

Information Form for Revere NHS Candidates

FAILURE TO FOLLOW DIRECTIONS MAY JEOPARDIZE YOUR CANDIDACY.

- ★ Application is due by **SECOND TUESDAY IN NOVEMBER** (end of school day), no exceptions.
 - It is the responsibility of the applicant to obtain the application.
 - **Late forms will be disqualified.**
 - **RETURN FORMS TO NHS Advisor Mr. King in the Main Office**
- ★ Selection will occur and be announced in December, prior to winter break.
- ★ Selection to NHS will be based on a student's service, leadership, and character. Students will be selected for membership based on the **accumulation** of points per the following criteria:

GPA Requirements (no rounding up)	Points Needed
3.9 or higher	1
3.8-3.89	2
3.7-3.79	3
3.6-3.69	4

(GPA requirements for the class of 2023 and beyond are as follows: 3.7 and above)

- ★ Do not include current activities **unless they are entirely completed** for the year.
- ★ **All school activities and honors courses must be verified** by having the advisor, sponsor, or teacher sign the *Information Form*.
 - In order to promote school service and spirit: at least 1 and up to 4 points must be earned through co-curricular activities. Eligible activities and points are listed on the *Activities List*.
 - For any student needing 2 or more points, 1 point may be earned by completion of honors (not AP) courses. Points for honors courses (when appropriate) will be awarded at the rate of 1/8 point per trimester or semester completed.
- ★ Demonstrating leadership does not require one to have held an officer's position. On the *Information Form* you will be asked to explain 2 separate instances of leadership. You should not, for example, simply write, 'I have demonstrated a positive attitude.' Rather, explain how that attitude demonstrated leadership. Leadership **CANNOT** be a classroom example.
- ★ **Jobs do not qualify as volunteer or community activities.** Jobs may, however, afford you an opportunity to demonstrate leadership. If you include leadership from an employment experience, please have your employer sign your *Information Form* to verify your comments.
- ★ Please **do not repeat** the items on your *Information Form*. If you include an activity in one section, it should not appear again anywhere except maybe under the category of leadership.
- ★ **Double-check** your form before turning it in. Do you have ALL the required signatures, phone numbers, etc.? Have you signed it? Have your parents signed it?
- ★ Remember that the **NHS Faculty Committee**, not the Advisor, makes selection decisions.
- ★ Per the National guidelines, specific reasons for non-selection into the NHS are **NOT disclosed**.
- ★ Membership is an honor, not a right. Students who are selected are expected to support our commitment to service towards others and its scholarship fundraisers.
