs, skis, plastic sleds, baseball bats. All soccer balls, footballs, basketballs, etc. may be transported if they are contained either in a closed bag or backpack.**
11. The Board of Education is required by state regulations to designate all bus stops. Bus stops have been placed in locations throughout the district that have, through the years, proven safe for loading and unloading students. Due to the number of students transported, an effort has been made to locate stops so that no student has to walk more than one half mile to a bus stop. The exception to this would be students living on spur roads not traveled by Revere school buses. Parental assistance is requested in seeing that the children arrive safely to and from the stop.
12. All pupils will load and unload from the buses only at designated stops. When on schedule, the bus cannot wait for tardy pupils. Pupils are to be at their designated bus stop five minutes before the bus is scheduled to arrive. When ahead of schedule the driver shall wait until the bus is on schedule for the stop. Transfer of a pupil from his regular bus will be permitted only in case of hardship. A signed note from the parent must be presented to the principal's office in advance.
13. Bus drivers are to report discipline cases on the bus to the Transportation Supervisor. The Transportation Supervisor will consult with the pupil's school principal after a reported infraction of the bus rules. Continued disorderly conduct or refusal to submit to authority of the bus driver shall be sufficient reason for refusing transportation service to any pupil. The administration shall follow the procedures outlined for suspending a pupil from school.

SCHOOL TRANSPORTATION PRIVILEGES

If the Superintendent and/or designee determine that a student's behavior on a school vehicle violates school rules, he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Prior to such suspension, the Superintendent shall notify the student of the intended bus suspension and afford the student the opportunity to respond to the intended suspension or otherwise defend himself.

SCHOOL CLOSINGS

In the event of inclement weather or a calamity, school may be closed or starting time delayed. The same conditions may also necessitate early dismissal. School closings, delays in starting time, or early dismissals will be announced via the Alert Now notification system. If no report is heard, it can be assumed that school will be in session.

Unauthorized use of the yearbook and website content or photographs is prohibited. None of the material may be copied, modified, reproduced, posted, published, transmitted, and/or distributed in any form without prior written permission from Revere Local Schools.

VACATIONS DURING SCHOOL DAYS

Regular, uninterrupted attendance is crucial to full academic achievement. Parents are urged to make every effort, whenever possible, to plan vacations when school is not in session. The length of time for completion of make-up work shall be commensurate with the length of absence.

VIDEO AND AUDIO RECORDING DEVICES

Video and/or audio recording devices are not to be used at school without permission from school personnel. **This includes the use of these functions on cell phones.**

VISITORS TO HILLCREST

All adults are required to sign in at the office and wear a visitor sticker/badge at all times. During the school day all adults **must** enter the building through the main entrance by the flag pole on the east Revere Road. To protect instructional time and the safety of all students, visitors are not permitted to go to classrooms without an appointment or who are scheduled to volunteer.

Revere Reunification Method – Parent/Guardian Information Sheet

Student/Parent/Guardian/Authorized Person Reunification

Circumstances may occur at the school that will require parents to pick up their students in a formalized, controlled release. The process of controlled release is called a reunification and may be necessary due to weather, a power outage, hazmat, or if a crisis occurs at the school. The Standard Revere Reunification Method is a protocol that makes this process more predictable and less chaotic for all involved.

Because a controlled release is not a typical end of school day event, a reunification may occur at a different location than the school a student attends. If this location is another school, then those students may be subject to a controlled release as well.

Notification

Parents may be notified in a number of ways. The school or district may use Blackboard Connect and/or social media. In some cases, students may be asked to send a text message or make a phone call to their parents. A reunification text message from a student may look something like this: *"The school has closed, please pick me up at 3:25 at the main entrance. Bring your ID."*

Parent/Guardian/Authorized Person Expectations

If a parent or guardian is notified that a controlled release and reunification is needed, there are some expectations that parents or guardians should be aware of. First, bring identification. That will streamline things during reunification. Second, be patient. Reunification is a process that protects both the safety of the student and provides for an accountable change of custody from the school to a recognized custodial parent, guardian or authorized person.

What if a Parent /Guardian Can't Pick-up Their Student?

When a parent/Guardian can't immediately go to the reunification site, students will only be released to individuals previously identified as a student's emergency contact. Otherwise, the school will hold students until parents/guardians or authorized person can pick up their student.

What if the Student Drove to School?

There may be instances where a student may not be allowed to remove a vehicle from the parking lot. In this case, a parent/guardian or authorized persons are advised to recover the student. In some circumstances, high school students may be released on their own.

How it Works

For students, the school asks that students be orderly and quiet while waiting. Students may be asked to text a message to their parents or guardian. Students are also asked not to send other text messages either in or out of the school or reunification area. Keeping the cellular network usage at a minimum may be important during a reunification.

Reunification Cards

For parents/guardians/authorized persons, there are a couple steps. If a parent/guardian/authorized persons is driving to the school, greater awareness of traffic and emergency vehicles is advised. Once at the school, you should park where indicated and not abandon your vehicle. You will then be asked to go to the Reunification "Check In" area and form lines based on the first letter of their student's last name. While in line, you will be asked to fill out a Revere Reunification Form. This form is perforated and will be separated during the process. In the case of multiple students being reunified, a separate form will need to be completed for each individual student.

Example image of Revere's Reunification Form is below

Revere Reunification Information (PLEASE PRINT CLEARLY)

Have photo identification out and ready to show school district personnel.

Pre-release Information:

Student Name..... Student Birthday.....

Student Grade..... Student Cell Phone Number.....

Printed name of authorized person picking up student.....

Phone number of authorized person picking up student.....

Relationship to student being picked up.....

Below to be completed upon release of student:

Date..... Time..... First initial, last name of school personnel.....

Signature of authorized person picking up student.....

School personnel to verify that ID matches the name of the person authorized to pick up student before final release of student in his/her care.

Bring Valid ID to Check In

During check in, identification and custody rights are confirmed. From the "Check In" area parents/guardians/authorized persons are directed to the "Reunification" area once ID is validated. There, a runner will take the bottom half of the form and take it to the Student Assembly Area to recover the student or students.

Parents should be aware that in some cases, they may be invited into the building for further information.

Interviews and Counseling

In some cases, parents/guardians or authorized persons may be advised that a law enforcement investigation is underway and may be advised that interviews are necessary. In extreme cases, parents/guardians or authorized persons may be pulled aside for emergency or medical information.
