The Board of Education requires a mask to be worn by all persons at Revere Middle School due to increased positive cases of COVID-19, effective Wednesday, October 27, 2021 – Tuesday, November 9, 2021.

A mask is any material that covers an individual’s nose, mouth and chin.

The requirement that Revere Middle School students, faculty, and staff, as well as any other person entering upon the property wear a mask does not apply when any of the following are applicable, as determined by the educator supervising the educational setting, building principal or Superintendent:

1. The individual has a medical condition, including respiratory conditions that restricts breathing, mental health conditions, or a disability that contraindicates the wearing of a mask;
2. The individual is communicating or seeking to communicate with someone who is hearing impaired or has another disability where an accommodation is appropriate or necessary;
3. The individual is seated and actively consuming food or beverage;
4. Students are able to maintain a distance of six feet or more and a mask break is deemed necessary by the educator supervising the educational setting;
5. The individual is alone in an enclosed space, such as an office; or

If a student is unable to procure a mask for himself/herself, the District will provide a mask.

Violations of this policy by a student will result in being removed from the Middle School property. Violations of this policy by staff members may result in disciplinary consequences, in accordance with any applicable collective bargaining agreement. Individuals/groups found to be in violation of this policy may be removed from District property, with the assistance of law enforcement if necessary.

All occupants of school buses and vans are Federally required to wear a mask at all times. This requirement applies to, but is not limited to, the following: volunteers, Board members, parents/guardians, community members, contractors, businesses, groups renting Revere Middle School.
